Nba Book of Opposites James Preller, 2000-01 Photographs of National Basketball Association players show young basketball fans about big and little throw and catch high and low and other pairs of opposites **The NBA Book of Opposites** James Preller, 2000 Photographs of National Basketball Association players show young basketball fans about big and little throw and catch high and low and other pairs of opposites Opposite Day Brooklyn E. Lindsey, 2011-02-22 If you've ever had trouble getting your students to open up about things they are feeling or thinking try doing the opposite of what you typically do In Opposite Day you'll find more than 600 prompts that will get your students talking about things that matter to them without really saying it Each prompt will trigger a thought or emotion for your students and you'll encourage them to share the opposite of what came to mind first Confused Give it a try Imagine you're a student and in a sentence or two tell the opposite of how you feel about Geometry Instant Messaging Allowance Dodgeball Responsibility Parents Maybe your first thought about geometry was that you failed it and never could understand what a parallelogram was You may say I excel at geometry and find the parallelogram to be one of the most fascinating yet simple concepts in my class Use for a discussion starter or an ice breaker and watch as your students find themselves talking and laughing about everything from friends to family to faith Incorporate Opposite Day into your ministry and get your students talking about things that really matter by talking about what doesn't *The NBA's Global Empire* Joshua K. Wright, 2025-02-21 During the 1992 Summer Olympics in Barcelona the Dream Team a collective of the National Basketball Association's top talent led by Michael Jordan Magic Johnson Larry Bird and Charles Barkley shook up the world as they amazed spectators and opponents on their way to winning gold Their success introduced the world to the NBA's charismatic superstars and their artistic brand of basketball Over the next two decades youth outside of America dreamed of becoming the next Michael Jordan Kobe Bryant and LeBron James The NBA took advantage of its popularity in China by forming lucrative television and streaming deals and opening training academies By the 2022-23 NBA season there were 109 international players from 39 countries a Canadian franchise and a league in Africa Today's best players are Africans Canadians and Europeans like Nikola Jokic and Victor Wembanyama This book presents the history of the NBA's ascension to a billion dollar global empire analyzing the globalization of American sports since the end of the Cold War and the dawn of the millennium How essential is globalization for the NBA to thrive in the 21st century Do the benefits outweigh the geopolitical controversies associated with being a global brand Is globalization responsible for a decline in American born NBA players and declining domestic popularity These questions and others are answered in this first treatment of the NBA's global reach Routledge Handbook of Global Sport John Nauright, Sarah Zipp, 2020-01-03 The story of global sport is the story of expansion from local development to globalized industry from recreational to marketized activity Alongside that each sport has its own distinctive history sub cultures practices and structures This ambitious new volume offers state of the art overviews of the development of every major sport

or classification of sport examining their history socio cultural significance political economy and international reach and suggesting directions for future research Expert authors from around the world provide varied perspectives on the globalization of sport highlighting diverse and often underrepresented voices By putting sport itself in the foreground this book represents the perfect companion to any social scientific course in sport studies and the perfect jumping off point for further study or research The Routledge Handbook of Global Sport is an essential reference for students and scholars of sport history sport and society the sociology of sport sport development sport and globalization sports geography international sports organizations sports cultures the governance of sport sport studies sport coaching or sport management
