Paul's Letters to Maturing Churches ,2001      **Paul's Letters to Maturing Churches** Lynn Brookside,2001      **Paul's Letters to the Churches** Big Dream Ministries,2005 The Bible is simply a love letter compiled into sixty six books and written over a period of sixteen hundred years by more than forty authors living on three continents Although the authors came from different backgrounds there is one message one theme one thread that runs throughout the entire Bible from the first book Genesis to the last book Revelation That message is God s redeeming love for mankind a message that is as relevant for us today as it was two thousand years ago Paul s Letters to the Churches Romans First Corinthians Second Corinthians Galatians Ephesians Philippians Colossians First Thessalonians and Second Thessalonians were written by Paul over a period of fourteen years to seven churches scattered throughout Asia Minor Greece and Rome These churches were in different stages of maturity and all needed instruction from the great apostle Though Paul did not found all of them he was looked to for leadership as these churches moved through various seasons of growth and challenge As we will see these letters contain both doctrine and practical explanation The apostle took the great truths of the life death resurrection and return of Jesus Christ and explained and applied them for the members of these newly established centers of Christian worship and witness Because of the different circumstances into which Paul sent these letters each has its own flavor and emphasis However the Spirit of God and the purpose of the Scriptures make them as applicable today as they were nearly two thousand years ago when the apostle originally penned them      Paul's Letters to the Corinthians Rick Joyner,2012-03-10 These letters encompass everything from practical church life including church discipline to the purpose of love and the importance of sound doctrine on the resurrection of the dead The Apostle Paul was devoted to not merely giving instructions but also to sharing with believers why the instructions were important This is in keeping with the core purpose of the Gospel to change peoples hearts not just their behavior For this reason no other writings ever penned have changed more hearts than the letters of the Apostle Paul These two letters to the Corinthians stand as the most powerful of all      **1st and 2nd Thessalonians Paul's Letters to the Churches Affirming the Believer** Practical Christianity Foundation,2020-08-08 Empowering the Church In his second epistle to the Corinthian Church the apostle Paul empowered the church by affirming that God s strength and power is revealed and works in our weakness The apostle empowered the church with God s strength after having confronted the immorality doctrinal confusion and frequent disputes that had become commonplace among the Corinthian believers Paul s message to this church was simple yet powerful Consider the values of Christ s redemption and realign your thinking with God s instructions Although this letter was written to admonish instruct and encourage the early church they are just as relevant to us today This verse by verse devotional study complete with engaging commentary and practical life applications will challenge you to pursue a closer walk with Jesus Christ and grow in the faith      *The Mature Church* Emmanuel D. Mbennah,2013-08-09 In this book Emmanuel Mbennah argues that

Christian spiritual maturity is the bridge between the new identity of the Christian articulated in Ephesians 1:3 and the moral code of the Christian life commensurate with the new identity presented in Ephesians 4:17-6:20. From an interpretation of Ephesians 4:13 Mbennah brings to the fore what Christian spiritual maturity is and why it is imperative. He argues that Ephesians 4:1-16 is about spiritual maturity and not about Christian unity except unity as a by-product of maturity. A case study in which the meaning of spiritual maturity is used as a critical standard to evaluate the spiritual maturity of a church in a particular context further clarifies the meaning of spiritual maturity and demonstrates what a sad state of immaturity a church could be in. Mbennah calls for the Church's return to the pursuit of maturity and a return to the subject in New Testament scholarship.

Leadership for Growing Churches Clarence Bouwman, 2016-03-02. Would a book on how to lead a successful business answer the question of how to grow a church? The Apostle Paul would think not. Taking seriously God's instruction in the Scriptures, Paul had the apostle instructed Titus what he had to do to grow the church in Crete well, and it was not to follow a business model. This publication seeks to assist today's reader as he works his way through Paul's letter to Titus. Along the way we'll grapple with such questions as: How do you make a church prosper? What should leadership in a church look like? What role are individual members to play in the Lord's church? How does one handle dissent in a church? How does the church thrive in a culture of deceit? A fresh look at this letter's answers can only be beneficial as one seeks to grow God's way in today's business-minded world.

*Paul's Letter to the Colossians* Gerald F. Hawthorne, Stephen E. Hawthorne, 2010.

**Paul's Understanding of the Church's Mission** Robert L. Plummer, 2006-06-01. Did Paul expect his churches to engage in evangelistic activity which mirrored his own? Or have modern readers of the Bible wrongly projected Paul's apostolic passion upon the communities that he founded? Such is the charge of several recent authors, and if their thesis is correct, nothing could have larger implications for how the modern church engages in mission. In this book Robert L. Plummer engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in outward-directed missionary activity. Plummer helpfully summarizes the discussion to date on the debated issue, judiciously handles contested texts, and provides a way forward in addressing this critical question. While admitting that Paul rarely explicitly commands the communities he founded to evangelize, Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in outward-directed missionary activity. Throughout the study, Plummer progressively builds a theological basis for the church's mission that is both compelling and distinctively Pauline.

*Letters to a Troubled Church* Ray C. Stedman, 2011-09-01. Your faith is challenged daily. We live in a society that has few absolutes where truth is defined by personal philosophies. It's really not so different from the culture of Corinth during the apostle Paul's ministry. Believers were struggling with the gray areas of life, so Paul wrote letters 1 and 2 Corinthians to remind them of what God intended as black and white. In *Letters to a Troubled Church*, Bible teacher Ray Stedman uses Paul's epistles to guide us through difficult matters.

**Walking as Mature Christians** Robert B. Callahan

Sr.,2012-03-16 The Apostle Paul realized that he was an infant in the faith after his encounter with the Lord Jesus on the road to Damascus He experienced what was required to become a member of Christ's body and to walk as a mature Christian Therefore he wanted to share these truths with the Ephesians and with us What does he do First he presents doctrine regarding the Holy Spirit the Lord Jesus Christ and God the Father Then he focuses on the apostles prophets evangelists pastors and teachers Why He knew we needed to acquire knowledge of God's Word and develop a personal relationship with the Triune God He concludes this portion of Scripture with comforting words and stern warnings The former assures us of attaining spiritual maturity whereas the latter warns against the predators espousing false doctrine trickery cunning craftiness and deceit which are only overcome by an intimate knowledge of the Son of God     40 Questions About the Great Commission Daniel L.
