Momma Where Are You From:

Momma, You Are Loved Kimberly Sexton, 2021-04-12 Ever since the birth of my firstborn Emma I have come to taste a love from God that I had never known before This newfound love I experienced filled me with a new desire to help all mommas know how truly loved they are loved by the Highest King and worthy of raising His children that He gave us as an inheritance Two years ago I started writing devotions that sparked from my taste in God s love which consisted of the everyday moments I experienced with my daughter While writing I became pregnant with my son Asher and shortly after the unimaginable happened My firstborn the daughter who helped me taste God s love became diagnosed with type 1 diabetes Now a new trial tested my faith in God s love and everything I had been writing about Soon my writings became a journey where I desperately needed to stay wrapped up in God s love a deeper calling into His grace by finding Him in the suffering A new question arose from the pain Do I really know God s love I felt as if I could hear God speaking into my heart You had a taste of my love but you don t truly understand how great My love is A love that I had to learn to take root in discovering one day at a time by ridding myself of my fleshly nature and filling myself up with His word Momma I invite you to take this forty day journey with me through real life momma moments where God s love carried me through May you allow me into your day and help you feel God wrapping you up into His strong arms I pray my writings and testimonies will speak life to your heart and open your soul to become rooted in His love

Charles,2018-05-23 The aim of the story in this book is to bring out the examples of what happens when we drift away from obedience to God as well as our parents It is an earthly story with a heavenly meaning Its a very high price to pay in life when our weaknesses become overwhelming to the point of disaster in our lives You will see how the choices we make in life can really determine how we live You will feel the heartbeat of mothers who want the best for their children You will see how much we owe to the influence of godly parents especially godly mothers You will see through the eyes of mothers who regardless of the age of her children still have that bosom care in her heart Your child will see how trouble is easy to get into but hard to get out of If all our children would think of the consequences before their actions it can make a big difference in the outcome of many situations It is sad to say that parents are out living their children The younger generation is to produce to carry on the next generations the elderly cannot We are at a breach of a fruitless world *Words Are Magic* John Thomas Tuft,2023-07-21 This collection of Story Guides short four minute reads are inspirational touching the ordinary and extraordinary aspects of everyday life and the pain of our lives Writing from his own myriad of experiences
