Tucker, 2010-04-19 Originally broadcast on American television between 1952 and 1969 the 30 situation comedies in this work are seldom seen today and receive only brief and often incomplete and inaccurate mentions in most reference sources Yet these sitcoms including *Angel The Governor* and *J J It s a Great Life I m Dickens He s Fenster* and *Wendy and Me* and the stories of the talented people who made them are an integral part of television history With a complete list of production credits and rare publicity stills this volume based on multiple screenings of episodes corrects other sources and expand our knowledge of television history *Plays from New River 1* M.Z.

Ribalow, 2014-01-10 This is the first volume of *Plays from New River* showcasing a place where gifted writers of plays and screenplays are paid and nurtured to write whatever they most want to write These three very different plays are among the results *Wendy Hammond s Absence* considers the American mindset of the Cold War by focusing on the intensely human story of a Mormon couple suffering the damage wreaked upon those involved in intelligence during that era *American Girls* by Hilary Bettis shows us the hilariously terrifying results when teenage girls grow up in a culture that simultaneously reveres Christian ideals and celebrity And M Z Ribalow s *Masterpiece* by considering forged paintings in World War II Europe raises timeless questions about the nature of creativity the relation of reality to illusion and how we judge art Each play has a distinctive voice subject and style all were developed in the unique setting of New River Dramatists in Ashe County North Carolina
