Texas State Historical Association

Naturallysouth Texas Nature Notes From The Coastal Bend:

Naturally . . . South Texas Roland H. Wauer, 2010-07-22 The Golden Crescent of South Texas a fifteen county region along and inland from the middle Gulf Coast is often called the Crossroads because of its natural diversity Located in the heart of the Gulf Coast Prairie and Marshes the area also encompasses the trailing edges of the South Texas Plains Post Oak Savannah and Blackland Prairie This confluence of ecological zones makes it a wonderful place for birding and for observing the changing face of nature especially during seasonal transitions In this book Ro Wauer describes a typical year in the natural life of South Texas Using selected entries from his weekly column in the Victoria Advocate newspaper he discusses numerous topics for each month from the first appearance of butterflies in January to alligators making a comeback in July to the Christmas bird count in December His observations are filled with intriguing natural history lore from what sounds mockingbirds will imitate almost any noise in their neighborhood to how armadillos swim by inflating themselves to increase their buoyancy

Traveling the Shore of the Spanish Sea Geoff Winningham, 2010-02-15 In a work of sweeping breadth and beauty Geoff Winningham has created a profusely illustrated contemplative travel journal that showcases his talent as both a photographer and a writer and reveals his affection and respect for the two countries he calls home In 2003 photographer Geoff Winningham saw for the first time both the southern coast of Veracruz with its volcanoes rain forests and steep mountains and the Texas coast near High Island where the land seems to stretch endlessly covered by a sea of salt grass He decided that these two visually striking areas could be the beginning and end points of a photographic study that would also engage the two cultures in which he had lived for twenty years the U S and Mexico Now seven years and more than a hundred trips later *Traveling the Shore of the Spanish Sea* The Gulf Coast of Texas and Mexico is the result In this beautifully illustrated and engagingly written book Winningham also considers the role that the Gulf of Mexico played in the discovery and exploration of the New World Winningham s journey begins east of High Island in Port Arthur where the images suggest a cautionary tale relating to the oil industry and the land It ends twelve hundred miles down the coast at the end of an old stone road in tropical terrain of almost indescribable beauty overlooking the sea In between more than two hundred photographs include natural landscapes ranging from unspoiled to completely despoiled roadside architecture and signage and images of people Winningham met As he attempts to come to terms with the disturbing changes he witnessed to the coastal environment the book also contains elements of a poignant personal lament for what is being lost *Traveling the Shore of the Spanish Sea* The Gulf Coast of Texas and Mexico will delight and enchant readers with its deeply felt personal narrative and the power and beauty of its images

In Our Backyards

The Top Books of the Year Naturallysouth Texas Nature Notes From The Coastal Bend The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year.

Naturallysouth Texas Nature Notes From The Coastal Bend : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail.

Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Naturallysouth Texas Nature Notes From The Coastal Bend : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting.

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
