The Nature of Nature William H. Shore,1994 Text and accompanying photographs provide an array of viewpoints on the natural world *Uncommon Ground: Rethinking the Human Place in Nature* William Cronon,1996-10-17 A controversial timely reassessment of the environmentalist agenda by outstanding historians scientists and critics In a lead essay that powerfully states the broad argument of the book William Cronon writes that the environmentalist goal of wilderness preservation is conceptually and politically wrongheaded Among the ironies and entanglements resulting from this goal are the sale of nature in our malls through the Nature Company and the disputes between working people and environmentalists over spotted owls and other objects of species preservation The problem is that we haven t learned to live responsibly in nature The environmentalist aim of legislating humans out of the wilderness is no solution People Cronon argues are inextricably tied to nature whether they live in cities or countryside Rather than attempt to exclude humans environmental advocates should help us learn to live in some sustainable relationship with nature It is our home Practical Ecocriticism Glen A. Love,2003 Table of contents Science and the Social Good John P. Kirk,2001 Finds in the history of Denver s Conservation Library a microcosm of the growth of the environmental movement as a whole *Reading Programs for Young Adults* Martha Seif Simpson,2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display
