Miller, 2023-04-23 Our Walk with the Lord begins when we take our first step in faith by believing that Jesus is who he says he is Thereafter day after day we willingly take up our cross and attempt to follow in his footsteps finding out all too soon that The Way is not easy Some will not understand our belief in the invisible God They will consider us fools and secretly despise us for claiming to see what they cannot While they may be blind to his presence we see God everywhere and in everything Ours is a life long spiritual journey which tests our strength courage faith and convictions While it may seem that we are walking alone we are not The Lord is always with us Look around my friends there are other Believers each walking at their own pace some far ahead while others trail behind Occasionally someone comes along who falls into step and walks the long road with us Know that they have been intentionally sent by God to pick us up when we stumble and fall get lost or become discouraged We need their uplifting prayers encouragement and testimonies of faith to remind us never to give up hope This book is about my walk with The Lord However I believe the sentiments expressed are not mine alone but universal to Christians everywhere It is my hope that the words God has given me will also minister to you as you walk your walk

Juggling Elephants Jones Loflin,Todd Musig,2007-09-06 What do you do when your life feels as busy as a three ring circus Juggling Elephants tells a simple but profound story about one man with a universal problem Mark has too much to do too many priorities too much stress and too little time As he struggles to balance his many responsibilities without cracking under the pressure Mark takes a break to attend the circus with his family There he has a surprising conversation with a wise ringmaster He leaves with a simple but powerful lesson Trying to get everything done is like juggling elephants impossible So Mark begins to think about his work family and personal life the way a ringmaster thinks

about the many acts in a three ring circus He discovers that managing his various acts can be fun and easy once he changes his attitude and follows his new friend s ongoing guidance Mark soon realizes If you keep trying to juggle elephants no one including you will be thrilled with your performance A ringmaster cannot be in all three rings at once The key to the success of a circus is having quality acts in all three rings Intermission is an essential part of any good circus Juggling Elephants is a wonderfully lighthearted guide for everyone who feels like they re about to be squashed It will help you better focus your time and energy so you ll be able to enjoy more of the things that are important to you Above all it will teach you how to run your circus instead of letting the circus run you Orangutan Colin Broderick,2009-12-29 Few people who have been slave to an addiction as vicious as destructive and as unrelenting as Colin Broderick s have lived to tell their tale Fewer still have emerged from the darkest depths of alcoholism from the perpetual fistfights and muggings car crashes and blackouts to tell the harrowing truth about the modern Irish immigrant experience Orangutan is the story of a generation of young men and women in search of identity in a foreign land both in love with and at odds with the country they ve made their home So much more than just another memoir about battling addiction Orangutan is an odyssey across the unforgiving terrain of 1980s 90s and post 9 11 America Whether he is languishing in the boozy squalor of the Bronx coke fueled and manic in the streets of Manhattan chasing Hunter S Thompson s American Dream from San Francisco to the desert or turning the South into his beer soaked playground Broderick plainly and unflinchingly charts what it means to be Irish in America and how the grips of heritage can destroy a man s soul But brutal though Orangutan may be it is ultimately a story of hope and redemption it is the story of an Irish drunk unlike any you ve met before *Graphic Showbiz* Nanabanyin Dadson,2010-09-23 The Complete Book of 1980s Broadway Musicals Dan Dietz,2016-02-18 For Broadway audiences of the 1980s the decade was perhaps most notable for the so called British invasion While concept musicals such as *Nine* and Stephen Sondheim s *Sunday in the Park with George* continued to be produced several London hits came to New York In addition to shows like *Chess* *Me and My Girl* and *Les Miserables* the decade s most successful composer Andrew Lloyd Webber was also well represented by *Cats* *The Phantom of the Opera* *Song Dance* and *Starlight Express* There were also many revivals such as *Show Boat* and *Gypsy* surprise hits *The Pirates of Penzance* huge hits *42nd Street* and notorious flops *Into the Light* *Carrie* and *Annie* 2 *Miss Hannigan s Revenge* In *The Complete Book of 1980s Broadway Musicals* Dan Dietz examines in detail every musical that opened on Broadway during the 1980s In addition to including every hit and flop that debuted during the decade this book highlights revivals and personal appearance revues with such performers as Sid Caesar Barry Manilow Jackie Mason and Shirley MacLaine Each entry includes the following information Opening and closing dates Plot summaries Cast members Number of performances Names of all important personnel including writers composers directors choreographers producers and musical directors Musical numbers and the names of performers who introduced the songs Production data including information about tryouts Source material Critical commentary Tony awards and nominations
