Pauls Case:

Paul's Case and Other Stories Willa Cather, 2012-11-01 Includes the title story and A Wagner Matinee both revised by Cather for publication in 1920 Lou the Prophet 1892 Eric Hermannson s Soul 1900 and The Enchanted Bluff 1909 Paul's Case Willa Cather, 2009-04-28 Uprooted from a well ordered life in Virginia when she was nine Willa Cather came of age in the West during the last years of the American frontier She developed a love for the beauty of the open grassland and an abiding interest in the Old World customs of her neighbors the dreamers and builders who inhabit her fiction This collection includes work from the early part of Cather s career and clearly marks themes and landscapes that she would detail and explore for the remainder of her life *Paul's Case* Willa Cather, 2013-08-14 It was Paul s afternoon to appear before the faculty of the Pittsburgh High School to account for his various misdemeanours He had been suspended a week ago and his father had called at the Principal s office and confessed his perplexity about his son Paul entered the faculty room suave and smiling His clothes were a trifle out grown and the tan velvet on the collar of his open overcoat was frayed and worn but for all that there was something of the dandy about him and he wore an opal pin in his neatly knotted black four in hand and a red carnation in his button hole This latter adornment the faculty somehow felt was not properly significant of the contrite spirit befitting a boy under the ban of suspension Paul was tall for his age and very thin with high cramped shoulders and a narrow chest His eyes were remarkable for a certain hysterical brilliancy and he continually used them in a conscious theatrical sort of way peculiarly offensive in a boy The pupils were abnormally large as though he were addicted to belladonna but there was a glassy glitter about them which that drug does not produce When questioned by the Principal as to why he was there Paul stated politely enough that he wanted to come back to school This was a lie but Paul was quite accustomed to lying found it indeed indispensable for overcoming friction His teachers were asked to state their respective charges against him which they did with such a rancour and aggrievedness as evinced that this was not a usual case Disorder and impertinence were among the offences named yet each of his instructors felt that it was scarcely possible to put into words the real cause of the trouble which lay in a sort of hysterically defiant manner of the boy s in the contempt which they all knew he felt for them and which he seemingly made not the least effort to conceal Once when he had been making a synopsis of a paragraph at the blackboard his English teacher had stepped to his side and attempted to guide his hand Paul had started back with a shudder and thrust his hands violently behind him The astonished woman could scarcely have been more hurt and embarrassed had he struck at her The insult was so involuntary and definitely personal as to be unforgettable In one way and another he had made all his teachers men and women alike conscious of the same feeling of physical aversion In one class he habitually sat with his hand shading his eyes in another he always looked out of the window during the recitation in another he made a running commentary on the lecture with humorous intent His teachers felt this afternoon that his whole attitude was symbolized by his shrug and his flippantly red carnation flower and they fell upon him without

mercy his English teacher leading the pack He stood through it smiling his pale lips parted over his white teeth His lips were continually twitching and he had a habit of raising his eyebrows that was contemptuous and irritating to the last degree Older boys than Paul had broken down and shed tears under that ordeal but his set smile did not once desert him and his only sign of discomfort was the nervous trembling of the fingers that toyed with the buttons of his overcoat and an occasional jerking of the other hand which held his hat Paul was always smiling always glancing about him seeming to feel that people might be watching him and trying to detect something This conscious expression since it was as far as possible from boyish mirthfulness was usually attributed to insolence or smartness As the inquisition proceeded one of his instructors repeated an impertinent remark of the boy s and the Principal asked him whether he thought that a courteous speech to make to a woman Paul shrugged his shoulders slightly and his eyebrows twitched

lives of rugged western pioneers These depictions though partially valid nonetheless rely on oversimplifications and neglect the striking and important ways the works of these two authors intersect The first comparative study of Edith Wharton and Willa Cather in thirty years this book combines biographical historical and literary analyses with a focus on place and aesthetics to reveal Wharton's and Cather's parallel experiences of dislocation their relationship to each other as writers and the profound similarities in their theories of fiction Julie Olin Ammentorp provides a new assessment of the affinities between Wharton and Cather by exploring the importance of literary and geographic place in their lives and works including the role of New York City the American West France and travel In doing so she reveals the two authors shared concern about the culture of place and the place of culture in the United States **The Trial of St. Paul** Harry W. Queering the Underworld Scott Herring, 2009-05-15 At the start of the twentieth century tales of how the

other half lives experienced a surge in popularity People looking to go slumming without leaving home turned to these narratives for spectacular revelations of the underworld and sordid details about the deviants who populated it In this major rethinking of American literature and culture Scott Herring explores how a key group of authors manipulated this genre to paradoxically evade the confines of sexual identification *Queering the Underworld* examines a range of writers from Jane Addams and Willa Cather to Carl Van Vechten and Djuna Barnes revealing how they fulfilled the conventions of slumming literature but undermined its goals and in the process queered the genre itself Their work frustrated the reader's desire for sexual knowledge restored the inscrutability of sexual identity and cast doubt on the value of a homosexual subculture made visible and therefore subject to official control Herring is persuasive and polemical in connecting these writers to ongoing debates about lesbian and gay history and politics and *Queering the Underworld* will be widely read by students and scholars of literature history and sexuality
