Baader,1927 **Theorizing Imitation in the Visual Arts** Paul Duro,2016-01-19 The theory and practice of imitation has long been central to the construction of art and yet imitation is still frequently confused with copying Theorizing Imitation in the Visual Arts challenges this prejudice by revealing the ubiquity of the practice across cultures and geographical borders This fascinating collection of original essays has been compiled by a group of leading scholars Challenges the prejudice of imitation in art by bringing to bear a perspective that reveals the ubiquity of the practice of imitation across cultural and geographical borders Brings light to a broad range of areas some of which have been little researched in the past **Encyclopedia of Native American Artists** Deborah Everett,Elayne L. Zorn,2008-09-30 Indigenous North Americans have continuously made important contributions to the field of art in the U S and Canada yet have been severely under recognized and under represented Native artists work in diverse media some of which are considered art sculpture painting photography while others have been considered craft works on cloth basketry ceramics Some artists feel strongly about working from a position as a Native artist while others prefer to produce art not connected to a particular cultural tradition **Native American Life-history Narratives** Susan Berry Brill de Ramírez,2007 The author provides methods for the study of American Indian ethnographic texts and disputes some previous assumptions about the sources of the stories in Son of Old Man Hat **The Creative Trance** Tobi Zausner,2022-06-09 An investigation of how the creative trance works across multiple domains in the arts sciences sports and self transformation *Discovery* ,1929 **Cyber Way** Alan Dean Foster,2023-10-10 The New York Times bestselling author creates a fascinating amalgam of sf detective fiction and Native American lore Library Journal A wealthy industrialist and folk art collector is murdered in his home and left beneath where a painting had been hanging But theft is not the motive The artwork a Navajo sandpainting has been completed pulverized And no blood was found at the scene Assigned to the case is bulldog detective Vernon Moody sent to Arizona to investigate It s an unfamiliar environment for the born and bred southerner dry air altitude and a booming economy spurred by high tech manufacturing on the reservations Still ancient superstitions linger suggesting a motive for the crime There is magic in traditional sandpaintings a power that when paired with technology could unleash forces beyond human control Praise for Alan Dean Foster A master storyteller SF Site One of the most consistently and fertile writers of science fiction and fantasy The Times London **Indian-made** Erika Marie Bsumek,2008 In works of silver and wool the Navajos have established a unique brand of American craft And when their artisans were integrated into the American economy during the late nineteenth century they became part of a complex cultural and economic framework in which their

handmade crafts conveyed meanings beyond simple adornment Bsumek unravels the layers of meaning that surround the branding of Indian made When Navajo artisans produced their goods collaborating traders tourist industry personnel and even ethnologists created a vision of Navajo culture that had little to do with Navajos themselves And as Anglos consumed Navajo crafts they also consumed the romantic notion of Navajos as primitives perpetuated by the marketplace These processes of production and consumption reinforced each other creating a symbiotic relationship and influencing both mutual Anglo Navajo perceptions and the ways in which Navajos participated in the modern marketplace Ultimately Bsumek shows that the sale of Indian made goods cannot be explained solely through supply and demand It must also reckon with the multiple images and narratives that grew up around the goods themselves integrating consumer culture tourism and history to open new perspectives on our understanding of American Indian material culture BOOK JACKET
