Moments with Bahá'u'lláh Tarāz Allāh Samandarī,1995 Moments with Bahá'u'lláh Tarāzu'lláh Samandarī,2020-09-06 The Hand of the Cause Tar zu ll h Samandar while he was still a teenager undertook his first pilgrimage having many occasions to come into the presence of Bah u ll h He afterward recounted the stories of this pilgrimage hundreds of times to the delight and astonishment of believers around the world Here for the first time his stories are presented in written form Mr Samandar was in the Holy Land during the last months of Bah u ll h s life He was present during the revelation of Tablets and verses He accompanied Bah u ll h on visits to the Garden of Ridv n and he was present at the time of Bah u ll h s ascension Discover these and other sweet and bitter stories in this charming and inspirational book Illustrated *Baha'u'llah* Moojan Momen,2014-10-01 Worldwide in its membership and increasingly being recognized as the youngest of the world religions the Baha i Faith is enjoying rapid expansion In this captivating book Moojan Momen gives a brief survey of the life the works and the teachings of Baha u llah its founder Covering the resistance he encountered including successive forced exiles and vitriolic opposition this is a carefully constructed account of the eventful life of this influential nineteenth century religious figure Comprehensive and yet concise this is a perfect book for anyone interested in knowing more about the Baha i Faith and its founder *The Story of Baha'u'llah* Druzelle Cederquist,2005 Describes Bah u ll h s life straightforwardly but with drama and a talent for evoking the ambience of the 19th century Persian and Ottomoan milieus Five appendices cover a chronology of the events in the life of Bah ull h s life Bah ull h s family the branches of Islam millennial Christians and his younger half brother M rz Yahy **My Memories of Baha'u'llah** Kalimat Press,2001-05

The Moment Aniruddha Bose,2016-09-01 This is the story of another world How do we understand the concept of time This novel has brought out a supernatural message from time s internal cave It is nothing new for two persons to be attracted to each other This novel sees this oft played game from an entirely new perspective Is love and desire the same Can these two be put in the same paradigm of understanding Or is there a thin line which delineates them apart and yet so close Each of us accepts our own perception of the truth Some would say love is abstract while desire is concrete Is it so Desire could also be abstract Why do we love someone Can it be explained by the theories of chemistry Science has given a clinical definition The key lies in certain hormones and neurotransmitters in the brain Is life science the best alternative to our understanding of this If that were so the beauty of love gets lost in the ravages of misconceptions The two protagonists in this story are searching for that elusive answer while finding themselves in a supernatural cusp of time It is that cusp which is known in science as Vertical Time Or in our philosophy as Turiya postulated in the Upanishads This is where time stands still and veers away from the well known path of horizontal movement In the light and darkness of the maze we know as past and present they seem to throw the two characters in this novel into their own subconscious and titillate them to play the game of love in surreal time Transglobal Humanities: Meeting the Moment Mark K. Warford,2025-03-25 As the world turns

toward increased cultural and commercial integration it is not clear that humanities programs are sufficiently equipped to engage a global turn in higher education Furthermore though global engagement has emerged as a buzzword with cache across campus and community organizational missions the current humanities canon may likewise be ill equipped to meet the moment Accordingly the chapters contained in this volume which reflect a richly global diversity of authors themes and disciplines critically examine structures that determine the what and how of humanities dissemination worldwide including technological innovation as well as the dominance of English translated works in the curriculum and the global humanities market Additionally we examine blendings of the local and the global the particular and the universal the many faces of the cultural other and possibilities for un othering in humanities arts and letters curriculum and pedagogies

A Tutorial on the Dispensation of Baha'u'llah Fazel Naghdy, 2012 Shoghi Effendi stated that the first duty and the focus of sustained efforts of every faithful follower of the Bah Faith is to strive to acquire a more adequate understanding of the Revelation of Bah u ll h Although a full comprehension of such a Revelation is beyond the limits of our understanding a clearer understanding of its basic truths will empower us to derive fresh inspiration and to gain further spiritual nourishment which in turn will support and maintain our services to the Cause Shoghi Effendi The World Order of Bah u ll h p 100 Shoghi Effendi wrote The Dispensation of Bah u ll h in 1934 in the form of a letter addressed to the Bah s of the West to assist them to fulfil the obligation of deepening their understanding The letter was published together with a selection of his other letters in 1938 in the book entitled The World Order of Bah u ll h The Dispensation of Bah u ll h provides an accurate and clear description of the fundamental verities of the Bah Faith concerning the station of its Central Figures as well as the twin crowning institutions of the Guardianship and the Universal House of Justice Grasping and upholding these verities will enrich the spiritual life of the individual This tutorial is designed to assist you in studying and assimilating the content of The Dispensation of Bah u ll h It is called a tutorial to emphasize the concept underlying its development In a tutorial a tutor facilitates learning for an individual or a small group This book has been designed and developed to simulate as much as possible the tutor tutored relationship in a self paced personal study The tutorial identifies the main themes covered in Shoghi Effendi s letter and splits related paragraphs into chapters Hence the 130 paragraphs of The Dispensation of Bah u ll h are apportioned for study across 27 chapters The size and complexity of each chapter reflects the content and intricacy of the issues addressed in the paragraphs included therein The title chosen for each chapter reflects the main theme covered in the paragraphs In addition two extra chapters address those questions that arose following the sudden passing of Shoghi Effendi and the lack of any lineal descendant to succeed him as the next Guardian
