Spaghetti Westerns Aliza S. Wong, 2018-12-15 Since the silent days of cinema Westerns have been one of the most popular genres not just in the United States but around the world International filmmakers have been so taken by westerns that many directors have produced versions of their own despite lacking access to the American West Nowhere has the Western been more embraced outside of the United States than Italy In the 1960s as Hollywood heroes like John Wayne and Randolph Scott were aging Italian filmmakers were revitalizing the western securing younger American actors for their productions and also making stars of homegrown talent Movies directed and produced by Italians have been branded spaghetti westerns a genre that boasts several hundred films In Spaghetti Westerns A Viewer's Guide Aliza S Wong identifies the most significant westerns all italiana produced as well as the individuals who significantly contributed to the genre The author profiles such American actors as Clint Eastwood Eli Wallach and Lee Van Cleef composers including Ennio Morricone and Carlo Rustichelli and of course directors like Sergio Corbucci and Sergio Leone The most memorable movies of the genre are also examined including *Compañeros* *Django* *A Fistful of Dollars* *The Good the Bad and the Ugly* and *They Call Me Trinity* In addition to citing pivotal films and filmmakers this volume also highlights other relevant aspects of the genre including popular shooting locations subgenres like the Zapata western and the films and filmmakers who were inspired by the spaghetti western including Quentin Tarantino Richard Rodriguez and Takashi Miike An introduction to a unique homage of American cinema Spaghetti Westerns A Viewer's Guide allows fans and scholars alike to learn more about a genre that continues to fascinate audiences

Navajo Talking Picture Randolph Lewis, 2012-07-01 *Navajo Talking Picture* released in 1985 is one of the earliest and most controversial works of Native cinema It is a documentary by Los Angeles filmmaker Arlene Bowman who travels to the Navajo reservation to record the traditional ways of her grandmother in order to understand her own cultural heritage For reasons that have often confused viewers the filmmaker persists despite her traditional grandmother's forceful objections to the apparent invasion of her privacy What emerges is a strange and thought provoking work that abruptly calls into question the issue of insider versus outsider and other assumptions that have obscured the complexities of Native art Randolph Lewis offers an insightful introduction and analysis of *Navajo Talking Picture* in which he shows that it is not simply the first Navajo produced film but also a path breaking work in the history of indigenous media in the United States Placing the film in a number of revealing contexts including the long history of Navajo people working in Hollywood the ethics of documentary filmmaking and the often problematic reception of Native art Lewis explores the tensions and mysteries hidden in this unsettling but fascinating film

Jacobo's Rainbow David Hirshberg, 2021-05-04 Winner National Indie Excellence Award 2021 Best Regional Fiction Southwest Finalist National Indie Excellence Award 2021 Literary Fiction Finalist National Indie Excellence Award 2021 Best Fiction Cover Design Winner Independent Press Award 2021 Literary Fiction *Jacobo's Rainbow* is an historical literary novel set primarily in the nineteen

sixties during the convulsive period of the student protest movements and the Vietnam War. It focuses on the issue of being an outsider, the other, an altogether common circumstance that resonates with readers in today's America. Written from a Jewish perspective, it speaks to universal truths that affect us all. On the occasion of the 15th anniversary of a transformative event in Jacobo's life, the day he is sent to jail, he writes about what happened behind the scenes of the Free Speech Movement, which provides the backdrop for a riveting story centered on his emergence into a world he never could have imagined. His recording of those earlier events is the proximate cause of his being arrested. Jacobo is allowed to leave jail under the condition of being drafted, engages in gruesome fighting in Vietnam, and returns to continue his work of chronicling America in the throes of significant societal changes. Jacobo's *Rainbow* is a story of triumph over adversity, hypocrisy, loss, lies, murder, concealment, prejudice, that is told with vivid descriptions, perceptive insights, humor, and sensitivity, which enables the reader to identify with the characters who come to life in a realistic fashion to illustrate who we are, how we behave, and what causes us to change. It can be read on three levels: 1. The story of what it was like to have lived through and been a participant in the Free Speech Movement and the Vietnam War. The Sixties. 2. A metaphor for what is going on college campuses today in terms of the shutting down of speech and the rise of anti-Semitism. 3. What life is like for the outsider.

Desert Dreams Mary Elizabeth Burgess, 2014-04-29. Willy falls in love with Native life first through an Elderhostel program teaching Navajos how to read and write. Reluctantly, she returns home to visit her three children: Dusty, Stephanie, and Mike. Her pastor informs her of the need for teachers with a different tribe. There, she meets Jim and Alice, pastor and nurse, supportive and jolly workhorses like herself. Her grandson Kelly arrives to paint several Indians' portraits, which eventually sell well enough for him to open his own gallery. When Navajo men and women leave to help fight forest fires, perhaps it is foreordained that some of them will sacrifice their lives. Though he doesn't die, Billy, son of Miriam Whitehawk, who has already lost Blossoming Dove to an epidemic, is helped through painful burn treatments by Tess, a young Teach for America black woman whom he soon marries. Willy consoles Jim when Alice is killed in a snowstorm driving tiny Little Moon to a hospital for delivery of her baby. Natives cheering them on, especially Navajo Joe Willy and Jim, marry. They answer a call from their synod to go to the Cherokees in North Carolina, then the Shoshones in Wyoming, where Red Thunder aims to call tribal Nations together to heal Mother Earth as he had previously done in Colorado at a convocation. Willy's expertise as a writer and public relations speaker helps Red Thunder and his wife Shelly of the Light call a convocation of many Nations at Ringing Rock in Pennsylvania. Reluctantly, Red Thunder agrees to hold the convocation on Independence Day in spite of the fact that we're not independent because that date will draw larger crowds. Staying with Willy and Jim, Red Thunder and Shelly are drawn to fireworks at the town's football field that evening. After many months of no rain, on the way home, a shower cools them. Thank you, Great Eagle, Jesus, Buddha, and Mary. Red Thunder exalts. Indeed.

Bollywood song and dance to Eastern Bloc film distribution As this volume illustrates the answers lie in the Spaghetti Western genre As the reference points of American popular culture became ever more prominent in post war Europe the hundreds of films that make up the Italian or Spaghetti Western documented profound shifts in their home country s cultural outlook while at the same time denying specifically national discourses An object of fascination and great affection for fans filmmakers and academics alike the Western allitaliana arose from a diverse confluence of cultural strands and would become a pivotal moment in cinematic history Reappraising a diverse selection of films from the internationally famed works of Sergio Leone to the cult cachet of Sergio Corbucci and the more obscure outputs of such directors as Giuseppe Colizzi and Ferdinando Baldi this comprehensive study brings together leading international scholars in a variety of disciplines to both revisit the genre s cultural significance and consider its on going influence on international film industries *Emergence* Roger Gilbert, *Moon over Squaw Creek* Dan Zahn, 2022-01-23 Dan l Coffey a former Rough Rider is unemployed and searching for adventure when he overhears some men in a tavern discussing a chilling tale of murder and mystery They said town was in need of a sheriff because the last one and the one before him had fallen prey to some legend involving a mysterious creature Understandably no one seemed interested in the job that is no one until Dan l Coffey rode into town
