

Paula Und Otto Modersohn

John O'Meara

Paula Und Otto Modersohn:

Paula und Otto Modersohn Marina Bohlmann-Modersohn, 1999 *Paula Modersohn-Becker, the Letters and Journals* Paula Modersohn-Becker, 1998 Recognized today as one of the great modernist painters Paula Modersohn Becker was also a gifted writer and her large body of letters and journals represent the story of her life This volume presents the journals and every extant letter each carefully annotated *The Mirror and the Palette* Jennifer Higgie, 2021-10-05 A dazzlingly original and ambitious book on the history of female self portraiture by one of today's most well respected art critics Her story weaves in and out of time and place She's Frida Kahlo Lo's Mailou Jones and Amrita Sher Gil en route to Mexico City Paris or Bombay She's Suzanne Valadon and Gwen John craving city lights the sea and solitude she's Artemisia Gentileschi striding through the streets of Naples and Paula Modersohn Becker in Worpswede She's haunting museums in her paint stained dress scrutinising how El Greco or Titian or Van Dyck or Cezanne solved the problems that she too is facing She's railing against her corsets her chaperones her husband and her brothers she's hammering on doors dreaming in her bedroom working day and night in her studio Despite the immense hurdles that have been placed in her way she sits at her easel picks up a mirror and paints a self portrait because as a subject she is always available Until the twentieth century art history was in the main written by white men who tended to write about other white men The idea that women in the West have always made art was rarely cited as a possibility Yet they have and of course continue to do so often against tremendous odds from laws and religion to the pressures of family and public disapproval In *The Mirror and the Palette* Jennifer Higgie introduces us to a cross section of women artists who embody the fact that there is more than one way to understand our planet more than one way to live in it and more than one way to make art about it Spanning 500 years biography and cultural history intertwine in a narrative packed with tales of rebellion adventure revolution travel and tragedy enacted by women who turned their back on convention and lived lives of great resilience creativity and bravery *Feminism And Art History* Norma Broude, 2018-02-23 A long needed corrective and alternative view of Western art history these seventeen essays by respected scholars are arranged chronologically and cover every major period from the ancient Egyptian to the present While several of the essays deal with major women artists the book is essentially about Western art history and the extent to which it has been distorted in every period by sexual bias With 306 illustrations **Expressionism** Dietmar Elger, 2002 *Women Artists in Expressionism* Shulamith Behr, 2022-11-15 A beautifully illustrated examination of the women artists whose inspired search for artistic integrity and equality influenced Expressionist avant garde culture Women Artists in Expressionism explores how women negotiated the competitive world of modern art during the late Wilhelmine and early Weimar periods in Germany Their stories challenge predominantly male oriented narratives of Expressionism and shed light on the divergent artistic responses of women to the dramatic events of the early twentieth century Shulamith Behr shows how the posthumous critical reception of Paula Modersohn Becker cast her as a prime agent of the feminization of the

movement and how K the Kollwitz used printmaking as a vehicle for technical innovation and sociopolitical commentary She looks at the dynamic relationship between Marianne Werefkin and Gabriele M nter whose different paths in life led them to the Blaue Reiter a group of Expressionist artists that included Wassily Kandinsky and Paul Klee Behr examines Nell Walden s role as an influential art dealer collector and artist who promoted women Expressionists during the First World War and discusses how Dutch artist Jacoba van Heemskerck s spiritual abstraction earned her the status of an honorary German Expressionist She demonstrates how figures such as Rosa Schapire and Johanna Ey contributed to the development of the movement as spectators critics and collectors of male avant gardism Richly illustrated Women Artists in Expressionism is a women centered history that reveals the importance of emancipative ideals to the shaping of modernity and the avant garde

Fragile Families Joachim Eibach,2023-10-24 In the era of bourgeois modernity 1750 1900 the family is as valued as it is vulnerable It constitutes a community of care conflict and emotion Time and again it is evoked as a bond of love as well as a moral institution Yet both love and morality are fragile A more detailed exploration reveals that domestic life during this period was much more colorful open and dynamic and also more prone to crisis than one might expect given the vaunted view of the family that characterized the heyday of the bourgeoisie This book rewrites the history of the modern family Self narratives primarily diaries written by members of eight families from Germany Switzerland and Austria serve as sources for this research The focus extends far beyond the bourgeoisie With a micro historical eye the author reconstructs family histories from the peasant milieu to the patrician elite from the parsonage to the educated bourgeoisie he considers the domestic life of a journeyman craftsman a couple s descent from the ranks of the petite bourgeoisie the effects of an itinerant childhood among the proletariat and the strain of being caught between a bourgeois family and artistic individuality Many of these aspects point beyond bourgeois modernity to the family in our time

Freeman's: Home John Freeman,2017-04-04 A superb anthology on the theme of sanctuary with original work by Viet Thanh Nguyen Edwidge Danticat Aleksandar Hemon and more Kirkus Reviews The third literary anthology in the series that has been called ambitious O Magazine and strikingly international Boston Globe Freeman s Home continues to push boundaries in diversity and scope with stunning new pieces from emerging writers and literary luminaries alike including in this edition Leila Aboulela Barry Lopez Amira Hass Emily Raboteau Kjell Askildsen and many others This edition of Freeman s manages to do what the world off the page cannot provide a place where diversity can safely reside A sanctuary for stories Home is often the stories of others Let these poems shorts and stories guide you to what is your home Literary Hub

Art and architecture of the early 20th century

Dorothea Eimert,2024-11-12 The beginning of the twentieth century was a period marked by intense aesthetic and ideological research Caught up in the chaos of historical world conflicts artists went beyond the simple role of witnesses to become true players in the unstable atmosphere Well aware of their influence painters sculptors and architects each with their own media attempted to inform the public about contemporary issues or solve problems caused by cultures advancing

at a rapid assembly line speed Picasso's masterpiece Guernica remains to this day the ultimate symbol of pacifistic revolts. Lavishly illustrated, this book will help the reader understand the period when artists adjusted to the accelerating pace of their world by creating works of timeless modernity. *Rilke in the Making: A Comprehensive Study of His Life and Work from 1897 to 1926, in Three Volumes* John O'Meara, 2023-09-02. In part through critical biography, in part through a close reading of almost all of the poems Rilke wrote, including many poems from his Diaries, this large book challenges new ideas about what went into the making of Rilke over twenty years of production from his early beginnings under the tutelage of Lou Salom right through to his famous final works, the Sonnets to Orpheus and the Duino Elegies. Volume 1 focuses largely on The Book of Hours; Volume 2 on The Book of Images, the two parts of New Poems; The Notebooks of Malte Laurids Brigge and the first Elegies written while at Duino; Volume 3 on those all-crucial self-transforming ten years beyond Duino that lead up to the Sonnets to Orpheus and Rilke's eventual completion of the Elegies. Two major theses are put forward in this book: the first, touching on Rilke's well-known relationship to his former lover and mentor Lou Salom, who is understood to have been a far more problematic influence on him than we had supposed; the second, touching on an equally crucial and at some point saving influence on Rilke from the literary sphere, which is shown to be that of the great visionary poet who went by the name of Novalis. Behind the grand story of Rilke's poetic emergence lies the fundamental and long-standing reality of his repression by Lou and what that would sow paradoxically by way of a sublimated achievement as sublimely poignant as it is finally tragic.

JOHN O'MEARA received his PhD from the University of East Anglia in 1986. He taught for many years at the University of Toronto and the University of Ottawa. He is the author of *The Way of Novalis* and *Remembering Shakespeare*. Visit the author's website at johnomeara.squarespace.com.

Painting and Sculpture in Europe, 1880-1940 George Heard Hamilton, 1993-01-01. This new edition of a book that offers the best available grounding in its huge subject, as the Sunday Times called it, includes color plates and a revised and expanded bibliography. Professor Hamilton traces the origins and growth of modern art, assessing the intrinsic qualities of individual works and describing the social forces in play. The result is an authoritative guide through the forest of artistic labels: Impressionism and Expressionism, Symbolism, Cubism, Constructivism, Surrealism, etc., and to the achievements of Degas and Cézanne, Ensor and Munch, Matisse and Kandinsky, Picasso, Braque, and Epstein, Mondrian, Dalí, Modigliani, Utrillo, and Chagall, Klee, Henry Moore, and many other artists in a revolutionary age.

Life of a Poet Ralph Freedman, 1998. In this outstanding biography, Ralph Freedman traces Rilke's extraordinary career by combining detailed accounts of salient episodes from the poet's restless life with an intimate reading of the verse and prose that refract them.

Broad Strokes Bridget Quinn, 2017-03-07. Historically, major women artists have been excluded from the mainstream art canon. Aligned with the resurgence of feminism in pop culture, *Broad Strokes* offers an entertaining corrective to that omission. Art historian Bridget Quinn delves into the lives and careers of 15 female artists from around the globe in text that's smart, feisty, educational, and an enjoyable read. Replete with beautiful reproductions of

the artists works and contemporary portraits of each artist by renowned illustrator Lisa Congdon this is art history from the Renaissance to Abstract Expressionism for the modern art lover reader and feminist *The Oxford Encyclopedia of Women in World History* Bonnie G. Smith,2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike Rainer Maria Rilke ,1900 **The Visual Arts in Germany, 1890-1937** Shearer West,2000 This work provides an introduction to the visual arts in Germany from the early years of German unification to World War II The study is an analysis of painting sculpture graphic art design film and photography in relation to a wider set of cultural and social issues that were specific to German modernism It concentrates on the ways in which the production and reception of art interacted with and was affected by responses to unification conflict between left and right political factions gender concerns contemporary philosophical and religious ideas the growth of cities and the increasing important of mass culture

Abstract Expressionism and Other Modern Works Metropolitan Museum of Art (New York, N.Y.),2007 An exhibition organized by the Metropolitan Museum of Art of the Muriel Kallis Steinberg Newman Collection which comprises sixty three modern paintings sculptures and works on paper by fifty artists The Abstract Expressionist paintings that form the heart of this collection were nearly all created in New York City **Localism, Landscape, and the Ambiguities of Place** Coolidge Professor of History and Director of Graduate Studies in History David Blackbourn,David Blackbourn,James N. Retallack,University of Toronto Press,2007-01-01 What makes a person call a particular place home Does it follow simply from being born there Is it the result of a language shared with neighbours or attachment to a familiar landscape Perhaps it is a piece of music or a painting or even a travelogue that captures the essence of home And what about the sense of

belonging that inspires nationalist or local autonomy movements Each of these can be a marker of identity but all are ambiguous Where you were born has a different meaning if like so many modern Germans you have moved on and now live elsewhere Representing the national interest in parliament becomes more difficult when voters demand attention to local and regional issues or when ethnic tensions erupt In all these situations the landscape of home takes on a more elusive meaning Localism Landscape and the Ambiguities of Place is about the German nation state and the German speaking lands beyond it from the 1860s to the 1930s The authors explore a wide range of subjects music and art elections and political festivities local landscape and nature conservation tourism and language struggles in the family and the school Yet they share an interest in the ambiguities of German identity in an age of extraordinarily rapid socio economic change These essays do not assume the primacy of national allegiance Instead by using the sense of place as a prism to look at German identity in new ways they examine a sense of Germanness that was neither self evident nor unchanging

Later Poems: Selected and New: 1971-2012 Adrienne Rich, 2012-11-05 The final volume of poems by America's most powerful and distinctive poetic voice Later Poems Selected and New brings together a remarkable body of work by the celebrated poet Included are Adrienne Rich's own selections from twelve volumes of published works including the National Book Award winning *Diving into the Wreck* *An Atlas of the Difficult World* and her final volume *Tonight No Poetry Will Serve* along with ten powerful new poems previously uncollected This collection testifies to a monumental career that distinguished American literature in the late twentieth century and will continue to inspire readers for years to come

Young Rilke and His Time George C. Schoolfield, 2009 A look at neglected aspects of the early career of one of the premier poets of the German language

Paula Und Otto Modersohn Introduction

In today's digital age, the availability of Paula Und Otto Modersohn books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Paula Und Otto Modersohn books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Paula Und Otto Modersohn books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Paula Und Otto Modersohn versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Paula Und Otto Modersohn books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Paula Und Otto Modersohn books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Paula Und Otto Modersohn books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions

have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Paula Und Otto Modersohn books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Paula Und Otto Modersohn books and manuals for download and embark on your journey of knowledge?

FAQs About Paula Und Otto Modersohn Books

1. Where can I buy Paula Und Otto Modersohn books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Paula Und Otto Modersohn book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
