Nature And Extend Of Gods Knowledge:

The Nature and Extent of God's Knowledge Robert A. Morey,1999 The Nature and Extent of Divine Inspiration Charles Adolphus Row,1864 The Holy Spirit's Work: Its Nature and Extent George Cron,1880 *Experience, Culture and Religion in Systematic Theology* Edmond Zi-Kang Chua,2023-09-28 Most systematicians take as their starting point the nature of God and scripture as the means by which God's nature is revealed but what would a systematic theology look like that began with an experiential knowledge of God Here Edmond Chua offers a method for just such an approach Beginning with realms of human experience including psychology cultural diversity and religious plurality he builds the framework of a systematic theology that is inclusive and pluriform while retaining the core tenets of a Christian doctrine of God Notwithstanding his novel methodology Chua's argument remains biblically rooted and appreciative of the Christian tradition In the latter half of the book he returns to the classical doctrines of the Trinity Christology evil sin and salvation allowing his inclusive view of the human religious experience to shed new light on the wisdom bequeathed by Paul Augustine Aquinas Luther Barth and others The result is a bold Christian vision that is culturally engaged and globally applicable of interest to systematic theologians while contributing to interreligious dialogue *The Bible, Natural Theology and Natural Law: Conflict Or Compromise?* Robert A. Morey,2010-05 Dr Robert Morey's study of natural law and natural theology raises important questions that every Bible believer will want answered His careful study and explanation of various Bible passages will yield a useful orientation to the classic arguments furnished us by the Reformers and their faithful heirs Dr Nelson Kloosterman The present volume presents a devastating critique of natural theology and natural law Its argument is solidly biblical and its accumulation of biblical data is overwhelming I hope that God prospers it so that many will read it and take heed Dr John Frame A W Tozer said the most important thing about any person is what comes into their mind when they think of the word God If you digest Dr Morey's book you will think of God as the glorious One depicted in Holy Scripture John G Reisinger I appreciate Dr Morey's emphasis on making the Bible alone the theoretical basis for science and the arts All throughout the book he consistently points to the Scriptures as the basis for sustaining everything else Dr Simon Kistemaker The Oracles of God. Nine Lectures on the Nature and Extent of Biblical Inspiration and on the Special Significance of the Old Testament Scriptures at the Present Time William Sanday,1891 **What Does God Know and when Does He Know It?** Millard J. Erickson,2003 A treatment of the doctrine of divine foreknowledge with special emphasis on the current controversy Winner of the Silver Medallion Book Award God the Father Almighty Millard J. Erickson,1998-03-01 In *God the Father Almighty* Erickson develops a sturdy exposition of the doctrine of God He interacts with criticism brought against the traditional view of God and offers a fresh analysis of the attributes of God in light of Scripture and the contemporary scene *God the Father Almighty* is a companion volume to Erickson's other theological monographs *God in Three Persons* and *The Word Became Flesh* **Middle Knowledge** John D. Laing,2019-03-21 Most Christians believe God is in control but they

are unsure of how to reconcile that control with their struggles with sin the command to evangelize and the immense suffering in the world and their own lives Laing offers an introduction to the doctrine of providence based on the theory of middle knowledge first articulated in the sixteenth century This view describes how creatures have true free will and God has perfect knowledge of what each creature could and would do in any circumstance Middle knowledge helps answer the most perplexing theological questions predestination and salvation the existence of evil divine and human authorship of Scripture and science and the Christian faith Laing provides extensive biblical support as well as practical applications for this theology
