Path to Salvation in Luke's Gospel MiJa Wi, 2019-05-23 This book investigates Luke's message of salvation in relation to socio-economic issues and thus concerns salvation of the rich as well as the poor. With a narrative reading of Luke's Gospel built on careful examination of its socio-economic context, it demonstrates that Luke's message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world, 2 Its human embodiment, and 3 Divine reward promised to those who enact mercy. Wi argues that Luke's question of what must we do juxtaposes salvation with doing, posing interesting questions with respect to the salvation of the rich. This volume highlights good news to the poor in terms of divine mercy and justice, shows that the reception of divine mercy calls for practices which embody it, and above all clarifies Luke's notion of salvation of the rich which will happen as participation in the salvation of the poor. Wi's conclusion challenges its readers by asking the question along with Luke's audience: What must we do.

The Field Is the World Stephen V. Crowder, 2018-01-18 This volume provides a detailed account of the tireless, dedicated work of a small group of missionaries sent to China by the American Churches of Christ early in the twentieth century. The account includes the difficult years of preparation, 1921-1928; the establishment of the Canton Mission; the onset of the Japanese threat, 1929-1937; the heroic efforts during the Japanese occupation and war years, 1938-1945; and finally the work after the war until the communist takeover, 1946-1949. The emphasis is on the people and their work: The Bensons and the Oldhams who opened the Canton Mission in 1929; the Davises and the Whitfields who were valuable additions to the work starting in 1933; and the Leungs and the Soss, their dedicated Chinese coworkers for over a decade. Their philosophies and strategies for missionary work are highlighted, and the pioneering work with its successes, failures, and lessons learned is discussed. Finally, an attempt is made to assess the significance of the Canton Mission of the Churches of Christ within the historical framework of the early Protestant mission work in China.

Bread Not Stone Elisabeth Schussler Fiorenza, 1995-07-31 This feminist classic explores the ways in which women can read the Christian Bible with full understanding of both its oppressive and its liberating functions. In the substantial new Afterword to this edition, Elisabeth Schussler Fiorenza situates *Bread Not Stone* in relation to mainstream Biblical scholarship, Catholic and Protestant theologies, liberation theologies, and nineteenth-century feminist writings on the Bible.

A Family Guide to the Bible Christin Ditchfield, 2009-05-08 All Christian parents want their children to gain a better understanding of God's Word, but many of them are still searching to completely understand the Bible themselves. How can they confidently share what they believe with their families? *A Family Guide to the Bible* takes readers on a fun and exciting tour through all sixty-six books of the Bible and offers parents, grandparents, and teachers a better understanding of the Scriptures so they can help the children in their lives know what is in the Bible, where to find it, and how it all fits together. As Christians become more familiar with God's Word, they will gain greater confidence as they share what they believe with their family and friends, help answer questions concerning the Bible, and encourage others to grow deeper in their walks of faith.

Readings in the Canon of Scripture David Jasper, 2009-06-23 Canonical criticism is

not a recognized branch of biblical studies granting new focus to questions of the authority and truth of the scriptural writings. Developed within a critical sense of the dominant historical critical tone of biblical studies, canonical criticism as it has been pursued by the American scholars Brevard S Childs and James A Sanders stands as witness to the theological necessity of a more literary approach to the Bible. This book both criticizes the canonical enterprise and takes it much further into readings of the canon from the perspective not only of literature but also art and in particular the biblical art of Rembrandt. In addition it remains acutely conscious of the contemporary environment of our reading within the political concerns of feminist criticism, popular absorption in film and the narratives of the screen and finally the crisis or crises which characterize the so called postmodern condition. What emerges is at once highly critical of traditional strategies of canonization and at the same time constructive and concerned to recover the Bible for our own time in readings which move outside the limited academic concerns of the biblical critic or the institutions of the church and religious community.

A *Theology of Luke and Acts* Darrell L. Bock, 2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke's gospel and the book of Acts. In his writing Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God's people even in the midst of a hostile world. It is a message the church still needs today. Bock both covers major Lukan themes and sets forth the distinctive contribution of Luke Acts to the New Testament and the canon of Scripture providing readers with an in depth and holistic grasp of Lukan theology in the larger context of the Bible. I Howard Marshall A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology. Craig S Keener Bock's excellent exploration of Luke's theological approach and themes meets an important need in Lukan theology. *Catalog of Copyright Entries, Fourth Series* Library of Congress. The Church in God's Program Robert L. Saucy, 1974-08-21 The Church in God's Program is a biblical study covering the entire scope of the church its beginning government ministries and the new covenant.

The Davidic Shepherd King in the Lukan Narrative Sarah Harris, 2016-05-19 In Luke Acts Jesus can be seen to take on the attributes of the Davidic shepherd king a representation successfully conveyed through specific narrative devices. The presence of the shepherds in the birth narrative can be understood as an indication of this understanding of Jesus. Sarah Harris analyses the multiple ways scholars have viewed the shepherds as characters in the narrative and uses this as an example of how the theme of Jesus shepherd nature is interwoven into the narrative as a whole. From the starting point of Jesus human life Harris moves to later events portrayed in Jesus ministry in which he is seen to enact his message as God's faithful Davidic shepherd in particular the parable of the Lost Sheep and the Zacchaeus pericope 19:1-10. Harris uses this latter encounter to underline that Jesus may be hailed as a King by the crowds as he enters Jerusalem but he is not simply a king. He is God's Davidic Shepherd King as prophesied in Micah 5 and Ezekiel 34 who brings the gospel of peace and salvation to the earth.
