Navajo Placenames and Trails of the Canyon de Chelly System, Arizona Stephen C. Jett, 2001 Placenames also function as mnemonic devices that may facilitate communication travel resource finding and mythological memory and as such are highly charged linguistic symbols Navajo Place Names, 1995 **Viewing the Ancestors** Robert S. McPherson, 2014-03-17 The Anaas z people left behind marvelous structures the ruins of which are preserved at Mesa Verde Chaco Canyon and Canyon de Chelly But what do we know about these people and how do they relate to Native nations living in the Southwest today Archaeologists have long studied the American Southwest but as historian Robert McPherson shows in *Viewing the Ancestors* their findings may not tell the whole story McPherson maintains that combining archaeology with knowledge derived from the oral traditions of the Navajo Ute Paiute and Hopi peoples yields a more complete history McPherson's approach to oral tradition reveals evidence that contrary to the archaeological consensus that these groups did not coexist the Navajos interacted with their Anaas z neighbors In addition to examining archaeological literature McPherson has studied traditional teachings and interviewed Native people to obtain accounts of their history and of the relations between the Anaas z and Athapaskan ancestors of today's Hopi Pueblo and Navajo peoples Oral history McPherson points out tells why things happened For example archaeological findings indicate that the Hopi are descended from the Anaas z but Hopi oral tradition better explains why the ancient Pueblos may have left the Four Corners region the drought that may have driven the Anaas z away was a symptom of what had gone wrong within the society a point that few archaeologists could derive from what is found in the ground An important text for non Native scholars as well as Native people committed to retaining traditional knowledge *Viewing the Ancestors* exemplifies collaboration between the sciences and oral traditions rather than a contest between the two *A Diné History of Navajoland* Klara Kelley, Harris Francis, 2019-10-22 For the first time a sweeping history of the Din that is foregrounded in oral tradition Authors Klara Kelley and Harris Francis share Din history from pre Columbian time to the present using ethnographic interviews in which Navajo people reveal their oral histories on key events such as Athapaskan migrations trading and trails Din clans the Long Walk of 1864 and the struggle to keep their culture alive under colonizers who brought the railroad coal mining trading posts and finally climate change The early chapters based on ceremonial origin stories tell about Din forebears Next come the histories of Din clans from late pre Columbian to early post Columbian times and the coming together of the Din as a sovereign people Later chapters are based on histories of families individuals and communities and tell how the Din have struggled to keep their bond with the land under settler encroachment relocation loss of land based self sufficiency through the trading post system energy resource extraction and climate change Archaeological and documentary information supplements the oral histories providing a comprehensive investigation of Navajo history and offering new insights into their twentieth century relationships with Hispanic and Anglo settlers For Din readers the book offers empowering histories and stories of Din cultural sovereignty In

short the authors say it may help you to know how you came to be where and who you are **Diné** Peter Iverson,2002-08-28 This comprehensive narrative traces the history of the Navajos from their origins to the beginning of the twenty first century Based on extensive archival research traditional accounts interviews historic and contemporary photographs and firsthand observation it provides a detailed up to date portrait of the Din past and present that will be essential for scholars students and interested general readers both Navajo and non Navajo As Iverson points out Navajo identity is rooted in the land bordered by the four sacred mountains At the same time the Navajos have always incorporated new elements new peoples and new ways of doing things The author explains how the Din remember past promises recall past sacrifices and continue to build upon past achievements to construct and sustain North America s largest native community Provided is a concise and provocative analysis of Navajo origins and their relations with the Spanish with other Indian communities and with the first Anglo Americans in the Southwest Following an insightful account of the traumatic Long Walk era and of key developments following the return from exile at Fort Sumner the author considers the major themes and events of the twentieth century including political leadership livestock reduction the Code Talkers schools health care government economic development the arts and athletics Monty Roessel Navajo an outstanding photographer is Executive Director of the Rough Rock Community School He has written and provided photographs for award winning books for young people **Landscape in Language** David M. Mark,Andrew G. Turk,Niclas Burenhult,David Stea,2011-06-09 Landscape is fundamental to human experience Yet until recently the study of landscape has been fragmented among the disciplines This volume focuses on how landscape is represented in language and thought and what this reveals about the relationships of people to place and to land Scientists of various disciplines such as anthropologists geographers information scientists linguists and philosophers address several questions including Are there cross cultural and cross linguistic variations in the delimitation classification and naming of geographic features Can alternative world views and conceptualizations of landscape be used to produce culturally appropriate Geographic Information Systems GIS Topics included ontology of landscape landscape terms and concepts toponyms spiritual aspects of land and landscape terms research methods ethical dimensions of the research and its potential value to indigenous communities involved in this type of research **The Changing Geography of National Parks and Protected Areas** Joe Weber,Selima Sultana,2024-12-26 This book contains recent geographic work examining the changing geography of protected areas in the U S and Europe These places can be national parks forests or other places that are being protected for their significant aesthetic historical or environmental values by governments and communities These places can be studied with reference to their physical environments the management of their plant and animal life which places are to be protected who visits these places and who does not and why not and how we think of these places This work includes examinations of many parks and issues that affect them such as land degradation the social and political geography involved in creating new national park units visitation by underserved segments of the population and the
