Jewish Identity in Early Modern Germany Dean Phillip Bell, 2016-05-06 Although Jews in early modern Germany produced little in the way of formal historiography Jews nevertheless engaged the past for many reasons and in various and surprising ways They narrated the past in order to enforce order empower authority and record the traditions of their communities In this way Jews created community structure and projected that structure into the future But Jews also used the past as a means to contest the marginalization threatened by broader developments in the Christian society in which they lived As the Reformation threw into relief serious questions about authority and tradition and as Jews continued to suffer from anti Jewish mentality and politics narration of the past allowed Jews to reinscribe themselves in history and contemporary society Drawing on a wide range of sources including chronicles liturgical works books of customs memorybooks biblical commentaries rabbinic responsa and community ledgers this study offers a timely reassessment of Jewish community and identity during a frequently turbulent era It engages but then redirects important discussions by

White,2005 From the late seventeenth century into the eighteenth critics and authors in Germany defended the novel indeed it depicted vice and immorality but only with the intention of exhorting the reader to avoid such dangers to the soul This book examines outstanding novels of life from the Thirty Years War to the Vorm rz mostly written with this real or apparent moral aim and evaluates them as documents of social history The author finds that concepts of truth and plausibility are different in the early modern period Initial and closing chapters deal with French novels showing how approaches to society differ across national cultures **Survival in Simplicissimus and Mutter Courage** Cara M. Horwich,1997 Argues that Hans Grimmelshausen s 1625 76 Simplicissimus and Bertolt Brecht s 1898 1956 Mutter Courage und ihre Kinder share an overriding concern with human survival in a dangerous world Focuses on the depiction of various threats to survival how the characters deal with them and the price they pay for doing so Finds that both authors hold up the lower clergy as models for survival a surprise in light of the setting of religious conflict in both works and Brecht s communism Annotation copyright by Book News Inc Portland OR *Fiction in French - Fiction in Soviet* British Library,2013-02-07 No detailed description available for Fiction in French Fiction in Soviet
