*That's Revolting!* Pasha Malla, 2010-11 Ten years ago one might not have imagined the largest national gay rights lobbying group Human Rights Campaign endorsing a right wing Republican Senatorial candidate Al D Amato in New York or the San Francisco Pride parade adopting the Budweiser advertising slogan as its official theme 2002 As an assimilationist gay mainstream wields increasing power the focus of gay struggle has become limited to marriage military service and adoption The gay mainstream presents a sanitized straight friendly version of gay identity which makes it safe for Richard Chamberlain or Rosie O Donnell to come out and still rake in the bucks By the twisted priorities of this gay mainstream it is okay to oppose a queer youth shelter because it might interfere with property values or to fight against the inclusion of transgendered people under hate crimes legislation because this might not appeal to straight voters As the gay mainstream ironically prioritizes the attainment of straight privilege over all else it drains queer identity of any meaning relevance or cultural value and calls this progress That s Revolting shows us what the new queer resistance looks like The collection is a fistful of rocks to throw at the glass house of Gaylandia That s Revolting uses queer identity and struggle as a starting point from which to reframe reclaim and re shape the world
