## **Pauline Studies:**

*The Oxford Handbook of Pauline Studies* Matthew V. Novenson, R. Barry Matlock, 2022-03-10 The Oxford Handbook of Pauline Studies brings together a diverse international group of experts on the apostle Paul. It examines the authentic texts from his own hand, other ancient texts falsely attributed to him, the numerous early Christian legends about him, and the many meanings that have been and still are made of these texts to give a twenty-first-century snapshot of Pauline Studies. Divided into five key sections, the Handbook begins by examining Paul the person, a largely biographical sketching of the life of Paul himself to the limited extent that it is possible to do so. It moves on to explore Paul in context and Pauline Literature, looking in detail at the letters, manuscripts, and canons that constitute most of our extant evidence for the apostle. Part Four uses a number of classic motifs to describe what modern experts describe as Pauline Theology, and Part Five considers the many productive reading strategies with which recent interpreters have made meaning of the letters of Paul. It is demonstrated that reading Paul is not and never has been just one thing. It has always been a matter of the particular questions and interests that the reader brings to these very generative texts. The Oxford Handbook of Pauline Studies thoroughly surveys the state of Pauline studies today, paying particular attention to theory and method in interpretation. It considers traditional approaches alongside recent approaches to Paul, including gender, race, and ethnicity, and material culture. Brought together, the chapters are an ideal resource for teachers and students of Paul and his letters. Jewish and Pauline Studies William David Davies, 1984 The State of Pauline Studies Nijay K. Gupta, Erin M. Heim, Scot McKnight, 2024-08-20 In every generation the study of Paul evolves with new insights and questions. This enigmatic ancient figure continues to ignite interesting conversations and vigorous debates. Complementing the successful *The State of New Testament Studies*, this book surveys the current landscape of Pauline studies, offering readers a concise guide to contemporary discussions in Pauline scholarship. It brings together a diverse team of leading scholars, providing up-to-date expert analysis on important issues in Pauline studies, such as Christology, salvation, the Spirit, gender, and empire. In addition, each of the Pauline letters is examined in detail. This book will serve as an ideal supplemental textbook for Paul courses. Contributors include Ben Blackwell, Dennis Edwards, Timothy Gombis, John Goodrich, Nijay K. Gupta, Erin Heim, Chris Hoklotubbe, Joshua Jipp, Scot McKnight, Peter Oakes, B. J. Oropeza, Angela Parker, Kris Song, Jennifer Strawbridge, Sydney Tooth, Cynthia Long Westfall, and Kent Yinger. *Biblical Studies/Cultural Studies* J. Cheryl Exum, Stephen D. Moore, 1998-11-01 Based on an international colloquium held at the University of Sheffield, this collection represents the first book-length encounter between biblical studies and the proliferating and controversial field of cultural studies. A multidisciplinary team of contributors engage in a multifaceted examination of the Bible's place in culture, ancient and modern, high and low. Contributors include Alice Bach, Fiona Black, Athalya Brenner, Robert Carroll, David Clines, Margaret Davies, Philip Davies, Philip Esler, Cheryl Exum, Yael Feldman, Jennifer Glancy, Jan Willem van Henten, David Jasper, Francis Landy, Barry Matlock, Stephen Moore, Hugh Pyper, John Rogerson, Regina

Schwartz William Scott and Erich Zenger      **Paul, His Letters, and Acts ()** Thomas E. Phillips, 2010-01-01 Aside from Jesus the Apostle Paul had the greatest formative influence on the early Christian movement Yet who was this passionate missionary who carried the message of Christ throughout the Mediterranean world The New Testament writings give us not one but two portraits of Paul We read numerous details of Paul s life and relationships in the Book of Acts and we also find an additional set of details about Paul s activities in his letters Yet how consistent are these two portraits And which one gives us the most accurate picture of the historical Paul In this volume Thomas E Phillips examines the portrayals of Paul in recent biblical scholarship in the light of these two major NT portraits Believing the apostolic conference at Jerusalem to be a watershed event Phillips draws conclusions that help contemporary readers get a more accurate picture of Paul      *Paul and the Ancient Letter Form* Stanley E. Porter, Sean A. Adams, 2010 Throughout the last century there has been continuous study of Paul as a writer of letters Although this fact was acknowledged by previous generations of scholars it was during the twentieth century that the study of ancient letter writing practices came to the fore and began to be applied to the study of the letters of the New Testament This volume seeks to advance the discussion of Paul s relationship to Greek epistolary traditions by evaluating the nature of ancient letters as well as the individual letter components These features are evaluated alongside Paul s letters to better understand Paul s use and adaptations of these traditions in order to meet his communicative needs      *The Pauline Writings* Stanley E. Porter, Craig A. Evans, 2015-01-29 This volume collects the best articles on the Pauline writings from the first fifty issues of the Journal for the Study of the New Testament The range of the volume reflects the breadth of the journal itself Here the reader will find ground breaking studies which introduce new critical questions and move into fresh areas of enquiry surveys of the state of play in this particular topic of New Testament studies and articles which engage with each other in specific debates For students this book offers an invaluable critical introduction to Pauline studies More advanced students and scholars can use it to find background material or to gain an overview of the research in this area of scholarship This builds on the reputation of JSNT as a conduit for first class research and a major influence within the scholarly community      The State of Pauline Studies Nijay K. Heim, Scot McKnight, 2024-08-20 In every generation the study of Paul evolves with new insights and questions This enigmatic ancient figure continues to ignite interesting conversations and vigorous debates Complementing the successful The State of New Testament Studies this book surveys the current landscape of Pauline studies offering readers a concise guide to contemporary discussions in Pauline scholarship It brings together a diverse team of leading scholars providing up to date expert analysis on important issues in Pauline studies such as Christology salvation the Spirit gender and empire In addition each of the Pauline letters is examined in detail This book will serve as an ideal supplemental textbook for Paul courses Contributors include Ben Blackwell Dennis Edwards Timothy Gombis John Goodrich Nijay K Gupta Erin Heim Chris Hoklotubbe Joshua Jipp Scot McKnight Peter Oakes B J Oropeza Angela Parker Kris Song Jennifer Strawbridge Sydney Tooth

Cynthia Long Westfall and Kent Yinger      **Paul, the Pastoral Epistles, and the Early Church ()** James W.

Aageson,2007-10-01 Paul's influence on the history of Christian life and theology is as profound as it is pervasive. A brief survey of almost twenty centuries of Christian thought and practice will confirm the enduring importance of Paul for the life of the church in the Roman and Protestant traditions of the West as well as the Orthodox traditions of the East. Even as Christianity at the dawn of its third millennium has become increasingly global and traditions have come to develop and intersect in new and complex ways, Paul's place in the story of Christianity remains deeply rooted in the church's theology, worship, and pastoral life. In both past and present, Paul's influence on the Christian church can hardly be overestimated. Among the many intriguing issues generated by the historical Paul, his New Testament letters, and early church history is the question: what happened to Paul after Paul? Whether we think in terms of the reception of Paul's theology or the ongoing legacy of Paul or early Christian reinterpretation of his letters, the questions persist: what did the early church do with Paul's memory? How did it reshape his theology? And what role did his letters come to play in the life of the church? The focus of the present discussion is in the early decades and centuries of Christianity, a time when the memory and legacy of Paul came to serve varied and often competing interests in the emerging church. It was a time when Paul's reputation and importance to the church were being reinforced and when his epistles were gaining the authority that would ensure their place in the sacred library of Christianity. It was also the time when the Jesus movement forged itself into Christianity, a process in which Paul played a pivotal role and eventually also became an object of revision and transformation himself. What is virtually indisputable in this process is that Paul, during his lifetime and after, played a critical role in making Christianity what it was to become.

Paul and His Theology Stanley E. Porter, 2006. In this collection of articles, legal scholars consider how Nietzsche's philosophical and rhetorical interventions illuminate the failures of contemporary legal theory.

Collected Studies on Pauline Literature and on the Book of Revelation Jan Lambrecht, 2001. Raccolta di studi sulla letteratura paolina. A cura di Jan Lambrecht. La prima parte considera la concezione paolina della legge, le sue convinzioni escatologiche e la riflessione che Paolo sviluppa attorno alla risurrezione di Cristo e dei cristiani. La seconda parte del libro esamina l'ecclesiologia e le composizioni climatiche dell'Apocalisse. Most of these thirty collected studies were written in Rome. Two are translations from the Dutch; three have not been published previously. Some few studies address philological problems, but most try to explain the thought of the biblical text. There are full-fledged articles and also brief notes. Bringing them together in one volume will prove useful to students of Paul, of Pauline Literature, and of The Book of Revelation. These essays are the result of years of teaching experience and extensive research. This book consists of two parts: Pauline and Deutero Pauline Letters, the larger one, and The Book of Revelation, the smaller. The first part considers Paul's view of the law, his eschatological convictions, and his reasoning regarding the resurrection of Christ and of the Christians. The second part examines the ecclesiology and the climatic composition of The Book of Revelation. The movement from judgments to blessings

is carefully investigated      **Texts and Contexts** Todd D. Still, 2017 *Texts and Contexts* honors the life and scholarship of David E. Garland. Fifteen colleagues, friends, and former students each offer a study on one of the canonical Gospels or Paul's letters, demonstrating how these texts continue to reveal new surprises and a wealth of resources for service to the gospel. Throughout his productive career as a New Testament scholar, first at the Southern Seminary and later at Baylor University's George W. Truett Theological Seminary, Garland became widely known and highly regarded for his wise and careful interpretive work. His commentaries on the Gospels, Matthew, Mark, and Luke, as well as Paul's letters, 1 Corinthians, 2 Corinthians, Philippians, Colossians, and Philemon, exemplify careful, thoughtful, and faithful biblical scholarship in service of both the academy and the church. This present volume begins with five studies on Gospel texts and the Jesus tradition. Margaret E. Ramey, Richard Bauckham, Mikeal C. Parsons, Andrew E. Arterbury, and Craig L. Blomberg. Five essays on Pauline passages and interpretation follow. Todd D. Still, Mark A. Seifrid, Craig S. Keener, Bradley Arnold, and Klyne R. Snodgrass. Five homilies round out the collection. Ben Witherington III, W. Hulitt Gloer, Bill J. Leonard, Timothy George, and Daniel O. Aleshire. Even as this book celebrates and commemorates what Garland has already done, it anticipates scholarship yet to be received.

Apostles of Revolution? Marxism and Biblical Studies Christina Petterson, 2020-04-20. In *Apostles of Revolution: Marxism and Biblical Studies*, Christina Petterson sheds light on the collaboration between biblical studies and liberal ideology. Marxist analysis of the Bible is spreading, but clarity about what constitutes Marxist readings and Marxist categories of analysis is lacking. A lack of clarity compounded by the different strands within Marxist politics and its subtle resonances in biblical scholarship. The author examines the interplay between biblical studies and liberal ideology in two ways. First, by presenting and discussing some of the central Marxist categories of analysis, namely, history, ideology, and class, and how these categories have been co-opted into biblical studies and in the process lost their radical edge. Second, by discussing the emergence of the discipline of biblical studies during the Enlightenment and to what extent the containment strategies of biblical studies overlap with those of capitalism.      Pauline Studies Jan Lambrecht, 1994      **Abraham's Faith in Romans 4** Benjamin Schliesser, 2007. The concept of faith is at the core of Paul's theology and the classic passage for his understanding of pistis is Genesis 15:6. After discussing the history of scholarship on the Pauline concept of faith, Benjamin Schliesser explores the literary tradition, historical and structural questions of Genesis 15, and offers a detailed exegesis of verse 6 with its fundamental terms: count, righteousness, and believe. He then points to the theological significance of this testimony on Abraham for the Jewish identity; it comes into sight in a multifaceted and nuanced process of reception from later Old Testament texts, Psalm 106, Nehemiah 9, to a broad array of literature from Second Temple Judaism: Septuagint, Sirach 44, Jubilees 14, 4QPseudo-Jubilees, 4QMMT, 1 Maccabees, Philo. In the final and most substantial step, he asks about Paul's hermeneutics of faith: How does Paul, in his exegesis of the Genesis quote in Romans 4, come to view Abraham as the father of all believers? What is the concept of faith that he develops on the basis of Genesis 15:6? Taking into account the manifold

textual and thematic links between Romans 4 Romans 3 21 31 and Romans 1 16 17 a unique twofold structure of faith discloses itself Pistis designates first a divinely established sphere of power i e a new christologically determined salvation historical reality and second human participation in this reality i e individual believing in the community of believers

Particularly the first aspect is generally overlooked in modern scholarship **A Prolegomenon to the Study of Paul**

Patrick Hart,2020-04-14 A Prolegomenon to the Study of Paul examines foundational assumptions that ground all interpretations of the apostle Paul This examination touches on several topics invoking issues pertaining to truth hermeneutics canonicity historiography pseudonymity literary genres and authority Underlying all of this is a guiding thesis namely that every encounter with Paul involves Pauline Archimedean points or fixed points of reference that establish the measure for constructing any interpretation of Paul whatsoever Building on this the author interrogates various issues that inform the formation of these Pauline Archimedean points in pursuit of an important but modest goal to urge Pauline readers to engage in a modicum of self reflection over the various considerations that precondition all of our efforts to comprehend Paul **Dictionary of Major Biblical Interpreters** Donald K. McKim,2007-11-12 Donald K McKim edits this revised and expanded edition of IVP's Historical Handbook of Major Biblical Interpreters With 230 in depth articles regarding the principal players in the history of Biblical interpretation this volume will serve as an invaluable tool for any serious student of the Bible or history of exegesis

**Begging for Their Daily Bread** Zhenya Gurina-Rodríguez,2022-09-29 In Begging for Their Daily Bread Zhenya Gurina Rodriguez formulates a beggars centric hermeneutic and interprets Matthew 6 through this lense arguing that this text could be both engaging and alienating to beggars in the first century Jesus movement Gurina Rodriguez establishes that beggars come from different backgrounds and diverse perspectives on their realities of life while sharing particular life experiences marked by destitution homelessness lack of any safety net and controversial reactions from the public to their means of survival Gurina Rodriguez constructs three beggar characters explores the differences and similarities in their possible interpretations of a portion of the Sermon on the Mount and brings to our attention some of the blind spots that many traditional readings of the text written by non poor Western scholars have concerning life in poverty

**Divine Accounting** Jennifer A Quigley,2021-06-08 A nuanced narrative about the intersections of religious and economic life in early Christianity The divine was an active participant in the economic spheres of the ancient Mediterranean world Evidence demonstrates that gods and goddesses were represented as owning goods holding accounts and producing wealth through the mediation of religious and civic officials This book argues that early Christ followers also used financial language to articulate and imagine their relationship to the divine Theo economics intertwined theological and economic logics in which divine and human beings regularly transact with one another permeate the letters of Paul and other texts connected with Pauline communities Unlike other studies which treat the ancient economy and religion separately Divine Accounting takes seriously the overlapping of themes such as poverty labor social status suffering cosmology and eschatology in material

evidence from the ancient Mediterranean and early Christian texts      *The Politics of Inheritance in Romans* Mark Forman, 2011-04-21 Mark Forman explores the extent to which Paul's concept of inheritance in Romans and its associated imagery logic and arguments served to evoke socio political expectations that were different to those which prevailed in contemporary Roman imperial discourse Forman explores how Paul deploys the idea of inheritance in Romans and analyses the sources which inform and overlap with this concept Coins literature and architecture are all examined in order to understand the purpose hopes and expectations of first century society This book contributes to recent studies covering Paul and politics by arguing that Paul's concept of inheritance subverts and challenges first century Roman ideologies

## **Pauline Studies Introduction**

In today's digital age, the availability of Pauline Studies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Pauline Studies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Pauline Studies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Pauline Studies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Pauline Studies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Pauline Studies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Pauline Studies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Pauline Studies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge,

offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Pauline Studies books and manuals for download and embark on your journey of knowledge?

### **FAQs About Pauline Studies Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Pauline Studies is one of the best book in our library for free trial. We provide copy of Pauline Studies in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Pauline Studies. Where to download Pauline Studies online for free? Are you looking for Pauline Studies PDF? This is definitely going to save you time and cash in something you should think about.
