Maccabees Ii

Lester L. Grabbe

Maccabees II:

The Acts of the Apostles: Prolegomena II: Criticism Frederick John Foakes-Jackson, Kirsopp Lake, 1922 **The Second Book of Maccabees** Solomon Zeitlin, 1954 **Judaism of the Second Temple Period** David Flusser, 2007 David Flusser was a very prolific scholar of the Dead Sea Scrolls and his contributions to Scrolls research apocalypticism and apocalyptic literature are inestimable With this English translation of many of his essays Flusser's insights are now available to a wider audience than ever before Here Flusser examines the influence of apocalypticism on various Jewish sects He states that the teachings of Jesus while reflecting first and foremost the views of the sages were also influenced by Jewish apocalypticism Examining the Essenes their effect on Hebrew language the split of sects and much more Flusser's collected essays offer an important source of study for any Dead Sea Scrolls scholar Publisher [The Dead Sea Scrolls After Fifty Years, Volume 2](#) James C. VanderKam, Peter W. Flint, 2024-04-02 The Dead Sea Scrolls after Fifty Years is being published to mark the fiftieth anniversary of the discovery of the first scrolls at Qumran The two volume set contains a comprehensive set of cutting edge articles on a wide range of topics that are archaeological historical literary sociological or theological in character Since the discovery of the first scrolls in 1947 an overwhelming number of studies has been published Now half a century later nearly all scrolls found have been published in critical editions and scholars can begin to assess the true relevance of the scrolls for the study of the Bible Second Temple Judaism and Early Christianity The contributors to these volumes form an international team of leading specialists in the field They have written critical surveys of particular aspects of Dead Sea Scrolls research focusing on significant developments theories and conclusions while also indicating directions for future study **Prolegomena II. Criticism** Frederick John Foakes-Jackson, Kirsopp Lake, 1922 *A History of the Jews and Judaism in the Second Temple Period, Volume 3* Lester L. Grabbe, 2020-02-20 This is the third volume of the projected four volume history of the Second Temple period collecting all that is known about the Jews from the period of the Maccabean revolt to Hasmonean rule and Herod the Great Based directly on primary sources the study addresses aspects such as Jewish literary sources economy Qumran and the Dead Sea Scrolls the Diaspora causes of the Maccabean revolt and the beginning and end of the Hasmonean kingdom and the reign of Herod the Great Discussed in the context of the wider Hellenistic world and its history and with an extensive up to date secondary bibliography this volume is an invaluable addition to Lester Grabbe's in depth study of the history of Judaism **The Beginnings of Christianity** Frederick John Foakes-Jackson, Kirsopp Lake, 1922 **Phinehas, the Sons of Zadok, and Melchizedek** Dongshin Don Chang, 2016-08-11 Dongshin Don Chang examines 1 and 2 Maccabees the Dead Sea Scrolls and Hebrews to see how the combined concepts of covenant and priesthood are defined and interlinked within various biblical and extra biblical traditions The three studies show the interesting and varying dynamics of the use of combined concepts of covenant and priesthood The articulations of the two entities are shown to reflect in part the concern of the Second Temple Jewish authors how significant the priestly

institutions and priesthood were not only in cultic matters but also in relation to political and authoritative concerns Chang's analysis makes clear that some of the Second Temple compositions have pursued ideas of the legitimacy of priestly identities by juxtaposing the concepts of covenant and priesthood from various traditions Interpretation and representation of certain traditions becomes a way in which some Second Temple Jews and some members of the early Jewish Christian communities developed their priestly covenantal identities It is with an understanding of this Chang argues that we can better understand these Second Temple texts
