Rolf A. Jacobson

Patterns of Prayer in the Psalms Laurence Dunlop, 1982 **Prayer Patterns** Lin Johnson, 1993 Prayers travel a hundred patterns swirling inside of us until they are thought or said and then aim arrow straight to the heart of a loving God Johnson explores the many patterns of prayer words following their own convoluted course in the hearts of men and women from the Bible and shows how we can construct our own special patterns **Patterns of Daily Prayer in Second Temple Period Judaism** Jeremy Penner, 2012-11-09 In *Patterns of Daily Prayer in Second Temple Period Judaism* Jeremy Penner provides an account of how daily prayer became entrenched within early Jewish religious traditions Psalms for All Seasons John F. Craghan, 2013 Dare to expect a new world through the power of prayer That is the challenge offered by *Psalms for All Seasons* John Craghan says that by praying the Psalms you will discover radical newness in your life as you align your heart with God's will The psalms are prayers of both praise and lament They fill us with confidence and consolation They teach us to be thankful and wise *Psalms for All Seasons* explores fifty five of the most beautiful psalms in the Bible The author's deft analysis places these ancient prayers squarely in contemporary times By examining the structure vocabulary and themes of the psalms he engages each example as a stunning prayer for the twenty first century This careful revision of the 1993 edition relies on the New American Bible Revised Edition and provides solid biblical scholarship to support the use of the Psalms in study and prayer Psalms and Practice Stephen Breck Reid, 2001 The essays in this book explore how the notion of practice helps contemporary readers understand Psalms in a new way *Psalms and Practice* looks at three aspects of formation prayer how the psalms shape faith through the process of liturgy and how the psalms shape as preached word *Soundings in the Theology of Psalms* Rolf A. Jacobson, 2010-11 The many introductions to the psalms available to readers tend to focus on various types and forms of psalms but overlook different theological approaches to the Psalter This volume brings together leading psalms scholars from Catholic and Protestant traditions and takes into account recent scholarship on the shape and shaping of the Psalter and on the rhetorical interpretation of the Psalms **Basic Prayer Patterns** Dr. D. K. Olukoya, 2016-06-02 *Basic Prayer Patterns* challenges the reader to examine the primacy of prayer Prayer is practically defined Types of prayer are listed Opportunities for prayer are brought out in *Basic Prayer Patterns* This book will draw you to the place of prayer You will discover the various ways you can take your requests to God The benefits of using various patterns in prayer are directly and indirectly brought out The method is topical The approach is practical The scope is encompassing This book will take you to vast fields of prayer You will discover that prayer is one spiritual exercise which you can be involved in and gain unprecedented benefits This book will make you an expert in the prayer ministry **The perfect pattern of all prayers [the Lord's prayer] 8 lects. on Matthew vi. 9 to 13** Stephen Hobbs, 1883 The Psalms, Prayers of Many Moods Ronald Quillo, 1999 The book of Psalms NSRV version arranged with a prosaic explanation of each psalm alongside the text of the psalm Includes questions for reflection and suggestions for prayer Not exclusively Catholic

Makes the psalms accessible for personal prayer **The Prayer Bible: Pray God's Word Cover to Cover (NIV)** Thomas Nelson, 2025-07-29 Even when you can't find the words you can pray with God's Word The Prayer Bible guides you in praying the life-giving Word of God giving you the words to pray even when you don't know what to pray With the help of 1200 prompts you can pray through every chapter of Scripture for a deep personal engagement with the Bible Features include Introduction on how to use The Prayer Bible Bible book introductions provide a concise overview of the background and historical context of the book about to be read 1 200 prayer prompts at least one for each chapter of the Bible to strengthen your prayer life Words of Christ in red quickly identify Jesus teachings and statements Prayers of the Bible include nearly 100 prayers in the Bible who prayed them and what they prayed about Bible reading plan guiding you through the entire Bible in a year Articles with tips and insight to help you engage with Scripture *Psalms* James Luther Mays, 2011-01-01 The Psalms have a double identity They are scripture and liturgy They compose a book of the Bible and are found in our hymnals and books of worship and prayer When we think of them in historical perspective another identity emerges They are the liturgical poetry of ancient Israel texts with a history of composition and use before they became scripture A commentary in this Interpretation series needs to keep all three identities in view That puts some strain on the commentator's task The attempt to interpret the Psalms in awareness of the depth in their identity explains some things about the commentary and its writing

Balentine, 2022-06-24 The discourse of prayer responds to the abiding lure of transcendence From Gilgamesh to the primordial human beings in Eden to Odysseus the quest for ultimate truths has summoned forth all manner of human effort courageous desperate pious impious successful failed invited forbidden and like all such lures one can never be certain whether the glimmer of transcendence is that of a bright and shining star that illuminates the shadows or only a shiny object that seduces one into an inescapable darkness a fishing lure for example In this study Samuel E Balentine demonstrates how

prayer's invocation of God transgresses the limits of human beings. The author shows how inviting let alone commanding God to speak may be the acme of bardic pretention but in the ancient world such transgression characterizes the audacity of prayer.

Liturgical Worship Mark Earey, 2018-02-07 This is an essential introductory to liturgy for both ordinands and trainee lay readers indeed for anyone who finds themselves having to plan or lead public worship. Well known worship writer and speaker Mark Earey has written this book both for lovers and loathers of liturgical worship and for those who want to discover it for the first time. This updated and enlarged second edition now includes How liturgy works as ritual. The use of liturgy in different traditions. The shape of the Christian year and what this tells us about God's engagement with the world. Patterns of reading scripture in worship using music and song and how to use words and silence in worship. *Liturgical Worship* will enthuse and give confidence to anyone who needs to know more about this fascinating subject.

The Sermon Bible: Psalm LXXVII to Song of Solomon, 1900 Holy Things Gordon W. Lathrop, New in paperback. Cyril of Jerusalem wrote about holy things. He thereby reflected the communion invitation used in his fourth century liturgy to call people to taste and see that the Lord is good. *Mystagogical Catecheses*. The present times call for strong and healthy symbols that hold people into hope. The Christian communities need a reintroduction into the ways in which liturgical symbols respond to human need. Indeed Lathrop argues Christian communities continually need to reconsider the meaning of their liturgies and reform those liturgies toward authentic clarity. In its three parts this book 1 proposes that an ecumenical pattern or ordo of worship can be discerned which is also a pattern of meaning 2 discusses the ways in which meaning occurs in the meeting for worship itself and 3 draws practical conclusions about the organization of that meeting and its importance to current human need. Throughout Lathrop undertakes to do theology that is to say what the liturgy actually says about God.

Praying Legally Shalom E. Holtz, 2019-11-01 Explore the lengthy history of legal metaphors in ancient prayer In biblical and other ancient Near Eastern sources prayer is an opportunity to make one s case before divine judges Prayers were formulated using courtroom or trial language including demands for judgment confessions and accusations The presence of these legal concepts reveals ancient Near Eastern thoughts about what takes place when one prays Holtz highlights legal concepts that appear in prayers including the motif of the speakers oppression in Psalms the possibility of countersuit against God through prayer and divine attention and inattention as legal responses By reading ancient prayers together with legal texts this book shows how speakers took advantage of prayer as an opportunity to have their day in the divine court and even sue against divine injustice Features Identification of legal vocabulary and concepts that appear in ancient prayers Analysis of legal metaphors in prayer examples in Akkadian and postbiblical rabbinic texts Interpretations of trial records and texts from Psalms and Lamentations
