

An abstract line drawing in white on a black background. It depicts a man and a woman in a romantic pose. The woman, on the left, has long, wavy hair and is wearing a dark, strapless dress. She is holding a small, red, flower-like object. The man, on the right, is shown in profile, looking down at the object. His hair is short and dark. The drawing is composed of simple, expressive white lines. In the upper right corner, there is a small, green, spiral-like shape. The overall style is minimalist and artistic.

Lust Or No Harm Done:

Who Created God? Thomas Shine, 2011 This book contains 101 questions that every Christian should know but never thought to ask from who created God to what happens if someone lives in a remote region that has never heard about God and why can't we have multiple wives when people in the Old Testament did Other questions answered in this book Why is there suffering What is wrong with drugs Why would God let someone be mentally or physically challenged How did people live so long in the Bible Are there Aliens from Outer space Are Angels real

Masculinity in Contemporary Science Fiction by Men Sara Martín, 2025-05-30 Masculinity in Contemporary Science Fiction by Men No Plans for the Future is the first comprehensive study of the self representation of men in SF novels published in the twenty first century by male authors Exploring a broad selection of writers and works the fourteen chapters present a panoramic overview of men's contributions to current SF and explore their slow but noticeable progress in the representation of gender The impact of feminism and gender studies and the demands of readers have profoundly transformed men's SF which now presents far more caring and vulnerable male characters The old stereotypes are being replaced by a collective reflection on how men and masculinity are changing though the lack of a common agenda results in novels that while exciting and often challenging sometimes miss the chance to imagine a better anti patriarchal pro feminist future for men and for all human beings The authors analysed include Robert Charles Wilson Geoff Ryman Samuel R Delany Richard K Morgan John Scalzi Iain M Banks Ernest Cline James S A Corey Colson Whitehead Andy Weir Daniel H Wilson Ian McDonald Yoon Ha Lee Tade Thompson Neal Stephenson and Kim Stanley Robinson

A Time To Run Darleen Turner, 2025-09-10 Angel is rescued from a abusive relationship by her grandmother's friend Dr Adams The father of her children shows back up causing her extreme bodily harm The chances of her surviving are short of a miracle A miracle is what it will take to save her this time Her grandmother Emma's secret that she had kept for 50 years and didn't let be known until the time of her death which she had left letters to Alex Dr Adams and to Kate Angels mom These letters were never read In fact they had been forgotten about and maybe the only thing that will save her granddaughters life Will the secrets be revealed in time Or will her life be left in the hands of the almighty

treatises contain much that will instruct and interest the reader while some views will appear strange to those who fail to distinguish between different ages and different types of virtue and piety Augustine shared with the Greek and Latin fathers the ascetic preference for voluntary celibacy and poverty He accepted the distinction which dates from the second century between two kinds of morality a lower morality of the common people which consists in keeping the ten commandments and a higher sanctity of the elect few which observes in addition the evangelical counsels so called or the monastic virtues He practiced this doctrine after his conversion He ought to have married the mother of his son but in devoting himself to the priesthood he felt it his duty to remain unmarried according to the prevailing spirit of the church in his age His teacher Ambrose and his older contemporary Jerome went still further in the enthusiastic praise of single life We must admire their power of self denial and undivided consecration though we may dissent from their theory
