"In the Light of Likeness-transformed" Dana A. Williams, 2005 In the Light of Likeness transformed by Dana A Williams looks critically at the work of contemporary African American author Leon Forrest Not only does she bring to the critical table a well known but as yet understudied modernist author an important endeavor in and of itself but she also explores Forrest s novels cultural dialogue with black ethnic culture and other African American authors as well as provides in depth readings of his prose and interpretations of his narrative style Forrest s highly experimental narrative style his reinterpretation of modernism and his transformations of black cultural traditions into literary aesthetics often pose challenges of interpretation for the reader and the scholar alike As the first single authored book length study of Forrest s

novel this book offers readers pathways into his fiction What this culturalist approach to the novels reveals is that Forrest's fiction was foremost concerned with investigating ways for the African American to survive in the contemporary moment Through a variety of characters the novels reveal the African American's art of transformation the ability to find ways to make the wretchedness of the past work in positive ways

Murdered by Capitalism John Ross, 2009-04-28 A San Francisco Chronicle Best Book of 2004 After spilling bourbon on Schnaubelt's grave its pugnacious and very dead occupant becomes Ross's mentor sidekick and boozing companion through this epic telling of the hallucinatory carnal and ornery histories of the American Left and John Ross's own remarkable life Schnaubelt navigates us through his seemingly boundless revolutionary battleground uttering cries of subversion from within the grave while trying to remain out of earshot from the FBI snoop and local supermarket tycoon buried nearby Ross's own story hobo revolutionist junkie poet and journalist is a contrapuntal to Schnaubelt's Ross never takes himself too seriously yet his most remarkable trait is the honesty with which he approaches life even while trying to deconstruct his own faults personal tragedies including the death of his one month old son and imperfections His pursuit of revolutionary politics and poetics is the constant often spent with his muse

Revolutionary Mexico Ross concludes with a trip to Baghdad as a human shield before the Anglo American invasion ready to sacrifice his life as part of his perpetual struggle for justice Award winning writer John Ross's memoir is inspired from a tumbledown tombstone in California The headstone reads E B Schnaubelt 1855 1913 Murdered by Capitalism

Elementary School Library Collection, Phases 1-2-3 ,1998 *C. L. R. James and Creolization* Nicole King,2011-01-01 C L R James 1901 1989 one of the most important intellectuals of the twentieth century expressed his postcolonial and socialist philosophies in fiction speeches essays and book length scholarly discourses However the majority of academic attention given to James keeps the diverse mediums of James s writing separate focuses on his work as a political theorist and subordinates his role as a fiction writer This book however seeks to change such an approach to studying James Defining creolization as a process by which European African Amerindian Asian and American cultures are amalgamated to form new hybrid identities and cultures Nicole King uses this process as a means to understanding James s work and life She argues that throughout his career whether writing a short story or a political history James articulated his attempt to produce revolutionary radical discourses with a consistent methodology James a Trinidad born scholar who migrated to England and then to the United States and who described himself both as a black radical and a Victorian intellectual serves as a definitive model of creolization King argues that James s writings also fit the model of creolization for each is influenced by diverse types of discourses James rarely wrote from within the confines of a single discipline instead choosing to make the layers of history literature philosophy and political theory coalesce in order to make his point As his West Indian and Western European influences converge in his work and life he creates texts that are difficult to confine to a specific category or discipline No matter which writerly medium he uses James was preoccupied with how to represent the individual personality and at the same time represent the community The C L R James that emerges from King s study is a man made more compelling and more human because of his complicated multilayered and sometimes contradictory allegiances *Flakes of Dark and Light* Roy Holland,2001-02-28 The title *Flakes of Dark and Light* is evocative of the sharp flakes of insight and colour which characterise these tales The tales in the first part mostly depict an African setting and in fact are more recent often suggesting the climate of change and violence that has gripped southern Africa in the last two decades The stories in the second part were inspired by a more English tradition and in fact capture the climate of change that brooded over life during the Thirties and the war years A contemporary of Ted Hughes and with many of his stories set in the depressed sometimes seedy England of the Thirties and Forties which Graham Greene depicted in his early novels its not surprising that Roy Hollands images and sentences are like flakes that cut like broken glass A true artist he does not take sides but holds up a mirror to show life as it is or was whether in a pre war England or an Africa ravaged by drought and violence His tales are snapshots truthful sometimes startling of two quite distinct cultures However disparate they may seem one is invariably aware of an underlying tenderness and sympathetic vision in the portrayal of character regardless of race or background that binds them together
