Spurgeon,2020-05-31 In a world torn by racial social economic political and gender tensions the message of Romans is deeply relevant and needed It is a message both powerful and simple Christ loved us while we were enemies of God Can we then not follow his example and love those who are different than us Romans will prepare us to do so The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible Twin Cultures Separated by Centuries Andrew B. Spurgeon,2016-08-14 Andrew B Spurgeon works directly from the Greek text of 1 Corinthians in a study of reverse contextualisation highlighting the commonalities between the contexts of Corinthian and Indian cultures and applying the epistle's principles to Indian Christians today In this unique commentary Spurgeon first presents Indian similarities to those in Corinth moves on to biblical principles the Apostle Paul raises for the Corinthian

church's attention especially where culture was in conflict with biblical standards and finally reapplies these principles to the context of life in twenty first century India This is an excellent resource for anyone wishing to study 1 Corinthians showing that God's Word is not only true but is just as relevant centuries later as when it was written

Deficiencies in the Justification of the Ungodly Manuel (Manny) Alaniz, 2013-07-15 In recent years the traditional reformed view of imputed righteousness has come under heavy scrutiny and disagreement resulting in an injection of theological fervor centering on the writings of the Apostle Paul The primary source of much of the disagreement comes from a theological movement called the New Perspective on Paul NPP The NPP movement has come to the forefront of New Testament theological scholarship resulting in a continuing debate on the Pauline writings The debate centers on the exegetical interpretation of these writings To state this more clearly the debate involves the reinterpretation of Paul's corpus of work found in Holy Scripture based on a new or different perspective The NPP encompasses a multifaceted theological rubric which questions the traditional interpretation of the Pauline writings including the doctrine of imputed righteousness Currently one of the foremost advocates for the NPP is N T Wright Wright an evangelical New Testament scholar strongly criticizes the traditional interpretation of the doctrine of imputed righteousness This book takes a critical look at Wright's view of the doctrine of imputed righteousness and identifies some deficiencies from a traditional reformed perspective

The Fight for Female Lisa Bevere, 2024-08-20 The very idea of womanhood is being assailed on all fronts sexualized by our culture eliminated from language and silenced by the church For decades both sexes have been systematically undermined and stripped of their strength Male and female were originally created as a power union but that turned into a power struggle For years women listened to the lie that to be powerful they needed to act like men Now the tables have turned with men acting like women This attack is more than cultural it is spiritual Revelation 12:17 portrays a dragon enraged with women who has declared war on our children Our enemy terrified of what and whom we were made to reflect seeks to blur the lines distorting the very idea of what it means for women to bear God's divine image We were made for this fight It will require honest intimate conversations to emerge with God inspired answers equal to the challenges of our day Our marriages children churches communities and futures depend on it It's time to unite confident in our divine identity clear in our commission and courageous in our calling to confront the darkness with love and light It's time to fight for female
