Tse, 2024-12-02 This international and interdisciplinary handbook offers a comprehensive and an in depth overview of contemporary research theory and practice in the geographies of religion in various parts of the world and with different populations The book showcases the major theoretical interventions in the field and the debates about the existential constitution of sacred space and what this means for secularization It outlines the most significant geographical themes related to these new developments with their implications for how to think about landscapes space bodies and worlds The book also discusses the future of the field especially in the realms of encounters and ethics economies and markets institutions and organisations movements and migrations and media and mediums It also offers views from disciplines outside of geography including from sociology anthropology religious studies and media and communications which demonstrates the contributions of geographers of religion to wider intellectual conversations and debates **Bringing God to Men** Jacqueline E. Whitt, 2014-02-17 During the second half of the twentieth century the American military chaplaincy underwent a profound transformation Broad based and ecumenical in the World War II era the chaplaincy emerged from the Vietnam War as generally conservative and evangelical Before and after the Vietnam War the chaplaincy tended to mirror broader social political military and religious trends During the Vietnam War however chaplains experiences and interpretations of war placed them on the margins of both military and religious cultures Because chaplains lived and worked amid many communities religious and secular military and civilian denominational and ecumenical they often found themselves mediating heated struggles over the conflict on the home front as well as on the front lines In this benchmark study Jacqueline Whitt foregrounds the voices of chaplains themselves to explore how those serving in Vietnam acted as vital links between diverse communities working personally and publicly to reconcile apparent tensions between their various

constituencies Whitt also offers a unique perspective on the realities of religious practice in the war s foxholes and firebases as chaplains ministered with a focus on soldiers shared experiences rather than traditional theologies      **Sunday** Craig Harline,2011-09-13 The mere mention of Sunday will immediately conjure up a rich mix of memories associations and ideas for most anyone of any age Whatever we think of be it attending church reading a bulky newspaper eating brunch or watching football Sunday occupies a unique place in Western civilization But how did we come to have a day with such a singular set of traditions Here historian Craig Harline examines Sunday from its ancient beginnings to contemporary America in a fascinating blend of stories and analysis For the earliest Christians the first day of the week was a time to celebrate the liturgy observe the Resurrection and work But over time Sunday in the Western world took on still other meanings and rituals especially in the addition of both rest and recreation to the day s activities Harline illuminates these changes in enlightening profiles of Sunday in medieval Catholic England Sunday in the Reformation and Sunday in nineteenth century France home of the most envied and sometimes despised Sunday of the modern world He continues with moving portraits of soldiers and civilians trying to observe Sunday during World War I examines the quiet Sunday of England in the 1930s and concludes with the convergence of various European traditions in the American Sunday which also adds some distinctly original habits of its own such as in the realms of commerce and professional sports With engaging prose and scholarly integrity Sunday is an entertaining and long overdue look at a significant hallmark of Western culture      **The Encyclopedia of Unbelief** Gordon Stein,1985 Presents a survey of the varieties of agnosticism atheism free thought humanism skepticism and unbelief as they have appeared historically and on the contemporary scene This book collects biographies of the men and women associated with free thought including Charles Bradlaugh and Annie Besant in England and Voltaire and Diderot in France      **Review of Religious Research** ,1990      **Fast Food, Stock Cars, and Rock 'n' Roll** George O. Carney,1995 The only anthology of its kind this collection brings together classic and recent essays by thirteen leading geographers exploring American popular culture The essays examine music food sports politics architecture clothing and religion within the context of five themes of cultural geography region diffusions ecology integration and landscape A list of suggested readings follows each section Fast Food Stock Cars and Rock n Roll is an excellent text for introductory courses appealing to students through its discussion of such topics as grunge rock fast food and blue jeans      **The Human Mosaic** Terry G. Jordan,Terry G. Jordan-Bychkov,Lester Rowntree,1986 Authoritative and lucidly written The Human Mosaic spans the full breadth of traditional human geography while incorporating the best of recent insights from cultural studies Its distinctive thematic approach chapters are organized around the themes of culture region cultural diffusion cultural ecology cultural integration and cultural landscape lends coherence to a thoroughly updated text that portrays the cultural geography of the world today      **Library of Congress Catalogs** Library of Congress,1980      **Publishers Directory** ,1989      Prospettive di missiologia, oggi Mariasusai Dhavamony,1982      **Paperbound Books**
