Paulas Story:

What Happened to Paula Katherine Dykstra, 2021-06-15 A People Best Book of Summer A New York Times Most Anticipated Book of the Summer A riveting investigation into a cold case asks how much control women have over their bodies and the direction of their lives July 1970 Eighteen year old Paula Oberbroeckling left her house in Cedar Rapids Iowa Four months later her remains were discovered just beyond the mouth of a culvert overlooking the Cedar River Her homicide has never been solved Fifty years cold Paula s case had been mostly forgotten when journalist Katherine Dykstra began looking for answers A woman was dead Why had no one been held responsible How could the powers that be how could a community have given up Tracing Paula s final days Dykstra uncovers a girl whose exultant personality was at odds with the Midwest norms of the late 1960s A girl who was caught between independence and youthful naivete between a love that defied racially segregated Cedar Rapids and her complicated but enduring love for her mother and between a possible pregnancy and the freedoms that had been promised by the women s liberation movement but that still had little practical bearing on actual lives The more Dykstra learned about the circumstances of Paula s life the more parallels she saw in the lives of the women who knew Paula and the women in Paula s family in the lives of the women in Dykstra s own family and even in her own life Captivating and expertly crafted from interviews with Paula s family and friends police reports and on the scene investigation *What Happened to Paula* is part true crime story part memoir a timely and powerful look at gender autonomy and the cost of being a woman

Movie-Made Jews Helene Meyers, 2021-09-17 *Movie Made Jews* focuses on American Jewish cinematic tradition This tradition includes fiction and documentary films that make Jews through antisemitism Holocaust indirection and discontent with assimilation and through unapologetic assertion of Jewishness queerness and alliances across race and religion While it s a truism that Jews make movies this book demonstrates how movies make Jews

Stories and Portraits of the Self, 2007-01-01 In contemporary societies privatization has long ceased to be just an economic concept rather it must increasingly be made to refer to the ongoing shrinking of the public space under the impact of the representation of individual lives and images which cuts across all discourses genres and media to become one of the primary means of production of culture This volume is intended to cover such an historical social and intellectual ground where self representation comes to the fore Targeting mostly an academic readership but certainly also of interest to the general educated public it collects a wide range of essays dealing with diverse modes of life writing and portraying from a variety of perspectives and focusing on different historical periods and media It thus offers

itself as a major contribution to a better understanding of the world we live in its past legacy and present configuration

Paula Spencer Roddy Doyle, 2007-12-18 An extraordinary story about an ordinary life People Brilliant The New Yorker Meet the eponymous and iconic Irishwoman Paula Spencer in this intimate exploration of recovery and motherhood by Roddy Doyle Booker Prize winning author of *The Women Behind the Door* It's been four months and five days since Paula Spencer last had a drink she's counted It's been ten years since her husband Charlo died she's counted that too She's tried to quit before but this time it will stick she's sure of it As Paula relearns how to be herself again she must also relearn how to be a mother to Nicola already an adult who still checks Paula's pantry for bottles every time she visits to John Paul who has built an entire life without Paula in it to Leanne who seems to be headed down the same path of self destruction Paula just left and to Jack the baby the only one she's managed to do right by so far Things in Ireland are changing and Paula is doing everything she can to change too Told with the unmistakable wit of Doyle's unique voice Paula's dogged struggle for sobriety is a redemptive tale of a brave and tenacious woman as real as realism gets Atlanta Journal Constitution If you met Paula in *The Woman Who Walked Into Doors* you'll be eager to see where she is ten years on if you haven't yet you'll feel lucky to connect with her in this book and its successor *The Women Behind the Door* *Three Native American Learning Stories*

Paula Underwood, 2002-03 Native American learning stories designed to enable learning Wolf deals with human impact on the earth Winter White deals with planning for the future Many Circles deals with living together in peace **Paula Deen**

Paula Deen, 2007-04-04 Do you know the real Paula Deen You may think you know the butter loving finger licking joke cracking queen of melt in your mouth Southern cuisine You may have even visited The Lady a buzzing high school social life of sleepovers parties cheerleading and boys and a difficult marriage The death of her beloved parents precipitated a debilitating agoraphobia that crippled her for years But even when the going got tough Paula never lost the good grace and sense of humor that would eventually help carry her to success and stardom Of course you can't get by on charm alone as Paula has learned you need plenty of willpower hard work and above all the love and support of family and friends to finance sustain and run a successful restaurant In each chapter Paula shares new recipes there's serious comfort food like her momma's Chocolate Dippy Doughnuts Courage Chili for when you know life's going to get tough Sexy Oxtails for seducing that special someone and the recipe for her new mother in law's Banana Nut Delight Cake that Paula finally got just right And you'll love the never before seen photos of her family In this memoir Paula Deen speaks as frankly and intimately as few women in the public eye have ever dared Whether she's telling tales of good times or bad her story is proof that the old fashioned American dream is alive and kicking and there still is such a thing as a real life happy ending *Paula Wants to be Free* David E. Golden, 2021-09-07 This could be a love story of the author and an interesting and remarkable woman who wants to be free to do what she wants to do However there is more Fear of dying is hard for a little girl being her father's runner at 6 and 7 as he was smuggling people out of concentrations camps and they were surviving the war As a runner she

had to remember 20 or more names and addresses without any notes That usually leaves marks but for Paula after going through all that and more she still wanted to be free to do what she wanted to do and nothing could stop her from going on to succeed and become a leader for positive change Paula not yet seven became her father s runner when he was in the resistance against the German Nazis during WWII to contact people and have them come to meetings for things he needed to share with them Paula as a child was able to see the humanity in everyone and therefore she was able to forgive even someone who might want to harm her Paula as a physicist wrote the most cited paper in science in a ten year period After that she was fired as a physicist for having a baby and refusing to have an abortion in her seventh month that was required by the head of her research division to keep her job She changed her course to become a psychologist to help men and women understand that everyone should be equal As a psychologist after she wrote her PhD dissertation she wrote a paper Female Sexual Arousal and the Menstrual Cycle in 1985 That paper has been cited over twenty one thousand times from 1987 to 2020 and it still receives many citations per month She still wants to be free to do what she wants to do She has given hundreds of talks and workshops about men s and women s sex role differences men s and women s sick leave differences prevention addiction and she created Say It Straight Training and has taught this in the United States Canada Mexico Costa Rica Malta Egypt Israel the Czech Republic the Slovak Republic France Holland Norway and Hong Kong as well as on Army and Airforce bases in the United States and abroad in Germany Guam and South Korea As time went on she got her husband to work with her more and more By the nineties he was working with her a lot and they also have fourteen master Say It Straight trainers In 2014 Paula told her husband she wanted to stop traveling and he and the master trainers can do the training They currently live together in Austin Texas A Leader's Guide to The Struggle to Be Strong Sybil Wolin,Al Desetta,Keith Hefner,2020-10-21 Activities exercises and questions invite teens to go deeper into the stories and issues of the updated edition of The Struggle to Be Strong Designed for use with the anthology The Struggle to Be Strong this leader s guide explains how to use the stories in the student book to build teens resiliency Activities exercises role plays and questions about the issues in The Struggle to Be Strong help students go deeper into the stories reflect on them relate them to their lives recognize their own potential for resilience and start building resilience skills Introductory materials offer guidelines for group leadership and provide leaders with more information about the seven resiliencies insight independence relationships initiative creativity humor morality Francisco de Paula Brito Rodrigo Camargo de Godoi,2020-12-15 Francisco de Paula Brito is a biography of a merchant printer bookseller and publisher who lived in Rio de Janeiro from his birth in 1809 until his death in 1861 That period was key to the history of Brazil because it coincided with the relocation of the Portuguese Court from Lisbon to Rio de Janeiro 1808 the dawning of Brazilian Independence 1822 and the formation of the nation state the development of the press and of Brazilian literature the expansion and elimination of the trans Atlantic slave trade and the growth of Rio de Janeiro s population and the coffee economy Nevertheless although it covers five

generations of Paula Brito's family men and women who left slavery in the eighteenth century this book focuses on its protagonist's activities between the 1830s and 1850s During that period Francisco de Paula Brito became one of the central figures in the cultural and political scene in the Imperial capital particularly through his work as a publisher Paula Brito's success was due in part to his ability to forge solid alliances with the Empire's ruling elite among them leading politicians responsible for the unification of the vast Brazilian territory and for the maintenance of slavery and the illegal trafficking of Africans Consequently through the books and newspapers he published Francisco de Paula Brito became part of a much larger project

Queer Emergent Justin Perez, 2025-04-11 In *Queer Emergent* Justin Perez explores how advances in HIV prevention work alongside broader economic and political shifts in global health to shape queer subjectivities Drawing on ethnographic research among gay and transgender communities in urban Amazonian Peru Perez describes how queer social worlds emerge through scandalous storytelling a practice of exaggerating and embellishing stories about everyday life that transgresses social norms and hierarchies Perez shows that through such storytelling gay and transgender communities contested the assumptions of global HIV prevention's shift from the provision of costly antiretrovirals to the mitigation of social conditions like discrimination and stigma He argues that the global ambition to End AIDS by 2030 is not just a technical project oriented at ending the epidemic but also a project of sexual subjectification and ongoing social transformation By taking seriously the scandalous stories that gay and transgender Peruvians circulated as they responded to new forms of HIV prevention Perez reveals how they imagine possibilities of what could be as the effort to end AIDS continues to play out in the present

The Meeting H.B. Schwartzman, 1989-05-31 In writing this book I discovered that everyone I talked to had his or her own theory about meetings and yet there is no theory of meetings in the research literature This makes writing about this subject both exciting and hazardous It is always exciting to examine the significance of something that has been ignored but it is hazardous to write about something that everyone already thinks they understand Without recourse to the legitimacy of a research tradition readers are likely to evaluate this study based on their own theory I have tried to take this into account by discussing what might be referred to as American folk theory about meetings see particularly Chapter 3 and also by juxtaposing my own research in an American organization with research in traditional or non Western societies as conducted by anthropologists This juxtaposition throws into relief

some of the important differences as well as similarities in views of meetings as well as the form of meetings across cultures. It is also the only way that I know to examine how and when one's cultural context is affecting one's theoretical constructions. If this book is successful, it will challenge what I believe is the most common interpretation of meetings found in American society: that meetings are a blank slate phenomenon useful as a tool for such functions as making decisions, solving problems, and resolving conflicts but having no impact on behavior in and of themselves.

Bookclub-in-a-Box Discusses The Paris Wife, by Paula McLain Marilyn Herbert, Samantha Bailey, 2012-02-21 Ernest Hemingway was an iconic writer of the 20th century who gave modern literature a unique shape and form. Papa Hemingway was larger than life and created his own personal and professional mythical status. He was so powerful and energetic that he overshadowed the people around him. Paula McLain reaches behind the shadow to bring us an intimate portrait of Hadley Richardson, Hemingway's first wife. Hadley, a lovely and talented young woman in her own right, met Hemingway soon after her mother died and was swept off her feet by this handsome, energetic, and passionate young man who was eight years her junior. They married and headed to Paris, where they mingled with the likes of Gertrude Stein, Ezra Pound, F. Scott, and Zelda Fitzgerald, and a host of other famous and about-to-be famous writers, poets, and artists. McLain draws a superb portrait of the Hemingways' magical time traipsing around Europe with their friends. She poignantly demonstrates how their enchanted relationship systematically falls apart. While *The Paris Wife* treats us to a glimpse of the hidden Hemingway, the man he was before he became the master writer of the century, the more important part of his story is Hadley. *The Paris Wife* Bookclub in a Box has created a comprehensive guide to Paula McLain's novel *The Paris Wife* and includes reflections on the personality and perceptions of Hadley Richardson and Ernest Hemingway, Hadley's influence on her husband, Hemingway's progress in breaking into the literary world, and the high life and exciting times of Paris in the 1920s. Every Bookclub in a Box discussion guide includes complete coverage of the themes, symbols, writing style, and interesting background information on the novel and the author.

Paula, Michael and Bob Gerry Agar, 2014-04-25 Here are the facts divulged in painful and deeply moving detail and told with an intimacy that could only be disclosed by one caught in the centre of the storm.

The Theatre of Paula Vogel Lee Brewer Jones, 2023-06-15 In this volume, Lee Brewer Jones examines Paula Vogel as both a playwright and renowned teacher, analyzing texts and early reviews of Vogel's major plays, including *Indecent*, *Desdemona*, *How I Learned to Drive*, and *The Baltimore Waltz*, before turning attention to her influence upon other major American playwrights, including Sarah Ruhl, Lynn Nottage, and Quiara Alegría Hudes. Chapters explore Vogel's plays in chronological order, consider her early influences, and offer detailed accounts of her work in performance. Enriched by an interview with Lynn Nottage and essays from scholars Ana Fernández Caparrós and Amy Muse, this is a vibrant exploration of Paula Vogel as a major American playwright. By the time Paula Vogel made her Broadway debut with her 2017 Rebecca Taichman collaboration *Indecent*, she was already an accomplished playwright with a Pulitzer Prize for *How I Learned to Drive* (1998) and two Obie Awards. She had

also enjoyed a brilliant career as a professor at Brown and Yale with students such as Sarah Ruhl a MacArthur Genius Grant winner Pulitzer Prize winners Nilo Cruz Quiara Alegria Hudes and the only woman to win two Pulitzers for Drama Lynn Nottage Vogel's theatre draws upon Russian Formalist Viktor Shklovsky and uses devices such as defamiliarization and negative empathy to challenge conventional definitions of protagonists and antagonists **Paula the Lighthouse Years**

Suzan K. Heglin, 2006 In the 1930s lighthouse keeping was dangerous and mundane a way of life and isolation from life Estonia was thriving and backward unique and powerless Women were submissive and yet the impetus for all things And marriage was mandatory But romantic love was the sweetest and most unlikely twist of fate Paula is a woman I knew in my childhood She was an Estonian immigrant She was a mail order bride Her husband was an Estonian American a lighthouse keeper a wife beater and maybe a pedophile Paula an educated woman in Estonia came to this country not knowing the language or culture and was kept a virtual prisoner for more than a decade at a string of lighthouses on the rugged Alaskan coast Paula was a woman whose life while dictated by tradition was full of excitement and adventure and characterized by passion and courage And while at times there seems no end to the misery she endured a love story unfolds Come along on this true journey inside real lighthouse living and one woman's life **Performing the Literary Interview** John

Rodden, 2001-01-01 When authors are interviewed about their books or themselves much more is going on than a simple conversation The interview becomes a performance space for authorial orchestration and self promotion and interviewers in turn respond to such self display and theatrics Featuring absorbing conversations with nine well known authors including poets Richard Howard and Gerald Stern novelist Isabel Allende and scholar intellectual Camille Paglia Performing the Literary Interview is the first in depth look at this type of performance art Interviews with poets fiction writers and intellectuals enable John Rodden to identify a range of rhetorical strategies and their effects and to formulate a typology for appreciating the various roles that interviewers and interviewees assume Traditionalists foreground their work rather than themselves raconteurs are storytellers who skillfully spin anecdotes and creatively showcase their personalities and advertisers more explicitly use the literary interview to promote and sell themselves This pioneering persuasive study stakes a claim to a new area of scholarly inquiry in the humanities The literary interview can no longer be considered only as a voyeuristic window on an author or a celebrity vehicle or even an entertaining diversion but should also be approached as a serious genre meriting scholarly attention and analysis Re-imagining Professional Experience in Initial Teacher Education

Ange Fitzgerald, Graham Parr, Judy Williams, 2018-07-05 This book takes a fresh look at professional experience in initial teacher education in Australia Using collaborative narrative methodologies the authors critically explore the ways in which one faculty of education engages with schools industry the teaching profession and government policy to deliver an innovative professional experience program It includes chapters offering new perspectives on more traditional practicums in schools as well as those reporting on exciting partnership initiatives where pre service teachers teacher educators and

practitioners work together to teach and learn in new and mutually beneficial ways There is a particular focus on the professional learning of all stakeholders from across the professional experience program The book allows readers to gain a new understanding of the experiences and learning opportunities available to all stakeholders when a professional experience program makes a priority of boundary work relational work and identity work With the critical and creative power of narrative to convey what other research methodologies cannot it shows how one institution has developed a variety of innovative approaches and structures in response to on going debates on quality in teacher education the role of educational partnerships in teacher preparation and the personal and professional insights gained from such opportunities
