Porter, Cynthia Long Westfall, 2010-09-01 How did a first generation Jewish messianic movement develop the momentum to become a dominant religious force in the Western world The essays here first investigate the roots of God's mission and the mission of his people in the Old Testament and Second Temple Judaism specifically in the Psalms Isaiah and Daniel The contributions then discuss the mission of Jesus and how it continued into the mission of the Twelve other Jewish believers in the Gospels General Epistles and Revelation and finally into Paul's ministry to the Gentiles documented in the book of Acts and his epistles These essays reach backward into the background of what was to become the Christian mission and forward through the New Testament to the continuing Christian mission and missions

today **Holy Wars** Don Wigton, 2008-01-25 Holy Wars is the most memorable book on the subject of church music I've ever read Your work is exquisite Frank Pooler Professor Director Cal State Long Beach University Choir Holy Wars is a comprehensive worship study written for every believer who seeks to live a life of true biblical worship within the cultural storm that we find ourselves today It is an intimate book written for the benefit of promoting a personal relationship with Jesus Christ according to the guidance of God's Word When we think of Holy Wars one might picture terrorism But there is a Holy War raging within the church itself that is proving to be of far more consequence than Islamic dread Because this war is engaged within the worship life of the people of God the outcome could seriously undermine Christian orthodoxy and the Christian way of life for generations to come As the result of the efforts of Church Growth advocates congregations throughout America are contending over different notions of worship The decisions that Christians make in that regard will determine the shape and influence of the Church and the nature of our society over the next century We can find answers within this ongoing battle once we have come to a full understanding of the nature of biblical worship Many times manipulative entertainment schemes attempt to conform to the world watered down theology church politics mediocre music and unbiblical worship forms drag the people of God away from their true calling Holy Wars delves into each of these areas of church life to discern what is going wrong while offering specific biblical remedies **St. Paul's Ephesus** Jerome Murphy-O'Connor, 2008 In this new volume renowned scholar Jerome Murphy O'Connor does for Ephesus what he did for Corinth in his award winning St Paul's Corinth He combs the works of twenty six ancient authors for information about ancient Ephesus from its beginnings to the end of the biblical era Readers can now picture for themselves this second of the two major centers of Paul's missionary work with its houses shops and monuments and above all the world renowned temple of Artemis After presenting the textual and archaeological evidence Murphy O'Connor leads the reader on a walk through St Paul's Ephesus and describes the history of Paul's years in the city Although Ephesus has been a ruin for many hundreds of years readers of this book will find themselves transported back to the days of its flourishing *A Short History of the Early Church* Harry R. Boer, 1976 A lucid and concise account of the people places institutions events and ideas that made a difference in the development of the Christian faith Discussion questions following each chapter aid the reader in reflection and review The Second Reformation Bill Beckham, 2015-11-27 Bill Beckham describes how Jesus used groups of different sizes and relationships three twelve seventy and one hundred and twenty at Pentecost to fulfill his global purpose Beckham demonstrates how we need to relearn Christ's same relational strategy to plant churches and win a lost world for Jesus Christ Beckham shows how many churches today have allowed an Old Testament theology to dictate their ecclesiology He then offers practical advice and clear direction to return to the original way to live Church as an expansion movement like Jesus did In this book Beckham shows how the Cell Church Movement is God's answer to take the church back to a place of fruitfulness and effectiveness **Library of Congress Catalogs** Library of Congress, 1980 Paul's Missionary Methods

Robert L. Plummer, John Mark Terry, 2012-11-21 Robert L Plummer and John Mark Terry edit this collection of entry points into the missionary methods of the Apostle Paul Conducting a major reappraisal of Roland Allen's Missionary Methods St Paul's or Ours Michael Bird Eckhard Schnabel and others reconsider the relevance of Paul's missionary activities for the church today

A FRESH LOOK AT PAUL'S THEOLOGY Edward D. Andrews, 2025-07-26 Paul's gospel was not shaped by culture tradition or theological consensus it was revealed by Christ and preserved in Scripture This book takes that fact seriously A FRESH LOOK AT PAUL'S THEOLOGY strips away centuries of doctrinal distortion to examine the apostle's inspired writings on their own terms Rejecting philosophical overlays speculative systems and subjective interpretation this work employs the historical grammatical method to uncover what Paul truly taught about salvation the law grace the resurrection the Holy Spirit the human condition and more With clarity and conviction Edward D Andrews provides a systematic exegetical study that remains rooted in literal Bible chronology covenant development and textual precision Each chapter upholds a high view of Scripture and rejects all modern theological constructs whether Reformed charismatic sacramental or critical that obscure Paul's original message This book is for those who want more than tradition it's for those who want the truth straight from the text Faithful Biblical Uncompromising

Foundations for Fruitful Church Planting Ken L. Davis, 2023-07-28 Church planting is one of the most challenging yet rewarding adventures you can embark on Often zealous planters and their teams launch their new church prematurely without taking time to lay a firm foundation for long term fruitful ministry Failure to do so often results in a weakened new church or even the new church closing after a few years Rather than focusing on methodology the how to's of church planting this book gives attention to six foundational concerns wise planters will need to nail down before they ever plant Biblical foundations Theological foundations Ecclesiological foundations Missiological foundations Spiritual foundations Practical foundations Although helpful for a wide range of planting leaders this book is particularly written for four specific groups those who feel called to plant and are making preparations their planting teammates and launch leaders those exploring church planting those who coach and train church planters Foundations for Fruitful Church Planting serves as a comprehensive resource that will guide you to think strategically plan carefully and prepare thoroughly to birth a healthy growing and reproducing congregation Each chapter includes recommended resources discussion questions and follow through exercises

Paul's Understanding of the Church's Mission Robert Lewis Plummer, 2006 This book engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in missionary activity It helpfully summarizes the discussion on this debated issue judiciously handling contested texts and provides a way forward in addressing this critical question While admitting that Paul rarely explicitly commands the communities he founded to evangelize Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his

churches to engage in mission activity Throughout the study Plummer progressively builds a theological basis for the church's mission that is both distinctively Pauline and compelling *Religious Books and Serials in Print, 1980-1981*, 1980 **The Abingdon Bible Commentary** Frederick Carl Eiselen, Edwin Lewis, David George Downey, 1929 [The Drama of Scripture](#) Craig G.
