Healthy Snacks Cookbook Martha Stone, 2016-07-26 Healthy snacks are hard to find Make them at home then I totally understand where you are coming from and that s why I created this helpful book I also wanted to emphasize how fun it can be to prepare some treats that are both yummy and healthy for you and your loved ones In order to find healthier options when you shop you do have to look carefully at the labels on each food item packaging and too often you find out that there is huge amount of sodium sugars or unhealthy fats Sure grabbing the granola bars cakes cookies and puddings off the shelves to place in your family members lunch boxes seem like the practical idea but definitely not the healthiest one But isn t it the Clean Eating Snacks for Everyone you want to keep in your pantry It s important to teach your children to make some valuable and nutritious nutritional choices early on so they can grow up with the best chance of living a healthy life So what other options are there Sure you can also pick out fresh vegetables and fruits unsalted nuts and dried raisins And these are all great choices when you don t have the time or energy to prepare any other snacks with great nutritional value
