New Directions For Library Service To Young Adults:

New Directions for Library Service to Young Adults Patrick Jones, Young Adult Library Services Association, 2002-05-22 Explains how libraries and communities can work together to strike a true partnership with the young adults in their community to develop services for teens that are both collaborative and outcome driven

Transforming Young Adult Services Anthony Bernier, 2019-05-20 Now showcasing an even more rigorous debate about the theory and practice of YA librarianship than its first edition this provocative presentation of diverse viewpoints by leaders in the field Catholic Library World has been updated and expanded to incorporate recent advances in critical youth studies

Young Adults Deserve the Best Sarah Flowers, Young Adult Library Services Association, 2011 As high school enrollment continues to rise the need for effective librarianship serving young adults is greater than ever before *Young Adults Deserve the Best* Competencies for Librarians Serving Youth developed by Young Adult Library Services Association YALSA is a document outlining areas of focus for providing quality library service in collaboration with teenagers In this book Sarah Flowers identifies and expands on these competency areas This useful work includes Anecdotes and success stories from the field Guidelines which can be used to create evaluation instruments determine staffing needs and develop job descriptions Additional professional resources following each chapter that will help librarians turn theory into practice The first book to thoroughly expand on this important document *Young Adults Deserve the Best* is a key foundational tool not only for librarians but also for young adult specialists youth advocacy professionals and school administrators

Teens and Libraries Virginia A. Walter, Elaine Meyers, 2003-07-21 Getting it right means understanding our roles as adults and professionals Getting it right requires a genuine commitment to youth participation Getting it right is about shifting our perspective from the library to the community in which it is located Getting it right makes it imperative that we give teens a place of their own in our libraries From the Preface Libraries have opportunities to make a positive difference in the lives of teenage customers and become a primary support for teens in the communities they serve Truly excellent library services for young adults YA need the collaborative efforts of both teens and librarians To build this partnership the authors share an inspiring narrative of YA history and also offer a plethora of new voices and stories that advocate the power of technology and teen spaces These story lines are then melded to highlight practical tools to involve teens at the library and make a bright future possible As the authors explore what has been done well and what hasn't in the world of young adult librarianship they identify key issues from the plethora of new voices How librarians can work with not for young adult customers Why the power of place means actual square footage designed for teens Ways to incorporate technology to achieve developmental outcomes Listening to teen voices to better serve their needs How evaluation and being accountable will close the loop on effective advocacy The authors guide both librarians and administrators to make promises for the future and present a strategy for keeping those promises so that young adult audiences can become active library and community participants From building partnerships to

implementing successful programs to incorporating technology that helps teens assume leadership and responsibility this is an inspiring yet practical take on what it means to get it right for teens in the library *Serving Homeschooled Teens and Their Parents* Maureen T. Lerch, Janet Welch, 2004-05-30 Today more than a million students are being educated at home and that figure increases at a rate of 7 14% annually Homeschooling is a growing trend in our society and public librarians are being called upon with increasing frequency to serve the needs of homeschooled students So just what are the needs of the homeschooled teen and how can you and your library meet those needs A former young adult librarian and a homeschool parent have joined forces to create this insightful guide and answer that question After reviewing the developmental and social needs of teens the authors demonstrate how those needs may be met in the public library setting You ll find a wealth of ideas for adapting every facet of your library service for this growing population from developing a homeschool collection to expanding services and creating special programs You ll also find suggestions on how to market what your library has to offer to homeschoolers You may even discover some new ways to employ the talents and time of these students and their families Extensive resource lists conclude the volume they will help you better serve home educated teens and their parents

Urban Teens in the Library Denise E. Agosto, Ph.D.,Sandra Hughes-Hassell, Ph.D.,2010-01-26 This groundbreaking book is relevant to all librarians working with urban

teens and looking for ways to reach out to them *The Fair Garden and the Swarm of Beasts, Centennial Edition* Margaret A. Edwards, 2002-11-08 Edwards's philosophies and practices as illustrated in *The Fair Garden and the Swarm of Beasts* have influenced and inspired generations of librarians since its original publication in 1969 and continue to be a foundation for today's new young adult librarians *Serving Young Teens and 'Tweens* Sheila B. Anderson, 2006-11-30 Notable teen experts and stellar practitioners from across the country explain why library service to adolescents in this age range is so important and how you can enhance your collection and services to accommodate and win over this important group Topics range from understanding adolescent informational needs and building and promoting a winning collection to creating programs with tween appeal Contributors include Sheila B. Anderson James Rosinia Deb Taylor Robyn Lupa and Kristine Mahood Brimming with valuable insights and fresh ideas as well as nuts and bolts directions this is a must read for all librarians who work with young adolescents If someone is described as a young adult what image comes to mind In fact a young adult can be a twelve year old middle schooler or a high school graduate Libraries have traditionally offered a variety programs and services for YAs and although more emphasis has been given to serving teens in recent years little has been done to distinguish between groups within the category and meet the specific developmental needs of this broad range of library users This collection complements Anderson's previous collection *Serving Older Teens* by focusing on the needs of tweens and young teens ages 11-14 This is the age range when many young people stop using the library and lose interest in reading Notable teen experts and stellar practitioners from across the country explain why service to adolescents in this age range is so important and how you can enhance your collection and services to accommodate and win over this important group Topics range from understanding adolescent informational needs and building and promoting a winning collection to creating programs with tween appeal Contributors include Sheila Anderson James Rosinia Deb Taylor Robyn Lupa Brenda Hager and Kristine Mahood Brimming with valuable insights and fresh ideas as well as nuts and bolts directions this is a must read for all librarians who work with young adolescents **Perspectives, Insights, & Priorities** Norman Horrocks, 2005-06-09 This extraordinary book defines and describes librarianship and library science through insightful and thoughtful essays contributed by 17 recognized leaders of the profession While each essay presents a distinct perspective and approach collectively they paint a picture of a humane and human profession central to and concerned with the cultural social political and intellectual underpinnings of civilization Often challenging and provocative often moving always engaging the essays reflect a diverse and complex profession and the values beliefs practices and philosophies that make it unique and vital The essays take a variety of approaches historical analysis personal recollection career review political or social commentary intellectual or philosophical musings and short and long term forecasting Even when the essays address issues of a practical nature they raise issues of concern in a broader context The role of libraries in a democratic society is examined through the historical perspective of the Boston Mandate of 1852 the most recent US presidential election and the

current strain of censorship and intellectual freedom battles What is the proper role of libraries as social organizations advocating societal reform and working toward the common weal What is the role of government and politics in the profession What is the responsibility and role of the library in determining or advocating public policy If as one essay elegantly and persuasively argues our professional concern should center not on information or fact but on truth can we avoid political action and political repercussion These are weighty issues addressed not only with passion but also with a freedom and honesty seldom encountered This is a powerful and important book that should be read by every librarian every library student every public official indeed every citizen concerned with his or her community Intellectual Freedom for Teens Kristin Fletcher-Spear, Kelly Tyler, 2014-09-01 It s important for YA librarians to understand the types of challenges occurring in libraries around the nation and to be ready to deal with such challenges when they occur *The Reference Interview Today* Susan Knoer, 2011-06-02 Learn and perfect the skills needed to conduct satisfying reference interviews in the modern technological environment with this easy to use guide In today s technology driven world reference librarians must serve users who come into the building as well as remote users who ask via various digital means With virtual reference and social networking tools now commonplace reference questions have become more complex and interdisciplinary The Reference Interview Today will help reference librarians decide which tools and strategies will best serve their diverse group of patrons in person and in cyberspace This text covers the skills needed for traditional face to face reference and how they can be applied in 2 0 media Best practices for culturally diverse disabled and difficult patrons strategies for public and academic libraries and virtual technologies like Twitter and Second Life are described Written by a practicing reference librarian this invaluable book makes it easy to train paraprofessionals and serves as a guide for experienced librarians to hone their skills in new delivery methods Technically Involved Linda W. Braun, 2003-08-11 Instead of creating programs for teens author and YA technology advocate Linda Braun advocates working with teens to create library technology related projects for them and others Technically Involved outlines some proven ideas to invite participation and channel teen interest in technology giving teens an opportunity to serve their community Explaining how and why to integrate technology into youth participation projects Braun illustrates how libraries can open up possibilities for teens to initiate and develop activities on their own Specific program suggestions and appendixes provide details to involve teens at every step of the process and identify activities that meet teens developmental needs Filled with success stories examples and a wealth of potential teen library technology programs Technically Involved gives librarians a proactive tool for harnessing teen energy with technology for the library BOOK JACKET *Inspiring Literacy* Sam Leaton Sebesta, Kenneth L. Donelson, 1993-01-01 Journal of Youth Services in Libraries ,2001

Embracing the Tune of Term: An Mental Symphony within **New Directions For Library Service To Young Adults**
