Navarre Bible Chronicles To Maccabees Hardcover:

Chronicles-Maccabees ,2003 This volume of the Navarre Bible commentaries unlocks the mysteries of a wide ranging sequence of Old Testament books the historical books of Chronicles Ezra Nehemiah and Maccabees and the little known but pivotally important books of Tobit Judith and Esther In these books you ll find the rich and instructive stories of Kings David and Solomon the Babylonian exile and its aftermath the heroism of the Maccabees who gave their lives to preserve their faith in God and the deep faith and awareness of divine blessing that invests the books of Tobit Judith and Esther The Navarre Bible: Chronicles- Maccabees : The books of 1 and 2 Chronicles, Ezra, Nehemiah, Tobit, Judith, Esther and 1 and 2 Maccabees in the Revised standard version and new vulgate with a commentary by members of the faculty of theology of the University of Navarre ,1999 Historical Books ,2003 Books of the Old Testament translated from the Navarre Spanish Bible 1 these notes which are rarely very technical are designed to elucidate the spiritual and theological message of the Bible This first edition of the Old Testament series was Navarre Bible Pentateuch standard edition 1999 which also carries the Western Church s official Latin version of the Bible the editio tipica altera of the New Vulgate 1986 **Books Ireland** ,2003 **The Five Books of Maccabees in English** Henry Cotton,2017-10-24 The Five Books of Maccabees in English is a comprehensive collection of the Maccabean texts which chronicle the heroic struggle of the Jewish people against oppression and their fight for religious freedom This volume brings together all five books offering a complete account of the Maccabean Revolt and its aftermath Henry Cotton s translation provides readers with an accessible and engaging introduction to these significant historical and religious texts **The Five Books of Maccabees in English** Henry Cotton,2024-04-10 2024 Hardcover Reprint of the 1832 Edition Full facsimile of the original edition and not reproduced with Optical Recognition Software The Books of the Maccabees of which there are five deal in large part with ancient Jewish history though none are in the Hebrew Bible All however appear in some manuscripts of the Septuagint The first two books are part of canonical scripture in the Septuagint and the Vulgate hence are canonical to Roman Catholicism and Eastern Orthodoxy and are included in the Protestant Apocrypha I Maccabees presents a historical account of political military and diplomatic events from the time of Judaea s relationship with Antiochus IV Epiphanes of Syria reigned 175 164 163 bce to the death 135 134 bce of Simon Maccabeus high priest in Jerusalem II Maccabees focuses on the Jews revolt against Antiochus and concludes with the defeat of the Syrian general Nicanor in 161 bce by Judas Maccabeus the hero of the work In general its chronology coheres with that of I Maccabees III Maccabees has no relation to the other three books of Maccabees all of which deal with the revolt of Judaea against Antiochus IV Epiphanes It purports to be a historical account of the repression and miraculous salvation of Egyptian Jewry during the reign 221 205 bce of Ptolemy IV Philopator IV Maccabees has scanty historical information and belongs to the Maccabees series only because it deals with the beginning of the persecution of Jews by Antiochus IV Epiphanes It possibly was written during the reign of the Roman emperor Caligula 37 41 ce Throughout the

early Christian period IV Maccabees was wrongly attributed to Josephus V Maccabees chronicles the events from Heliodorus attempt to rob the Temple treasury in 186 BC to the death of Herod the Great's two sons about 6 BC Similar to other Books of the Maccabees this work aims at consoling Jews in their sufferings and encouraging them to be steadfast in their devotion to the Mosaic law

The Five Books of Maccabees in English Hardcover Henry Cotton, 2022-09-30 There are two books of Maccabees in the Catholic Bible and none in the Protestant Bible There were and still are speculations and arguments about why these books existed in one version of the Bible and not in the other but none of them went to the core of the matter until Henry Cotton As shown in this book there are not two but five books of Maccabees Five books so rich in the history politics and religion of the Jewish people that leaving them out of any version of the Bible equals the drastic erasing of the history of an entire nation of people Henry Cotton corrects this error by researching and collecting the writings of ancient Jewish authors The work of these authors tells of the persecution of the Jews under the Seleucid dynasty details the true beginning of Hannukah and provides authentic information for the period known as the 400 Years of Silence Proving to be much more than religious text Cottons unveils the fascinating history of the Jewish people one neglected in the Protestant Bible and barely explored in the catholic one Presenting it in a manner that lets you explore history in the most engaging way

1 Maccabees Daniel R. Schwartz, 2022-04-26 A new translation and commentary on I Maccabees that offers a fresh interpretation of the author's values and purpose First Maccabees composed in the second century BCE chronicles four decades of clashes between Hellenistic Syria and Judea from Antiochus Epiphanes's ascent to the throne in 175 BCE to the Hasmoneans establishment of an independent Judean state ruled by Simon and his sons In this volume Daniel R Schwartz provides a new translation of the Greek text and analyzes its historical significance In dialogue with contemporary scholarship the introduction surveys the work's themes sources and transmission while the commentary addresses textual details and issues of historical reconstruction often devoting special attention to the lost Hebrew original and its associations Schwartz demonstrates that 1 Maccabees despite its Hebraic biblical style and its survival within the Christian canon deviates from biblical and Judaic works by marginalizing God evincing scorn for martyrs and ascribing to human power and valor crucial historical roles This all fits its mandate justification of the Hasmonean dynasty especially the Simonides

The Fourth Book of Maccabees and Kindred Documents in Syriac Robert Lubbock Bensly, 1895

First and Second Maccabees Daniel J. Harrington, 2012 Comprehensive and understandable these books bring the relevance of the Old Testament to Bible study participants teachers students preachers and all readers of the Bible The series is filled with recent scholarship provides vital background and addresses important questions such as authorship and cultural context Often neglected the books of First and Second Maccabees are important for Christians as in them is told how the Jewish people established the political and religious culture into which Jesus was born The martyr stories inform the early Christian martyrdoms and the books are written in Greek the language in which the Jews of Jesus time read the scriptures More

importantly as Father Harrington notes without the Maccabees the fate of Judaism and with it Christianity and Islam was uncertain
