Mapping Generations of Traumatic Memory in American Narratives Dana Mihăilescu,Roxana Oltean,Mihaela Precup,2014-06-12 This volume collects work by several European North American and Australian academics who are interested in examining the performance and transmission of post traumatic memory in the contemporary United States The contributors depart from the interpretation of trauma as a unique exceptional event that shatters all systems of representation as seen in the writing of early trauma theorists like Cathy Caruth Shoshana Felman and Dominick LaCapra Rather the chapters in this collection are in conversation with more recent readings of trauma such as Michael Rothberg s multidirectional memory 2009 the role of mediation and remediation in the dynamics of cultural memory Astrid Erll 2012 Aleida Assman 2011 and Stef Craps focus on postcolonial witnessing and its cross cultural dimension 2013 The corpus of post traumatic narratives under discussion includes fiction diaries memoirs films visual narratives and oral testimonies A complicated dialogue between various and sometimes conflicting narratives is thus generated and examined along four main lines in this volume trauma in the context of multidirectional memory the representation of trauma in autobiographical texts the dynamic of public forms of national commemoration and the problematic instantiation of 9 11 as a traumatic landmark

From Sites of Memory to Cybersights Ingrid Gessner, 2007 This interdisciplinary study explores the legacies of Japanese American World War II internment experiences and the factors influencing the construction and mediation of cultural memory and national ethnic identity in the United States It discusses issues of contested memory and shows how once repressed historic events are selectively commemorated or even erased By focusing on representations of Japanese American internment experiences recovered reframed or created since the 1980s the study acknowledges that these experiences continue to be reevaluated in a climate of ethnic politicization Covering sites of memory ranging from historic places of Japanese American internment to memorials built both at centers of Japanese American cultural life as well as at centers of national cultural identity the study also critically approaches sites or rather sights in cyberspace that may be visited only

Japanese American Memorial to Patriotism During World War II. United States. National Park Service, 200?

Joint Resolution Authorizing the Go for Broke National Veterans Association Foundation to Establish a Memorial in the District of Columbia Or Its Environs to Honor Japanese American Patriotism in World War II. United States, 1992 **Free to Die for Their Country** Eric L. Muller, 2001-10 After being forced into detainment camps for two years after Pearl Harbor a number of Japanese American men were drafted by the same military that had been guarding them as subversives This is the first book to tell the powerful story of those men who rejected the government's demands 16 halftones **Uprooted** Albert Marrin, 2016-10-25 A Publishers Weekly Best Book of the Year A Booklist Editor's Choice On the 75th anniversary of the bombing of Pearl Harbor comes a harrowing and enlightening look at the internment of Japanese Americans during World War II from National Book Award finalist Albert Marrin Just seventy five years ago the American government did something that most would consider unthinkable today it rounded up over 100 000 of its own citizens based on nothing more than their ancestry and suspicious of their loyalty kept them in concentration camps for the better part of four years How could this have happened Uprooted takes a close look at the history of racism in America and carefully follows the treacherous path that led one of our nation's most beloved presidents to make this decision Meanwhile it also illuminates the history of Japan and its own struggles with racism and xenophobia which led to the bombing of Pearl Harbor ultimately tying the two countries together Today America is still filled with racial tension and personal liberty in wartime is as relevant a topic as ever Moving and impactful National Book Award finalist Albert Marrin's sobering exploration of this monumental injustice shines as bright a light on current events as it does on the past Face of the Enemy, Heart of a Patriot Ann Koto Hayashi, 1995-01-01 Revised from her 1992 dissertation Ohio State U Hayashi explores how the US internment of Japanese Americans during World War II has affected the self identities of the children and grandchildren of the detainees in her own family She provides background for the excerpts from interviews with accounts of the internment itself the previous history of the Japanese in the US the family's history and Japanese Americans view of the situation at the time Annotation copyright by Book News Inc Portland OR **Beyond the Betrayal** Yoshito Kuromiya, 2022-01-24 Beyond the Betrayal is a lyrically written memoir by Yoshito Kuromiya 1923 2018 a Nisei member of the Fair Play Committee FPC which was organized at the Heart Mountain concentration camp The first book length account by a Nisei World War II draft resister this work presents an insider's perspective on the FPC and the infamous trial condemning its members efforts It offers not only a beautifully written account of an important moment in US history but also a rare acknowledgment of dissension within the resistance movement both between the young men who went to prison and their older leaders and also among the young men themselves Kuromiya's narrative is enriched by contributions from Frank Chin Eric L Muller and Lawson Fusao Inada Of the

300 Japanese Americans who resisted the military draft on the grounds that the US government had deprived them of their fundamental rights as US citizens Kuromiya alone has produced an autobiographical volume that explores the short and long term causes and consequences of this fateful wartime decision In his exquisitely written and powerfully documented testament he speaks truth to power making evident why he is eminently qualified to convey the plight of the Nisei draft resisters He perceptively reframes the wartime and postwar experiences of the larger Japanese American community commonly said to have suffered in the spirit of shikata ga nai enduring that which cannot be changed and emerged with dignity Beyond the Betrayal makes abundantly clear that the unjustly imprisoned Nisei could and did exercise their patriotism even when they refused to serve in the military in the name of civil liberties and social justice Kuromiya's account initially privately circulated only to family and friends is an invaluable and insightful addition to the Nikkei historical record

Faith, Family, and Flag James Mukoyama, 2023-11-10 tk Midnight in Broad Daylight Pamela Rotner Sakamoto, 2016-01-05 Meticulously researched and beautifully written the true story of a Japanese American family that found itself on opposite sides during World War II an epic tale of family separation divided loyalties love reconciliation loss and redemption and a riveting chronicle of U S Japan relations and the Japanese experience in America After their father's death Harry Frank and Pierce Fukuhara all born and raised in the Pacific Northwest moved to Hiroshima their mother's ancestral home Eager to go back to America Harry returned in the late 1930s Then came Pearl Harbor Harry was sent to an internment camp until a call came for Japanese translators and he dutifully volunteered to serve his country Back in Hiroshima his brothers Frank and Pierce became soldiers in the Japanese Imperial Army As the war raged on Harry one of the finest bilingual interpreters in the United States Army island hopped across the Pacific moving ever closer to the enemy and to his younger brothers But before the Fukuharas would have to face each other in battle the U S detonated the atomic bomb over Hiroshima gravely injuring tens of thousands of civilians including members of their family Alternating between the American and Japanese perspectives Midnight in Broad Daylight captures the uncertainty and intensity of those charged with the fighting as well as the deteriorating home front of Hiroshima as never told before in English and provides a fresh look at the dropping of the first atomic bomb Intimate and evocative it is an indelible portrait of a resilient family a scathing examination of racism and xenophobia an homage to the tremendous Japanese American contribution to the American war effort and an invaluable addition to the historical record of this extraordinary time
