The Naqshbandi Sufi Tradition Guidebook of Daily Practices and Devotions Muhammad Hisham Kabbani, Shaykh Muhammad Hisham Kabbani, 2004 One of the distinguished schools of Islamic spiritual discipline the Naqshbandi Sufi Order has a long and illustrious history from the first days of Islam Led by the shaykhs of the Golden Chain inheritors of spiritual knowledge from Prophet Muhammad the Naqshbandi Order has always played a central pivotal role in the life of people in the Muslim world and survived the turmoil and tribulations of the past century to remain one of the few authentic mystical traditions maintaining a living link with its ancient past The extraordinary vision of the Naqshbandi Saints was manifest in their establishment of fixed devotions and daily practices firmly rooted in the Qur an and Sunnah of the Prophet These practices have enabled devout seekers to awaken certainty of belief and to attain stations of nearness to the Divine Presence The renewed prominence of this order at the turn of the 21st century due to the indefatigable striving of Mawlana Shaykh Muhammad Nazim al Haqqani signals an impending change to our society in which aspirants to Divine Service will be
