Armstrong was not only jazz's greatest musician and innovator but also arguably its most famous entertainer and the frontal figure in the development of contemporary popular music. Overcoming social and political obstacles he created a long and impressive career and an enormous musical output. Now his ground-breaking musical career is amassed and detailed in this discography of all his works from professionally made commercial releases to amateur and unissued recordings. *All of Me* is a comprehensive chronological discography born out of love and admiration for Louis Armstrong and devotion to years of collecting his musical accomplishments. Author Jos Willems has meticulously compiled all of Satchmo's known recordings both studio and live performances and with assistance from internationally renowned specialists has assembled an impressively detailed accurate and complete listing. This volume is superbly formatted and presented logically organized and thoroughly indexed by song title and individual. Researchers, collectors and enthusiasts can easily look up any detail of a recording, issues and releases of particular songs, publishing companies, producers, catalog numbers, dates, times and locations of recordings musicians Armstrong played with and format be it 78 or 45 RPM records, LPs, CDs or media appearances. Every detail of Armstrong's career is listed in this impressive volume shedding light on the enormity of his impact on jazz and popular culture. This is the ultimate reference guide for the complete works of Louis Armstrong.

People, Land and Water in the Arab Middle East William Lancaster, Fidelity Lancaster, 2013-07-04. The result of twenty-five years of research with different tribal groups in the Arabian peninsula, this study focuses on ethnographic descriptions of Arab tribal societies in five regions of the peninsula with comparative material from others. Having become aware of the depth in time of Arab tribal structures, the authors have developed a view of Arabic tribal discourse where tribe is seen as essentially an identity that confers access to a social structure and its processes.

Fashion Communication in the Digital Age Paula von Wachenfeldt, Lorenzo Cantoni, Nadzeya Sabatini, Teresa Sádaba, 2025-11-18. This open access book presents papers from the fourth bi-annual FACTUM Fashion Communication Conference, a leading reference event in the field of fashion communication. As one of the few academic gatherings of its kind worldwide, the conference explores fashion communication from diverse perspectives. The proceedings feature contributions from scholars specializing in communication and marketing management, digital transformation, cultural heritage and other related disciplines. These proceedings aim to foster interdisciplinary theoretical and empirical research on the impact of communication practices on both the fashion industry and societal fashion-related values and behaviors. Specifically, they seek to establish and strengthen an international interdisciplinary network of scholars in the field of fashion communication, share innovative methodological approaches, expand the dialogue between communication studies and fashion-related disciplines, and encourage junior researchers to pursue their academic interests in this dynamic field. Additionally, this book serves as a valuable resource for professionals in fashion communication and marketing, providing access to rigorous research in a rapidly evolving domain driven by digital transformation.
