Patriarchal Precedents Rosalind Coward, 2022-11-30 First published in 1983 Patriarchal Precedents is an excavation of the term patriarchy Rosalind Coward shows how the debates about patriarchy and matriarchy were crucial to social theories in the nineteenth century discussing how the resolution of these debates resulted in our present ways of misunderstanding the family sexual relations and sexual characteristics Rosalind Coward argues that the violent debates around patriarchy tell a salutary tale about how the term presupposed as much as it set out to explain She demonstrates how it was used in Marxism and psychoanalysis in ways which blocked any radical thinking about sexual relations and how the arguments against the term patriarchy within anthropology still have to be taken seriously She argues that in order to advance our understanding of how power is exercised in sexual relations of the place which sexual relations have within society and the construction of sexual characteristics a series of presuppositions about sexual relations must now be cleared away This book will be of interest to students of gender studies women's studies sexuality men's studies sociology and anthropology *The Cultural Construction of Sexuality* Pat Caplan, 2013-11-05 First Published in 1987 Illustrates the argument that sexuality is not a thing in itself but a concept that can only be understood with reference to economic political and social factors **The Cultural Construction of Sexuality** Patricia Caplan, 1987 First Published in 1987 Routledge is an imprint of Taylor Francis an informal company **The SAGE Handbook of Sociology** Craig Calhoun, Chris Rojek, Bryan S Turner, 2005 Providing an authoritative guide to theory and method the key sub disciplines and the primary debates in contemporary sociology this work brings together the leading authors to reflect on the condition of the discipline *Black Peril, White Virtue* Jock McCulloch, 2000 Over the next decades more than twenty men were executed though many were innocent of any serious crime As Jock McCulloch shows the panics were complex events which encompassed such issues as miscegenation prostitution the management of venereal disease the politics of concubinage and the construction of whiteness BOOK JACKET **The Pursuit of Pleasure** Jane Rendell, 2002 The Pursuit of Pleasure presents the figures of the rambler and the cyprian the Eighteenth Century precursors to the Parisian flaneur and prostitute The urban spaces traced by these figures were the clubs sporting venues operas assembly rooms streets and arcades of central London Drawing on critical theory geography and philosophy The Pursuit of Pleasure extends and critiques the discipline of architectural history from a feminist perspective The gendering of public space is considered to be a complex and shifting series of moves and looks between men and women constructed and represented through spatial and social relations of consumption display and exchange Book cover *Routledge Revivals: Homosexuality: A Research Guide (1987)* Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less

Psychoanalysis and the Postmodern Impulse Barnaby B. Barratt, 2015-11-06 According to the author psychoanalytic theory and practice which discloses the interminable falsity of the human subject's belief in the mastery of its own mental life is in part responsible for the coming of the postmodern era In this title originally published in 1993 Barratt examines the role of psychoanalysis in what he sees as the crisis of modernism shows why the modernist position what he calls the modern episteme is failing and proposes that psychoanalysis should redefine itself as a postmodern method In Barratt's innovative account of psychoanalysis which focuses on the significance of the free associative process Freud's discovery of the repressed unconscious leads to a claim that is basic to postmodern ideas that all thinking and speaking the production and reproduction of psychic reality is inherently dynamic polysemous and contradictory He argues that subsequent attempts to normalize and systematize psychoanalysis are reactionary and antipsychoanalytic efforts to salvage the modern episteme that psychoanalysis itself calls into question *Feminist Writings from Ancient Times to the Modern World* Tiffany K. Wayne, 2011-10-17 Collecting more than 200 sources in the global history of feminism this anthology supplies an insightful record of the resistance to patriarchy throughout human history and around the world From writings by Enheduana in ancient Mesopotamia 2350 BCE to the present day manifesto of the Association of Women for Action and Research in Singapore *Feminist Writings from Ancient Times to the Modern World A Global Sourcebook and History* excerpts more than 200 feminist primary source documents from Africa to the Americas to Australia Serving to depict feminism as much broader and older than simply the modern struggle for political rights and equality this two volume work provides a more comprehensive and varied record of women's resistance cross culturally and throughout history The author's goal is to showcase a wide range of writers thinkers and organizations in order to document how resistance to patriarchy has been at the center of social political and intellectual history since the infancy of human civilization This work addresses feminist ideas expressed privately through poetry letters and autobiographies as well as the public and political aspects of women's rights movements **Cruelty and Companionship** A. James Hammerton, 2002-09-11 *Cruelty and Companionship* is an account of the intimate but darker sides of marriage in Victorian and Edwardian England Hammerton draws upon previously unpublished material from the records of the divorce court and magistrates courts to challenge many popular views about changing family patterns His findings open a rare window onto the sexual politics of everyday life and the routine tensions

which conditioned marriage in middle and working class families Using contemporary evidence ranging from prescriptive texts and public debate to autobiography and fiction Hammerton examines the intense public scrutiny which accompanied the routine exposure of marital breakdown and charts a growing critique of men's behaviour in marriage which increasingly demanded regulation and reform The critical discourse which resulted ranging from paternalist to feminist casts new light on the origins and trajectory of nineteenth century feminism legal change and our understanding of the changing expression of masculinity
