*As Always, Your God* Modesta Belzer,2016-03-31 You are holding an exceptional book in your hands a book that is dictated by God via automatic writing and clairaudience In it you will find many of your questions answered Where do I come from What is the soul What is life about Do I have a true love Why is life so tough What or who is God Why are there wars Why can marriage be so complex Does God love each of us What happens when I die Why is there so much suffering and unfairness Is there one way to God Does God love men more than women Why are there different races Does God punish us Is reincarnation fact or fiction Is there a hell Is sex a sin Many more topics are discussed in *As Always Your God* Learn about Creation and love Learn about the many misconceptions we have This is THE book for men and women searching for enlightenment

*Pieces of Ease and Grace* Alan Cadwallader,2013-12-31 The previous volume of essays *Five Uneasy Pieces* was warmly received People of faith and spirituality were looking for liberating understandings of the Bible in engagement with their own sexualities and those of friends family and beyond The book demonstrated clearly that oppressive uses of selected texts from the Bible were invalid But more is needed The obligation upon scriptural scholars is to establish scripture s hospitable inclusion of those whose sexual identities have been subjected to such oppression *Pieces of Ease and Grace* retrieves biblical texts as actively embracing gays and lesbians within the community of faith Their stories profoundly intersect with those of scripture Here is a collection of biblical essays on sexuality and welcome that restores the Bible as a book of grace to those whose sexual identities had previously been lost or condemned in interpretation

**Communication in Interpersonal Relationships** Donald P. Cushman,Dudley D. Cahn,1985-06-30 This book discusses communication principles processes and skills from four different perspectives by explaining four related propositions First human communication is guided by socially established rules the knowledge of which allows interacting persons to exert influence over the outcome of their interactions Second self

concepts are formed and sustained in our interactions with others Third the formation of sustained interpersonal relations depends upon the attraction resulting from reciprocal self concept support And fourth organizations and the cultural system provide the parameters within which self concepts and interpersonal relations are formed The implications of these propositions are examined in chapters two through ten The authors develop their system in terms of results What patterns of communication what patterns of signal exchange increase the probability of the development of affective relationship What patterns erode interpersonal systems or prevent them from forming The book also examines patterns of communication within task oriented organizations and in situations involving cultural differences Daddy Do You Love Me?
