Pauls Ethic Of Freedom:

Paul's Ethic of Freedom Peter Richardson,1979 **Understanding Paul's Ethics** Brian S. Rosner,1995 This introduction to the study of Paul s ethics collects fourteen essays by notable scholars which with commentary to the editor illumine the origin context social dimension shape logic foundations and relevance of Paul s ethics *The Road from Damascus* Richard N. Longenecker,2002-01-10 Conversion is intrinsic to the Christian Religion The most remarkable conversion recorded in the New Testament is that of Paul and most Christians consider Christ s encounter with Paul to be a prototype of Christian conversion generally This collection of eleven essays give Paul s conversion a firmer rootage in the biblical materials while also emphasizing personal application The contributors examine the nature of Paul s Damascus Road experience and the impact of that experience on his thought and ministry and explore how Paul s experience functions as a paradigm for Christian thought and action today **Theology and Ethics in Paul and His Interpreters** Eugene H. Lovering Jr.,Jerry L. Sumney,2017-09-12 This significant volume draws together an exceptional list of contributors to honor the life and work of Victor Paul Furnish Doing credit to the focus and character of Furnish s career as a scholar educator and churchman the individual essays and the volume as a whole have been written in a way that renders them accessible to seminary students in the classroom and that builds substantially on Furnish s own work The book is structured in three parts 1 Theology and Ethics in Paul focusing on individual Pauline texts and on the broader themes foundations and context of Paul s theological and ethical thought 2 Theology and Ethics in Paul s Earliest Interpreters both in the NT and in the church which came to accept Paul s letters as canonical and 3 Paul in Contemporary Theology and Ethics engaging Furnish s own work as well as that of his colleagues and students in the area of Pauline theology and ethics **Christian Identity Characteristics in Paul'S Letter to the Members of the Jesus Movement in Galatians** Jennifer Slater O.P.,2012-08-30 The author explores the Christian identity characteristics of Pauls letter to the Galatians By so doing she presents Pauls struggle to work out a form of Christianity which includes Jews and Gentiles males and females free and slave on the basis of their common baptism in Christ While the Roman Empire struggled to include many different ethnic groups Paul in Galatians makes a bold breakthrough to a new inclusivity in Christ and his Holy Spirit This solution holds major social implications it can help overcome divisions of race culture nationality or ethnicity The author endeavours to affirm certain equality among people while also realizing that this equality is not absolute in every respect The results of the study of Galatians confronts the situation in the new Republic of South Africa where despite the ultra liberal constitution the country still needs the inclusive and ethical message of Galatians to address the new problems of blackon black racism xenophobia homophobia violence against women great corruption in government and irresponsible exercise of authority and freedom Galatians remains crucial for its insistence on social inclusivity and liberating yet real ethics The author is convinced that the eternal truths of Christianity as displayed in the Jesus Movement of antiquity are still relevant in addressing contemporary life issues that

aggrieve people in post Apartheid South Africa **Torah in the Ethics of Paul** Martin Meiser, 2012-07-19 This volume presents European perspectives on the pivotal role of the Torah in the Ethics of Paul **Paul's Inclusive Ethic** Carl N. Toney, 2008 Adapted from the author's dissertation Ph D Loyola University Chicago 2007 *Self-Deception and Wholeness in Paul and Matthew* Dan O. Via, 2005-10-18 Via uses the concept of self deception as a vantage point for understanding something about Paul and Matthew Employing an existential method in the broad sense Via asks about the nature of a pervasive phenomenon of human existence with some attention given to psychological aspects Nevertheless this study is primarily exegetical and interpretive aimed at theological understanding rather than intensively methodological Positing that self deception is a deformation Via undertakes to pay attention primarily to the subversion of the self and the recovery of wholeness Additionally attention is paid to self deception as a social phenomenon and some consideration is given to its social causes and implications **The Ethics of St. Paul** Archibald Browning Drysdale Alexander, 1910 Paul and Virtue Ethics Daniel J Harrington, James Keenan, 2023-06-14 Two prestigious scholars serve up a gourmet banquet that blends the flavors of scripture and ethics without losing the distinctive tastes of each Richard M Gula professor of moral theology Franciscan School of Theology Graduate Theological Union In Paul and Virtue Ethics Daniel Harrington and James Keenan build upon their successful collaboration Jesus and Virtue Ethics to discuss the apostle Paul's teachings as a guide to interpret theology and ethics today Examining Paul's writings the authors investigate what they teach about the basic questions of virtue ethics Who am I Who do I want to become And how do I get there Their intent is not to provide stringent rules but to awaken discovery and encourage dialogue The book first considers the concept of virtue ethics an approach to ethics that emphasizes moral character and Paul's ethics in particular Next the authors focus on the virtues of faith love charity and hope as treated by Paul and Thomas Aquinas Closing the book with reflections on the roles of other virtues and vices in individual and communal Christian life the authors discuss various issues in social ethics and sexual morality as they are dealt with in Paul and in Christian virtue ethics today One could not ask for better guides than Harrington and Keenan Theological Studies Bringing the moral teaching of Paul and contemporary virtue ethics into dialogue with each other Harrington and Keenan have done what others have only spoken about Frank J Matera The Andrew Kelly Ryan Professor of Biblical Studies The Catholic University of America A deeply learned yet broadly accessible volume a perfect book for an introductory course in theological ethics M Cathleen Kaveny Darald and Juliet Libby Professor of Law and Theology Boston College **Theology and Ethics in Paul** Victor Paul Furnish, 2009-07-03 First published in 1968 and out of print since the 1980s Victor Paul Furnish's treatment of Paul's theology and ethics has long been regarded as the key scholarly statement and most useful textbook on Paul's thought Now Theology and Ethics in Paul is available once again as part of the Westminster John Knox Press New Testament Library Featuring a new introduction from Richard Hays this timeless volume is as relevant in this century as it was in the last The New Testament Library offers authoritative commentary on every book

Luke Post, 2023-02-28

Despite the longstanding debate surrounding the relationship between faith and good works in the apostle Paul's writings no one to date has undertaken a thorough examination of Paul's use of good terminology in ethical contexts This study seeks to fill this gap by examining Paul's use of and as these terms appear in his undisputed epistles and in 2 Thessalonians Surveying a wide terrain of exegetical territory T Luke Post makes a compelling case that believers doing good is a primary aim of Paul's theological social and ethical agenda

Musing with Confucius and Paul KK Yeo, 2008-05-28 A scholarly analysis of Chinese Christianity explaining how it is possible to embrace the Christian faith while maintaining the Chinese identity and culture Being a Chinese Christian means to adopt a very distinctive and unique identity that feeds both traditions In this book Khiok Khng Yeo explores the Analects of Confucius and Paul's Letter to the Galatians and shows how together they provide the resources for the construction of a Chinese Christian theology The author explains the common elements between St Paul and Confucius and how both ideologies complement each other or extend the areas where the other is not so thorough The Christ of God as found in Paul's letter to the Galatians brings Confucian ethics to its fulfilment while Confucius philosophy amplifies many

aspects of Christianity that are underplayed in the western churches Bringing the best of the Confucian tradition into the Christian story Professor Yeo offers an approach to help revivify global Christianity **Paul and the Self** J. Knox Chamblin, 2011-07-21 An outstanding contribution to the subjects of intra and interpersonal relations is the work done by J Knox Chamblin Paul and the Self The author has studied every Pauline passage relating to the self and arranged his findings so as to enrich our understanding of a holistic personal maturity as well as a holistic corporate maturity The serious Bible student should have this book J Grant Howard author of The Trauma of Transparency 1997 Dictionary of Paul and His Letters InterVarsity Press, 2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume s breadth and usefulness for scholars pastors and students today

Paul in the Greco-Roman World J. Paul Sampley, 2003-11-01 Distinguished Pauline scholars offer an insightful examination of Paul and his world using carefully chosen examples to demonstrate how particular features of Greco Roman culture shed light on Paul s letters and on his readers possible perceptions of them The Self, the Lord, and the Other according to Paul and Epictetus Michael J. Gorman, 2023-03-29 This study explores the relationship between the individual person the self the divine and other people in the writings of the apostle Paul and the Roman Stoic Epictetus It does so by examining self involving actions expressed with reflexive pronouns myself yourself etc in various kinds of sentences for example Examine yourself and You do not belong to yourself After situating the topic within the fields of linguistics and ancient Greek the study then examines the reflexive constructions in Epictetus s Discourses showing that reflexive texts express fundamental aspects of his ethic of rational self interest in imitation of the indwelling rational deity Next the investigation examines the 109 reflexive constructions in Paul providing an exegesis of each reflexive text and then synthesizing the results Paul s reflexive phrases are essential statements of his theology and ethics expressing an interconnected narrative Christology narrative apostolic identity and narrative ethic Most importantly the study finds that for Epictetus concern for others is a rational means to self realization whereas for Paul concern for others is a community ethic grounded in the story of the indwelling Christ and is the antithesis of self interest **The Curse of the Law and the Crisis in Galatia** Todd A. Wilson, 2018-09-12 Todd Wilson assesses Paul s references to the Law in the so called ethical section of Galatians in light of a fresh appraisal of the Galatian crisis He contributes to the continuing debate over the relevance of this section of the letter for the rest of Galatians and for the situation in Galatia
