

A woman with long brown hair in a ponytail, wearing a black cap and sunglasses, is seen from the back, holding a fishing rod. She is standing on a grassy bank overlooking a body of water under a dramatic sunset sky with orange and yellow clouds. The overall mood is serene and romantic.

Lydias Passion:

Time and the Erotic in Horace's Odes Ronnie Ancona,1994 Rejecting both the notion that Horace fails as a love poet because he undermines the romantic ideal that love conquers time and the notion that he succeeds because he eschews illusions about love's ability to endure this book challenges the assumption that temporality must inevitably pose a threat to the erotic The author argues that temporality understood as the contingency the male poet lover wants to but cannot control explains why love fails in Horace's Odes

Finding Lydia B.H. Arias,2013-03-08 Lightly based on a true story a trip through one man's descent into insanity as he attempts to come to grips with the gorgeous ghost who has invaded his mind and will not let him go A tale told in a loosely connected poetic and romantic style during several deployments to Iraq and Afghanistan in diary like vignettes as the author struggles to define this Love wrapped within the folds of a paranormal romance

Passion and Plunder Collette Cameron®,2023-02-18 A defiant Scottish heiress and a Highland warrior discover that love is the fiercest battle of all Lydia Farnsworth the resilient heir to Tornbury Fortress faces a future dictated by her father's archaic wishes a contest that offers her hand as the prize Amid the sea of contenders one man Alasdair McTavish stands out not for his ambition to win but for the ghosts of love he carries His only desire to protect Lydia from the unworthy and leave heart unscathed Alasdair's plans to keep a distance from Lydia falter as her vibrant spirit challenges his resolve Bound by honor to train her defenders he becomes her unwitting champion even as his past warns him away Their growing connection faces the ultimate test when an enemy targets Lydia forcing Alasdair to confront his deepest fears for the chance at a future with her In a tale woven through the misty Highlands Lydia and Alasdair's love story is a testament to the power of destiny and desire As they battle against tradition their own doubts and external threats they must decide if their love is worth the sacrifices required Will they seize the moment or will the harsh realities of their world tear them apart

Lydia's Family Romana Guillotte,2006-06 Undercover investigator Lydia Ellen Parsons hasn't been home to Shoreditch Plains in years thirteen years to be exact But a mysterious and threatening note arrives along with the invitation to her sister's wedding telling her that now might be the time to go home Along with her two partners the quiet former detective Beauregard Beau Theodosius Jenkins III and the obnoxious Robert Bo Parker a former Marine she finally returns to her hometown Just as LP and her cohorts arrive the future in laws of the bride decide to take over the Parson family and gain control over their sphere of influence prompting her grandfather to hire LP and her partners to investigate In the chaotic world of the Parson Compound LP forgets to mention to her friends that her family is anything but average they're a mafia family
