struggling through the depths of the Great Depression and his rise to greatness with masterpieces such as *The Red Pony* *Of Mice and Men* and *The Grapes of Wrath* Angered by the plight of the Dust Bowl migrants who were starving even as they toiled to harvest California's limitless bounty fascinated by the guileless decency of the downtrodden denizens of Cannery Row and appalled by the country's refusal to recognize the humanity common to all of its citizens Steinbeck took a stand against social injustice paradoxically given his inherent misanthropy setting him apart from the writers of the so called lost generation A man by turns quick tempered compassionate and ultimately brilliant Steinbeck could be a difficult person to like Obsessed with privacy he was mistrustful of people Next to writing his favorite things were drinking and womanizing and getting married which he did three times And while he claimed indifference about success his mid career books and movie deals made him a lot of money which passed through his hands as quickly as it came in And yet Steinbeck also took aim at the corrosiveness of power the perils of income inequality and the urgency of ecological collapse all of which drive public debate to this day Steinbeck remains our great social realist novelist the writer who gave the dispossessed and the disenfranchised a voice in American life and letters Eloquent nuanced and deeply researched *Mad at the World* captures the full measure of the man and his work [When Charlie Met Joan](#) Diane Kiesel, 2025 Exploring the lasting impacts of the Little Tramp's real life courtroom drama *Hughes The Private Diaries, Memos and Letters* Richard Hack, 2007 *Hermes Pan* John Franceschina, 2012-06-08 Armed with an eighth grade education an inexhaustible imagination and an innate talent for dancing Hermes Pan 1909-1990 was a boy from Tennessee who became the most prolific popular and memorable choreographer of the glory days of the Hollywood musical While he may be most well known for the Fred Astaire Ginger Rogers musicals which he choreographed at RKO film studios he also created dances at Twentieth Century Fox M G M Paramount and later for television winning both the Oscar and the Emmy for best choreography In *Hermes Pan The Man Who Danced with Fred Astaire* Pan emerges as a man in full an artist inseparable from his works He was a choreographer deeply interested in his dancers personalities and his dances became his way of embracing and understanding the outside world Though his time in a Trappist monastery proved to him that he was more suited to choreography than to life as a monk Pan remained a deeply devout Roman Catholic throughout his creative life a person firmly convinced of the powers of prayer While he was rarely to be seen without several beautiful women at his side it was no secret that Pan was homosexual and even had a life partner As Pan worked at the nexus of the cinema industry's creative circles during the golden age of the film musical this book traces not only Pan's personal life but also the history of the Hollywood musical itself It is a study of Pan who emerges here as a benevolent perfectionist and equally of the stars composers and directors with whom he worked from Astaire and Rogers to Betty Grable Rita Hayworth Elizabeth Taylor Sammy Davis Jr Frank Sinatra Bob Fosse George Gershwin Samuel Goldwyn and countless other luminaries of American popular entertainment Author John Franceschina bases his telling of Pan's life on extensive first hand research into Pan's unpublished correspondence and his own interviews

Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural

history and national memory Arthur Schlesinger Jr *Close-up on Sunset Boulevard* Sam Staggs,2003-02-04 Billy Wilder's

Sunset Boulevard a classic film noir and also a damning dissection of the Hollywood dream factory evokes the glamour and

ruin of the stars who subsist on that dream It's also one long in joke about the movie industry and those who made it great

and who were in turn destroyed by it One of the most critically admired films of the twentieth century Sunset Boulevard is

also famous as silent star Gloria Swanson's comeback picture Sam Staggs's Close Up On Sunset Boulevard tells the story of

this extravagant work from the writing casting and filming to the disastrous previews that made Paramount consider shelving

it It's about the writing team of Billy Wilder and Charles Brackett sardonically called the happiest couple in Hollywood and

their raucous professional relationship It's about the art direction and the sets the costumes the props the lights and the

cameras and the personalities who used those tools to create a cinematic work of art Staggs goes behind the scenes to reveal

William Holden endlessly attacked by his bitter wife and already drinking too much Nancy Olson the cheerful ingenue who

had never heard of the great Gloria Swanson the dark genius Erich von Stroheim the once famous but long forgotten

Waxworks and of course Swanson herself who just like Norma Desmond had once been the greatest star of them all But the

story of Sunset Boulevard doesn't end with the movie's success and acclaim at its release in 1950 There's much more and

Staggs layers this stylish book with fascinating detail following the actors and Wilder into their post Sunset careers and

revealing Gloria Swanson's never ending struggle to free herself from the clutches of Norma Desmond Close Up On Sunset

British Army's Household Cavalry enjoyed a half century career working alongside some of the great directors and stars from

the Golden Age of cinema He won the Academy Award for Best Actor for his performance as the alcoholic writer in *The Lost Weekend* 1945 a defining moment that enabled him to break free from romantic leads and explore darker shades of his debonair demeanor such as the veiled menace of his scheming husband in Hitchcock's *Dial M For Murder* 1954 A consummate professional with wide range Milland took the directorial reins in several of his starring vehicles in the 1950s most notably in the intelligent Western *A Man Alone* 1955 He comfortably slipped into most genres from romantic comedy to adventure to film noir Later he turned to science fiction and horror movies including two with cult filmmaker Roger Corman This first complete filmography covers the actor's screen career with a concise introductory biography and an appendix listing his extensive radio and television credits

with Max Reinhardt and F W Murnau his auspicious debut with *Siodmak* on their celebrated Weimar classic *People on Sunday* and the success of films like *Detour* and *Ruthless Ulmer* spent most of his career as an itinerant filmmaker earning modest paychecks for films that have either been overlooked or forgotten In this fascinating and well researched account of a career spent on the margins of Hollywood Noah Isenberg provides the little known details of Ulmer's personal life and a thorough analysis of his wide ranging eclectic films features aimed at minority audiences horror and sci fi flicks genre pictures made in the U S and abroad Isenberg shows that Ulmer's unconventional path was in many ways more typical than that of his more famous colleagues As he follows the twists and turns of Ulmer's fortunes Isenberg also conveys a new understanding of low budget filmmaking in the studio era and beyond
