Napkin Theology Tyler Hansen, Emily Lund, 2023-03-17 Many Christians know that something mysterious and powerful happens on the cross and that it has something to do with salvation They know that God created out of nothing They know that Jesus was both human and divine But what do those various doctrines and concepts have to do with one another This is what Napkin Theology is all about It is an accessible rich introduction to Christian theology illustrated with simple memorable drawings that describe the classic concepts of Christian belief In reading Napkin Theology you can peer into the depths of two thousand years of theology in the length of a CliffsNotes guide This is not Theology for Dummies this is not watered down We explain terms like creatio ex nihilo and eschatology because they contain truths that all Christians and not just seminarians should know Theology is for everyone so let s start drawing

Preaching Promise withing the Paradoxes of Life Len Hansen, 2019-01-01 Paradoxes have become characteristic of the world we live in poverty and privilege empire and oppression migration and enclaves seeking war and peace justice and injustice reconciliation and revenge During the 2016 Societas Homiletica annual conference held in South Africa these paradoxes served as a rediscovery of the calling of preachers to deliver the promise that lies within life s contradictions A divine promise brought forth by the grace of God and the gospel of Christ embodied in and through us by the Spirit of Christ This promise may take many forms and calls for discernment and often interrupts the status quos in surprising shocking ways It is a promise that interrupts in order to comfort

Lectures on Romans Martin Luther, 1972 **Luther's Works - Volume 25** Martin Luther, 1968-05-10 Luther s Works The American Edition published by Concordia and Fortress Press between 1955 and 1986 comprises fifty five volumes These are a selection representing only about a third of Luther s works in the Latin and German of the standard Weimar Edition not including the German Bible When Luther was prevailed upon to write a preface to the projected complete edition of his Latin writings in 1545 about a year before his death he took the

opportunity to review the high points of his career to show that he really never had the time and talent to produce literature worth preserving that in publishing these works he was now merely yielding to his friends argument that his works would be published in any case if not with his cooperation then possibly by men who had no real understanding of them That was one thing But in that preface Luther also implored the reader of his Latin writings for the sake of our Lord Jesus Christ Himself to read those things judiciously yes with great commiseration With Luther s lectures on the Epistle to the Romans he had a splendid opportunity to share with his students the great find of his life that place in Paul which was for me truly the gate of Paradise
