Patron-client Politics and Business in Bangladesh Stanley A Kochanek,1993 Patron-client Politics and Business in Bangladesh Stanley A. Kochanek,1993 *Politics and Governance in Bangladesh* Ipshta Basu,Joe Devine,Geof Wood,2017-09-08 Since its Independence in 1971 Bangladesh has made remarkable progress in terms of reducing poverty levels achieving high levels of economic growth over a sustained period of time and meeting its Millennium Development Goals MDG targets set by the United Nations With some justification Bangladesh is considered an international development success story and the country appears to be well on track to meet its policy target of becoming a middle income country by 2021 the same year the country will celebrate 50 years of Independence This book explores the central issue of Bangladeshi politics the weakness of governance The coexistence of a poor governance track record and a relatively strong socioeconomic performance makes Bangladesh an intriguing case which throws up exciting and relevant conceptual and policy challenges Structured in four sections Political Settlement Elites and Deep Structures Democracy Citizenship and Values Civil Society Local Context and Political Change Informality and Accountability the book identifies and engages with these challenges Chapters by experts in the field share a number of conceptual and epistemological principles and offer a combination of theoretical and empirical insights and cover a good range of contemporary issues and debate Employing a structurally determinist perspective this book explains politics and society in Bangladesh from a novel perspective Academics in the field of governance and politics in developing countries with a focus on South Asia and Bangladesh will welcome its publication

Routledge Handbook of South Asian Politics Paul R. Brass,2010-04-30 The Routledge Handbook of South Asian Politics examines key issues in politics of the five independent states of the South Asian region India Pakistan Bangladesh Sri Lanka and Nepal Written by experts in their respective areas this Handbook introduces the reader to the politics of South Asia by presenting the prevailing agreements and disagreements in the literature In the first two sections the Handbook provides a comprehensive introduction to the modern political history of the states of the region and an overview of the independence movements in the former colonial states The other sections focus on the political changes that have occurred in the postcolonial states since independence as well as the successive political changes in Nepal during the same period and the structure and functioning of the main governmental and non governmental institutions including the structure of the state itself unitary or federal political parties the judiciary and the military Further the contributors explore several aspects of the political process and political and economic change especially issues of pluralism and national integration political economy corruption and criminalization of politics radical and violent political movements and the international politics of the region as a whole This unique reference work provides a comprehensive survey of the state of the field and is an invaluable resource for students and academics interested in South Asian Studies South Asian Politics Comparative Politics and International Relations **Public Policy and Governance in Bangladesh** Nizam Ahmed,2016-07-01 Good policies are

an important prerequisite of good governance and any effort to change one is likely to affect the other In emerging democracies such as Bangladesh a redefinition of roles and responsibilities of different actors in the policy and governing process can be noticed This book identifies and analyses issues related to the making and implementation of public policies in Bangladesh over the last four decades 1972-2012 It explores the implications of the change that has taken place in policy and governance environment in Bangladesh Focusing on several important sectoral and sub sectoral policies it examines the impact and limitations of the change Chapters are structured into four parts Public Policy Bureaucracy and Parliament Cases of Public Policy Women in Governance and Public Administration Ethics Innovations and Public Service Delivery and the book is a valuable resource for researchers in the field of development studies public policy and South Asian politics

Government and Politics in South Asia, Student Economy Edition Robert Oberst, 2018-04-27 This book describes the countries of South Asia and examines the reason for their successes and failures It addresses the interrelationships among the states in the region and their roles in the international system and discusses the political development of the region

Political Islam and Governance in Bangladesh Ali Riaz, C. Christine Fair, 2010-10-04 The past decade has seen a marked policy focus upon Bangladesh home to nearly 150 million Muslims it has attracted the attention of the world due to weak governance and the rising tide of Islamist violence This book provides a broad ranging analysis of the growth and impact of political Islam in Bangladesh and reactions to it Grounded in empirical data experts on Bangladesh examine the changing character of Bangladeshi politics since 1971 with a particular focus on the convergence of governance Islamism and militancy They examine the impacts of Islamist politics on education popular culture and civil society and the regional and extraregional connections of the Bangladeshi Islamist groups Bringing together journalists and academics all of whom have different professional and methodological backgrounds and field experiences which impact upon these issues from different vantage points the book assesses Bangladesh's own prospects for internal stability as well as its wider impact upon South Asian security It argues that the political environment of Bangladesh the appeal of Islamist ideology to the general masses and the dynamic adaptability of Islamist organizations all demonstrate that Bangladesh will continue to focus the attention of policy makers and analysts alike This is a timely incisive and original explanation of the rise of political Islam and Islamic militancy in Bangladesh

Skill Formation Regimes in South Asia Markus Maurer, 2011 In the face of accelerated economic globalisation many of the industries in economically less developed countries have become more technology intensive Skill formation processes both inside and outside firms are therefore changing This study scrutinises such transformations by comparing from the perspective of historical institutionalism the skill formation regimes of the garment industries in Sri Lanka and Bangladesh It sheds light on the differences between the trajectories of the in firm skill formation regimes of the two countries and reveals the important part that varying paths of educational development in both countries have played in shaping these trajectories At the same time the study shows how in both countries state led skill formation

regimes have been transformed not only by market forces and the growing importance of corporate business interests but also by the social demand for educational credentials *Community Radio Policies in South Asia* Preeti

Raghunath,2020-08-07 The book draws on critical media policy studies to study the principles and performances of policies and policymaking for community radio in four countries of South Asia Sri Lanka Nepal India and Bangladesh It focuses on the processes and practices of deliberation that go into policymaking across space and time and the global local spectrum It stitches together a critical media policy ethnography drawing on over a 100 formal interviews and informal conversations with policy actors from South Asia in a bid to present a deliberative policy analysis of policymaking for community radio in the region Drawing on Grounded Theory the book fleshes out the Deliberative Policy Ecology Approach as an inclusive heuristic to study media policies **Water, Sovereignty and Borders in Asia and Oceania** Devleena Ghosh,Heather

Goodall,Stephanie Hemelryk Donald,2009-01-21 This book restores water both fresh and salt to its central position in human endeavour ecology and environment Water access and the environmental and social problems of development are major issues of concern in this century Drawing on water s many formations in debating human relationship with a major source of life and a major factor in contemporary politics this book covers oceans and rivers to lagoons billabongs and estuaries in Asia Oceania and the West Pacific In an interdisciplinary and cross disciplinary analysis of the water problem the contributors address the physical descriptors of water and water flow and they interrogate the politicised administrations of water in closely corresponding regions Water Sovereignty and Borders in Asia and Oceania identifies new discursive possibilities for thinking about water in theory and in practice It presents those discourses that seem most useful in addressing the multiple crises the region is facing and thus should be of interest to scholars of Asian Studies Geography Environmental and Cultural Studies Democratization and Civilian Control in Asia A. Croissant,D. Kuehn,P. Lorenz,P. Chambers,2015-12-04 How can

civilians in newly democratized countries ensure their control over the military While establishing civilian control of the military is a necessary condition for a functioning democracy it requires prudent strategic action on the part of the decision makers to remove the military from positions of power and make it follow their orders Natural Disasters and Development in a Globalizing World Mark Pelling,2003 Authorative and comprehensive this book makes clear that there are links between global scale processes and local experiences of disaster but underlies the difficulty of attributing blame for individual disasters on specific global pressures Democratic Governance in Bangladesh Nizam Ahmed,2022-12-07 This

book explores the role of government in the governing process of Bangladesh It primarily focuses on the dilemmas and constraints faced by the successive democratic governments elected since the early 1990s Bangladesh has had a new democratic beginning since the early 1990s and formally remained a democracy for the last the three decades Despite impressive performance in the economic and social fields the country has lagged far behind most of the new democracies in the political realm This book identifies how representative institutions of governance have gradually declined under

democratic governments in Bangladesh and how disagreements on the basic rules of the game have made the task of governing extremely difficult and democratic consolidation problematic This book is a significant and comprehensive analysis that identifies and explains the implications of the crises in governance for democratic consolidation in Bangladesh It will be of interest to academics studying Area Studies in particular South Asian Studies and the increasingly researched areas of governance public policy and administration

Flood Planning Jeroen Warner, 2011-02-28 Floods are amongst the most common and devastating natural disasters In the wake of such an event the pressure to initiate flood protection schemes that will provide security is enormous and politicians promise quick solutions in the national interest Jeroen Warner examines a number of such projects from around the world the Middle East South Asia and Western Europe aimed at the prevention of serious flooding Each provoked a level of controversy unforeseen by its initiators with the result that schemes were shelved were not completed or simply failed The author shows how such projects inevitably become politicized as different stakeholders seek to promote their interests

Mafia Raj Lucia Michelutti, Ashraf Hoque, Nicolas Martin, David Picherit, Paul Rollier, Arild E Ruud, Clarinda Still, 2023-05-25 The authors illustrate the art of bossing techniques and methods used by such figures to climb to power and maintain their sovereignty A Y Lee Choice Mafia has become an indigenous South Asian term Like Italian mobsters the South Asian gangster politicians are known for inflicting brutal violence while simultaneously upholding vigilante justice inspiring fear and fantasy But the term also refers to the diffuse spheres of crime business and politics operating within a shadow world that is popularly referred to as the rule of the mafia or Mafia Raj Through intimate stories of the lives of powerful and aspiring bosses in India Pakistan and Bangladesh this book illustrates their personal struggles for sovereignty as they climb the ladder of success Ethnographically tracing the particularities of the South Asian case the authors theorize what they call the art of bossing providing nuanced ideas about crime corruption and the lure of the strongman across the world Through meticulous and uniquely collaborative ethnography Mafia Raj opens readers eyes to the murky world of bosses in South Asia With unforgettable portraits of the gangsters politicians hustlers and extortionists dotting the region this is the rare scholarly account that upends our commonly accepted notions of democracy formality and legitimacy Milan Vaishnav author of *When Crime Pays Money and Muscle in Indian Politics* Why does the figure of the boss in its various guises loom so large in South Asia In answering this question the authors of this engagingly written book make a path breaking contribution to the study of South Asian politics John Harriss author of *India Continuity and Change in the Twenty First Century*
