Patron Saints:

The Directory of Saints Annette Sandoval, 1997 The Directory of Saints presents a unique and invaluable book for anyone who wishes to find a special mediator for prayers of thanks petition or intercession Whether the reader is looking for a topic as varied as illnesses acts of nature or love and marriage this inspirational and authoritative guide holds the answers to every need Patron Saints Thomas J Craughwell, 2011-09-16 Make the saints part of your everyday life Who would have guessed that there is a patron saint for astronauts or zookeepers or the internet You know that you can pray to St Blaise to help protect you from a sore throat but which saint will protect you from a snakebite or from being struck by lightning With hundreds of listings of patron saints you ll find heavenly helpers for just about anything and everything You ll meet the patron saints of bankers bakers florists plumbers and highway construction crews You ll learn which saint to invoke against headache toothache and appendicitis And you ll discover that there are patron saints to save the whales for the right to life movement environmentalists and IT workers And there are several patron saints for stressed wives and mothers Each entry explains why the saint is patron of whatever he or she is patron of includes a summary of the saint s life and highlights unusual or little known facts about the saint The book also includes an index for easy reference **Drinking with Your**

Patron Saints Michael P. Foley, 2020-03-17 There s a patron saint for everything And Michael Foley has a drink for every patron saint Have a problem with the IRS Pray to St Matthew and mix up a classic Income Tax cocktail to toast the tax collector apostle Looking for a deal at a gun show Try St Adrian of Nicomedia the patron of arms manufacturers and raise a glass of craft beer from Denver s Call to Arms in the saint s honor Or stir up a Gunfire traditionally served to British soldiers on Christmas Day Need to sell your house Ask St Joseph for his help and honor his patronage with a Sazerac made with wormwood in honor of his trade as a carpenter Drinking with Your Patron Saints gives you a saint for every occasion Packed with inspiring stories and delicious drink recipes for saints from Adam to Zita this book will be a boost to your spiritual life and your spirits *Favourite Patron Saints* Paul Burns, 2005-11-15 This book is a selection of saints presented

chronologically and as Patrons The proportion of women to men is deliberately higher than usual and the aim is in accordance with Pope John Paul s intentions to produce a worldwide spread of saints Lesser known figures that did remarkable things feature amongst some of the best known saints Although legends are mentioned in true Butler s tradition emphasis is always on historical fact Entries are limited to canonised saints Emblems or attributes are described where relevant and there are touches of humour where appropriate The short introduction concentrates on the historical development of canonisation and draws some social implications At the head of each page the patronage of the saint in question is given for example medicine taking exams music hunting architects and blind people There is a saint for almost every chosen path of life and human predicament On each page there is a decoration or illustration The book ends with a simple glossary *Heaven Help Us* Thomas J. Craughwell, 2016-12-27 Contains short essays of over three hundred saints

and explains how they have become associated with certain people places and professions Patrons and Patron Saints in Early Modern English Literature Alison Chapman,2013-01-17 This book visits the fact that in the pre modern world saints and lords served structurally similar roles acting as patrons to those beneath them on the spiritual or social ladder with the word patron used to designate both types of elite sponsor Chapman argues that this elision of patron saints and patron lords remained a distinctive feature of the early modern English imagination and that it is central to some of the key works of literature in the period Writers like Jonson Shakespeare Spenser Drayton Donne and Milton all use medieval patron saints in order to represent and to challenge early modern ideas of patronage not just patronage in the narrow sense of the immediate economic relations obtaining between client and sponsor but also patronage as a society wide system of obligation and reward that itself crystallized a whole culture s assumptions about order and degree The works studied in this book ranging from Shakespeare s 2 Henry VI written early in the 1590s to Milton s Masque Performed at Ludlow Castle written in 1634 are patronage works either aimed at a specific patron or showing a keen awareness of the larger patronage system This volume challenges the idea that the early modern world had shrugged off its own medieval past instead arguing that Protestant writers in the period were actively using the medieval Catholic ideal of the saint as a means to represent contemporary systems of hierarchy and dependence Saints had been the ideal and idealized patrons of the medieval world and remained so for early modern English recusants As a result their legends and iconographies provided early modern Protestant authors with the perfect tool for thinking about the urgent and complex question of who owed allegiance to whom in a rapidly changing world The Patron Saints Handbook Mitch Finley,2010-09-01 Who was St Genesius and why is he the patron saint of actors Why is St Th r se of Lisieux who was a cloistered nun the patron saint of missionaries Is there a patron saint for automobile mechanics How about for athletes Bestselling Catholic writer Mitch Finley answers these questions and more in this delightful book of one hundred saints and the occupations groups or causes they are associated with These are listed alphabetically and cross indexed with a list of the saints featured in the book making it easy to find either the saint or the cause In each short selection Finley describes the life of the saint and why he or she has been selected as a patron Finley s popular style makes this book fun to read A great resource to keep on your shelf for years to come A thoughtful gift for Confirmation or other occasions **The Comprehensive Dictionary of Patron Saints** Pablo Ricardo Quintana,2014-06-30 If youre unsure of which patron saint to call on when confronting obstacles then you need this ready reference Arranged alphabetically by subject and by saint it includes thousands of listings and hundreds of holy advocates Youll discover one hundred and fifty titles for the Blessed Virgin Mary resulting in more than seven thousand invocations Youll learn about saints from the British Isles France Germany Greece Ireland Italy Mexico New Mexico Northern Europe South America Spain and elsewhere Almost every country has a patron saint and some have several The saint most commonly invoked for particular needs is marked by bold script but youll also become acquainted with lesser known saints
