pieces here also expose the genre s weak points a proclivity for overstatement and excessive length the failure of biographers to build upon their predecessors work Rollyson invents a term biographology in order to discuss the biographical tradition

Nelson's Navy in Fiction and Film Sue Parrill, 2009-12-21 This book provides summaries and analyses of more than sea 250 novels and nearly 30 films and examines the extent to which they accurately reflect the history mores and manners of the period and the extent to which they reveal the ideas and attitudes of their authors and of the periods in which they were written Particular emphasis is placed on the nature and importance of the war at sea for the British and on the role of famous naval officers such as Nelson Pellew Duncan Smith and Cochrane in the defeat of Napoleon All Hands on Deck Will Sofrin, 2023-04-18 A maritime adventure memoir that follows a crew of misfits hired by Hollywood to sail an 18th century warship 5 000 miles for the making of a beloved blockbuster film An unbelievable ride Will Sofrin has lived the real experiences and survived to tell the tale Dan Shotz Emmy Award winning producer of Black Sails In the late 1990s Patrick O Brian's multimillion copy selling historical novel series the Aubrey Maturin series which was set during the Napoleonic Wars seemed destined for film With Russell Crowe as Jack Aubrey and Paul Bettany as Stephen Maturin the production only needed a ship that could stand in for Lucky Jack's HMS Surprise with historical accuracy paramount The filmmakers found the Rose a replica of an 18th century ship that would work perfectly Only there was one problem the Rose was in Newport Rhode Island not in Southern California where they would be filming Enter a ragtag crew of thirty oddballs who stepped up for the task including Will Sofrin at the time a 21 year old wooden boat builder and yacht racer who joined as the ship s carpenter All Hands on Deck is Sofrin's memoir of the epic adventure delivering the Rose to Hollywood It's a story of reinvention of hard work on the high seas of love and of survival The Rose was an example of the most cutting edge technology of her era but in the 21st century barely anyone had experience sailing it The crew effectively went back in time brought to life the old ways of a forgotten world and barely lived to tell the tale Just a few days in a terrifying hurricane strength storm nearly sank the Rose and later a rogue wave caused a nearly fatal dismasting And the ups and downs weren t limited to the waves with the crew split into factions making peace between warring camps became necessary too as did avoiding pirates and braving the temptations of shore leave All Hands on Deck is a gripping story of an unforgettable journey and a must read for fans who adore O Brian s novels and the dramatic film adaptation of the Academy Award nominated Gettin' There Steve Farrar, 2011-05-04 In Gettin There bestselling author Steve Farrar delves Master and Commander into the book of Psalms to give men a new sense of continuity direction purpose and perspective The Psalms are like a marked trail through life showing that others have walked ahead and faced many of the challenges temptations heartaches and perplexities that men will encounter on their journeys Farrar shows that when a man begins to understand that the strong and caring hand of God is sovereign over everything in his life including his trials and heartaches his confidence hope and joy will increase dramatically in the God who created him and desires to use him **Entranced by Story** Hugh Crago, 2014-04-24 We live in a world of stories yet few of us pause to ask what stories actually are why we consume them so avidly and what they do for story makers and their audiences This book focuses on the experiences that good stories
