Dead Opposite George Douglas,2014-01-14 In the early morning of February 17 1991 a nineteen year old Yale student on his way home from a party was shot through the heart on a New Haven street by a single bullet from a 22 caliber handgun His wallet with forty six dollars inside was left intact beside him As murders go it was senseless motiveless and as random as a blindly flung stone The boy was white privileged and widely loved a scholar and athlete with a future that seemed assured The boy accused in his killing a sixteen year old gang member from the inner city was an angry desperate youth whose life careened almost daily as ghetto lives often do between the never distant prospects of jail and death *Dead Opposite* is the story of these two boys and of the boys and men fathers and mothers sisters and brothers and friends who peopled their lives Geoffrey Douglas tells the story of hope and hopelessness ignorance and rage of waste and courage and loss But above all it is the story of the chasm that divides us one from the other black from white rich from poor the suburbs of Chevy Chase Maryland from the squalor and despair of New Haven s meanest streets You will see and hear

both stories And by the end you not only will have touched the differences of race wealth education and hope but will have seen and heard also the commonness that links us all the love of a parent the dreams of a child that joins us one to the other as the humans we finally sometimes sadly are
