## **Paul Meets Muhammad:**

**Paul Meets Muhammad** Michael R. Licona, Mike Licona, 2006-02 A creative out of the box approach to examining the validity of Christ's resurrection from the virtual perspectives of two religious heavyweights **Narratives in Conflict** Matthew Aaron Bennett, 2019-11-18 Did Jesus die on the cross for our sins as the Gospels describe Or as Muslims often contend was Jesus rescued to heaven in order to avoid the shameful crucifixion that would be unbecoming of a messenger of God This debate has raged for generations and has caused no shortage of frustration among those seeking to explain the central teaching of the Christian faith to those influenced by the Qur'an What this book aims to do is uncover four barriers to understanding the biblical teaching on atonement that likely exist in the minds of our Muslim friends prior to asking about the historical reality of the Christ event What we will discover is that the Qur'an diverges from the biblical teaching on atonement at the lexical ritual narrative and worldview levels Each of these points of divergence presents a barrier to communication Therefore before arguing with our Muslim friends that Jesus died on the cross we must provide an answer to the prior question why would it matter This book argues that the Letter to the Hebrews provides a particularly helpful biblical starting point for overcoming all four barriers **The Resurrection and Its Apologetics** Michael J. Alter, 2024-03-21 Christians believe that Jesus is the Messiah and the Savior of the human race who died for the sins of humanity on the cross 1 Cor 15:3 The next verse adds the essential that he was buried that he was raised on the third day in accordance with the Scriptures In Jesus Death and Burial Michael Alter critically surveys the writings of leading Christian apologists about Jesus death and burial and then explains why detractors and skeptics cannot accept the New Testament claim that Jesus died on the cross and received a tomb burial The Resurrection and Its Apologetics is an in depth series that significantly contributes both to the academic and non academic world reviewing and analyzing the most salient claims put forward in defense of Jesus death burial and bodily resurrection from the dead **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc. agnostic and nontheistic

The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

intellectual and cultural history into conversation with study of the New Testament providing a balanced account and assessment of widespread antipathy to Paul and exploring what the controversy tells us about ourselves      **Preaching with Cultural Intelligence** Matthew D. Kim, 2017-10-17 To preach effectively in today's world preachers need cultural intelligence They must build bridges between listeners who come from various denominations ethnicities genders locations religious backgrounds and more Experienced preacher and teacher Matthew Kim provides a step by step template for cross cultural hermeneutics and homiletics equipping preachers to reach their varied listeners in the church and beyond Each chapter includes questions for individual thought or group discussion The book also includes helpful diagrams and images a sample sermon and appendixes for exegesis listeners and for exploring cultural differences      **Behold the Man** Peter S. Blomberg and extensive recommended resources Behold the Man Essays on the Historical Jesus represents a wide ranging interdisciplinary engagement with historical Jesus studies      **Outgrowing God?** Peter S. Williams, 2020-09-30 Join a cast of characters with different perspectives thinking through some of the biggest questions in life as they discuss atheist Richard Dawkins's book Outgrowing God A Beginner's Guide Written in the form of a dialogue between members of a student book club Outgrowing God A Beginner's Guide to Richard Dawkins and the God Debate encourages critical thinking about Professor Dawkins's arguments concerning God Jesus and the Bible      [In Defense of Jesus](#) Lee Strobel, 2016-09-06 An enlightening follow up to the bestselling book The Case for Christ In Defense of Jesus follows award winning journalist Lee Strobel as he explores the most explosive arguments against the identity of Christ as the Messiah Has modern scholarship debunked the traditional Christ Has the church suppressed the truth about Jesus to advance its own agenda What if the real Jesus is far different from the atoning Savior worshiped through the centuries In Defense of Jesus explores such hot button questions as Did the church suppress ancient non biblical documents that paint a more accurate picture of Jesus than the four Gospels Did the church distort the truth about Jesus by tampering with early New Testament texts Do new insights and explanations disprove the resurrection Have fresh arguments disqualified Jesus from being the Messiah Did Christianity steal its core ideas from earlier mythology Evaluate the arguments and evidence being advanced by prominent atheists liberal theologians Muslim scholars and others Sift through expert testimony Then reach your own verdict with In Defense of Jesus This title is also available in Spanish [En defensa de Jes](#)s      **Reinventing Jesus** J. Ed Komoszewski, M. James Sawyer, Daniel B. Wallace, Reinventing Jesus cuts through the rhetoric of extreme doubt to reveal the profound credibility of historic

Christianity Meticulously researched yet eminently readable this book invites a wide audience to take a firsthand look at the primary evidence for Christianity's origins *The Incarnate Christ and His Critics* Robert M. Bowman Jr., J. Ed Komoszewski, 2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non-Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God's eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah's Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ

determining and working from the most reliable sources and bedrock historical evidence Licona critically weighs other prominent hypotheses His own argument is a challenging and closely argued case for the historicity of the resurrection of Jesus the Christ Any future approaches to dealing with this prize puzzle of New Testament study will need to be routed through The Resurrection of Jesus
