

Obey Natural Law

Obey natural law

**The nature was
And shall always
Remain our life line
For future if we try to define**

**Nothing survives
And nature revives
Under its own rule
To provide everything in full**

**Complete living beings are provided
And definitely aided
To have food
And for the good**

**What are we doing?
Cutting same roots to bring
Disasters like feminine
Pollution and extinction**

**Not all people can be excused
If they refuse
To obey natural law
We shall force them and not allow**
