My Guardian Angel:

My Guardian Angel, My Best Friend Lorna Byrne, 2020-11-05 A collection of children's stories by international bestselling author Lorna Byrne. Lorna Byrne says we all see angels when we are young children but are gradually conditioned to screen them out. Here for the first time she has written stories inspired by the real life of seven children whose lives were transformed and made better by their interaction with their guardian angels. Among these there is a story of a little girl called Suzy paralysed from birth and unable to play with other children. Angels play with her and bring her great happiness. In another story a little girl called Emma is mean to her classmates and gets her little brothers into trouble at home. Her guardian angel gradually prompts her towards a more harmonious and happy life. Tommy feels he is an outsider because he is no good at football. Then with his guardian angel's loving help and attention Tommy scores a brilliant goal. Lorna began telling stories to her daughter Aideen at an age when like all children she was beginning to focus far more on the material world and less on spiritual influences. These stories are written to show children the ways in which they can ask for help from their guardian angels and perhaps even to catch a glimpse of them. *Little Catholic Books-My Guardian Angel* Mary W. Stromwall, 2023

My Guardian Angel Lisa Fulscher, 2008-04 Teaches young readers that angels are sent by God to protect and guide in daily life.

My Guardian Angel Wanda Thomas, 2012-07 Summary: My Guardian Angel. My Guardian angel is a book that will make you think of angels and how they are sent to help you out when you need them. Do you believe in angels? This book will help you to remember to ask for help even when you are fearful and in danger. Being in trouble will sometimes cloud your mind and keep you from remembering that you have an angel to guide you. This book talks about how angels will protect you in the darkest hour of the night. Angels will tell you about people to keep you out of trouble. If Dorothy had been with Paul when the police arrested him she would have been in bad company. Her guardian angel protected her. Even if you do not listen to your guardian thy will help you in the end just call for help. This book is for entertainment and I hope you find your guardian angel when you finish reading.

The First Time I Encountered My Guardian Angel Michelle Napier Colombo, 2020-06-02 This is a true story of my life and how I was born with a gift from God. It wasn't until later I was awakened that I realized I had these gifts. I didn't know anyone like me. I knew that I had always had someone talking in my right ear since the age of six. I would call it my intuition. I knew I was different because I was told things that were going to happen before they happened and had dreams of things before they happened. It was later on that I found out that I was an earth angel. And in fact that it was my guardian angel who talked

to me and guided me And as you read in the book the events that had happened were always validated In the book I talked about a miracle resurrection of my dog which was also a gift from God an out of body experience and how my spirit travelled to a different place I see angels and talk with angels My guardian angel who you will be reading about who we refer to as Mama Angel has guided me throughout my life along with the other angels and that will be coming out in my next book called Concrete Angel where there will be more stories of miracles and healings where I can tell you how to connect with your guardian angel and other angels and signs to look for when your guardian angel is near In this book I also talked about a high priest who came after me and knew who I was and what it took to defeat him I had many challenges in the early part of my life As I got older my gift got stronger My awakening didn't happen until I was forty eight You will read about many more miracles that occurred in this book

Spirit Guides & Angel Guardians Richard Webster, 2012-07-08 They come to our aid when we least expect it and they disappear as soon as their work is done Invisible helpers are available to all of us In fact we all regularly receive messages from our guardian angels and spirit guides but usually fail to recognize them This book will help you to realize when this occurs And when you carry out the exercises provided you will be able to communicate freely with both your guardian angels and spirit guides

Life with My Guardian Angel Richard Bach, 2018-04-25 Let's pretend that I was killed on that day when I wasn't The day when my guardian angel managed to throw my F 86F half a second from becoming a fireball in the desert up into a clear sky way above what would have been the impact point If she hadn't done this if she hadn't spared my life time after time in the 80 some years that we've been together I wouldn't have written this book that brings those strange times together and suggests why we choose any lifetime in the first place For 78 of those years I had no idea that she existed hadn't heard about guardian angels and what their job might be Hadn't heard that our angel stays with us from the minute we're born till the time that our mission is done and we come home to the place we call heaven

Today I've just about finished a lifetime and at last I can understand what it is that we do as mortals and why we choose these over all the other possibilities Thank you dear guardian angel and please consider that with your consent and signature our contract will extend to yet another lifetime *My Guardian Angel Prayer Book - Picture Book* Bart Tesoriero,2011-06-01
