Kleinschmidt,1942 *The Philosophy of Parochialism* Radomir Konstantinovic,2021-10-07 The Philosophy of Parochialism is Radomir Konstantinovi s 1928 2011 most celebrated and reviled book First published in Belgrade as Filosofija palanke in 1969 it attracted keen attention and controversy through its unsparing critique of Serbian and any other nationalism in Yugoslavia and beyond The book was prophetic seeming to anticipate not only the bloody disintegration of Yugoslavia in the 1990s but also the totalitarian turn in politics across the globe in the first decades of the new century With this translation English speaking audiences can at last discover one of the most original writers of eastern European late modernism and gain an important and original perspective into contemporary politics and culture in the West and beyond This is a book that seems to age in reverse as its meanings become deeper and more universal with the passage of time Konstantinovi sbookresists easy classification mixing classical Montaigne like essay prose poetry novel and literary history The word philosophy in the book s title refers to the solitary activity of reflection and critical thinking and is also paradoxical according to the author a defining characteristic of parochialism is precisely its intolerance toward this kind of self reflexivity In Konstantinovi s analysis parochialism is not a simply a characteristic of a geographical region or a cultural political and historical formation these are all just manifestations of the parochial spirit as the spirit of insularity His book illuminates the current moment in which insularity undergirds not only ethnic and national divisions but also dictates the very structure of everyday life and where individuals can easily find themselves locked in an echo chamber of social media The Philosophy of Parochialism can help us understand better not only the dead ends of ethnic nationalism and other atavistic ideologies but also of those cultural forces such as digital technologies that have been built on the promise of overcoming those ideologies

Story of the Spirit Sarah Jo Fairchild,2018-09-07 When the Spirit enters the scene people change The fallen find redemption The fearful find freedom The broken find hope and healing for a new beginning But how do we trust a Spirit we struggle to know and understand Story of the Spirit breaks down barriers of confusion and controversy by exploring his partnerships with real people in the Old Testament Through the eyes of leaders like Moses and Gideon and lesser known heroes like Jephthah and Bezalel we discover a Spirit who champions second chances emboldens the insecure restores lost peace and purpose transforms places of wounding into places of worship It s time to turn the page in our perception of the Holy Spirit and awaken his powerful presence in our lives He is more than a riddle to unravel or mystery to solve He is a Person we were always meant to know Knowing him inspires trust Trusting him transforms the unfolding chapters of our own story with potential made possible only in relationship with the whole of who God is Father Son and Spirit **The Story of an Inner City Twelve-Year-Old Girl and Her Family** Herman McKoy,2010-02-02 There are surely troubled times a head for Jane the family and her school There is a spell of uncertainty in the air but no one seems to know how to pin the problem

down As Jane faces adolescence her family must find ways means to deal with daily problems At the same time keeping their family intact and the love balanced amongst all the children The grandparents the church and the school community are also integral to the survival of the Tomlinson family In the end it is the Christian principles and discipline but moreover love that pulls the family through

Daddy, Is That Story True, or Were You Just Preaching? Rev. James W. Moore, 2012-05-01 Popular author James W Moore recalls how several years ago while delivering the sermon at his church one Sunday morning he had told a moving story about a boy and his dog The author's then five year old son Jeff was fascinated by the story but feeling a bit uncertain about some of the details of it during the family's car ride home from church Jeff asked his father Daddy is that story true or were you just preaching Highly amused by Jeff's question Jim Moore went on to explain to his young son that there are two kinds of stories TRUE stories stories that happened factually in history and TRUTH stories stories like Jesus parables which are shared to underscore a dramatic truth in life The several short chapters and stories in this book are designed to highlight such life truths with chapter titles such as Go out Singing Roadblocks Should I Forgive One Step at a Time Who's in Control Here What Can One Person Do Tell Me Please How to Be Happy Why not You Keep on Keeping On Jesus The Message and the Messenger The Importance of Uniqueness and others This book contains a discussion guide

Dark Clouds, Deep Mercy Mark Vroegop, 2019-03-14 Lament is how you live between the poles of a hard life and trusting God's goodness Lament is how we bring our sorrow to God but it is a neglected dimension of the Christian life for many Christians today We need to recover the practice of honest spiritual struggle that gives us permission to vocalize our pain and wrestle with our sorrow Lament avoids trite answers and quick solutions progressively moving us toward deeper worship and trust Exploring how the Bible through the psalms of lament and the book of Lamentations gives voice to our pain this book invites us to grieve struggle and tap into the rich reservoir of grace and mercy God offers in the darkest moments of our lives

The Kingdom of God and the Kingdom of Earth are competing for citizenship and neither is willing to give deference Take a month and allow the Gospel of John to adjust your thinking and reexamine the Kingdom with which you are aligned The Think About series is a set of standalone Christian devotionals that combines biblical application with poignant stories and metaphors Each book contains thirty one reflections that take an average of ten minutes to read but much longer to digest In this book you will embark on a journey that will traverse the entire Gospel of John In those accounts Jesus supplies wine to a wedding crosses gender and racial barriers and uses a whip to break up a church service Whether you are a skeptic or lifelong believer each chapter will evoke one simple question Who is Jesus to you and how is that going to affect your life
