Pauvrete Charite Et Morale A Londres Au Xixe Siecle

Jacques Carré

Pauvrete Charite Et Morale A Londres Au Xixe Siecle:

Pauvreté, charité et morale à Londres au XIXe siècle Françoise Barret-Ducrocq, 1991 Cette édition numérique a été réalisée à partir d'un support physique parfois ancien conservé au sein du département de la Bibliothèque nationale de France conformément à la loi n° 2012-287 du 1er mars 2012 relative à l'exploitation des livres indisponibles du XXe siècle Pages de début Introduction Première Partie Deuxième Partie Troisième Partie Thérapie sociale et modalités d'intervention Prologue I Le dispositif législatif ou Comment supprimer le vice par décret 2 Les initiatives de la société civile 3 La stratégie 4 Le millénaire pilogue Conclusion Bibliographie Pages de fin **Vice, Crime, and Poverty** Dominique Kalifa, 2019-04-16 Beggars outcasts urchins waifs prostitutes criminals convicts madmen fallen women lunatics degenerates part reality part fantasy these are the grotesque faces that populate the underworld the dark inverse of our everyday world Lurking in the mirror that we hold up to our society they are our counterparts and our doubles repelling us and yet offering the tantalizing promise of escape Although these images testify to undeniable social realities the sordid lower depths make up a symbolic and social imaginary that reflects our fears and anxieties as well as our desires In Vice Crime and Poverty Dominique Kalifa traces the untold history of the concept of the underworld and its representations in popular culture He examines how the myth of the lower depths came into being in nineteenth century Europe as biblical figures and Christian traditions were adapted for a world turned upside down by the era of industrialization democratization and mass culture From the Parisian demimonde to Victorian squalor from the slums of New York to the sewers of Buenos Aires Kalifa deciphers the making of an image that has cast an enduring spell on its audience While the social conditions that created that underworld have changed Vice Crime and Poverty shows that from social scientific ideas of the underclass to contemporary cinema and steampunk culture its shadows continue to haunt us *The Society of Equals* Pierre Rosanvallon, 2013-11-15 Society's wealthiest members claim an ever expanding share of income and property a true counterrevolution says Pierre Rosanvallon the end of the age of growing equality launched by the American and French revolutions Just as significant driving this contemporary inequality has been a loss of faith in the ideal of equality itself **Humanism After Colonialism** Claudia Alvares, 2006 This book is the result of a doctoral thesis defended at Goldsmith's College University of London Acknowledgements *The Modern World-System IV* Immanuel Wallerstein, 2011-06-10 Centrist liberalism as ideology Constructing the liberal state 1815 1830 The liberal state and class conflict 1830 1875 The citizen in a liberal state Liberalism as social science The argument restated **The Modern World-system** Immanuel Maurice Wallerstein, 1974 The Modern World System Immanuel Wallerstein's influential multivolume reinterpretation of global history traces the emergence and development of the modern world from the sixteenth century to the twentieth From publisher's description *Love in the Time of Victoria* Françoise Barret-Ducrocq, 1992-12-01 Using firsthand documents uncovered in the archives of a London foundling hospital Barret-Ducrocq offers a marvelously acute census of Victorian sexual and moral attitudes **The Invention of the Favela** Licia do Prado Valladares, 2019-04-29

For the first time available in English Licia do Prado Valladares's classic anthropological study of Brazil's vast densely populated urban living environments reveals how the idea of the favela became an internationally established and even attractive and exotic representation of poverty The study traces how the term favela emerged as an analytic category beginning in the mid 1960s showing how it became the object of immense popular debate and sustained social science research But the concept of the favela so favored by social scientists is not Valladares argues a straightforward reflection of its social reality and it often obscures more than it reveals The established representation of favelas undercuts more complex accurate and historicized explanations of Brazilian development It marks and perpetuates favelas as zones of exception rather than as integral to Brazil's modernization over the past century And it has had important repercussions for the direction of research and policy affecting the lives of millions of Brazilians Valladares's foundational book will be welcomed by all who seek to understand Brazil's evolution into the twenty first century

Charity, Philanthropy and Reform Hugh Cunningham, Joanna Innes, 1998-09-12 The essays in this volume explore continuities and changes in the role of philanthropic organizations in Europe and North America in the period around the French Revolution They aim to make connections between research on the early modern and late modern periods and to analyze policies towards poverty in different countries within Europe and across the Atlantic Cunningham and Innes highlight the new role for voluntary organizations emerging in the late eighteenth century and draws out the implications of this for received accounts of the development of welfare states

Face à la pauvreté François-Xavier Merrien, 1994 Des hommes et des pouvoirs dans la ville, XIVe-XXe siècles, 1999

Le Pauvre et le sociologue Jacques Rodriguez, 2007-11-09 Histoire raisonnée de la sociologie anglaise qui en revèle la singularité jusqu'aujourd'hui elle s'est construite non pas à l'université mais dans l'orbite des partis politiques en relation étroite avec les problèmes de la pauvreté et les politiques chargées de la combattre de l'assistance publique victorienne la reconfiguration récente de l'état sous le gide du New Labour

Autorité, responsabilité parentale et protection de l'enfant, 1991-12-31T23:00:00+01:00 Une contribution de spécialistes européens sur la question de l'autorité parentale Actualité et perspectives sur les politiques publiques les modes de résolution des conflits les délits les procédures juridiques l'action face aux parents la place des professionnels Copyright Electre

Les visiteurs du pauvre Jacques Carré, 2000-01-01 Ce volume offre la première traduction en français d'une quinzaine de textes majeurs de la sociologie empirique britannique durant les deux derniers siècles comprenant quelques grands noms comme Eden Mayhew Booth Rowntree Willmott et Young Ces enquêteurs et enquêtrices tour tour philanthropes statisticiens journalistes médecins ou sociologues amateurs et professionnels dressent le constat impitoyable d'une pauvreté urbaine jamais radicalement éliminée Ces visiteurs du pauvre restent irrémédiablement pluriels même s'ils se réclamèrent tous à l'instar du baron de Gando en 1820 d'un humanitarisme moderne qui appréhende le pauvre comme une personne plutôt que comme un problème La variété des méthodes d'enquête est aussi évidente que celle des auteurs certains enquêteurs ont travaillé seuls d'autres en équipe certains se sont attachés à chiffrer l'information

recueillie d'autres sont allés vivre avec les populations analysées certains ont travaillé partir d'échantillonnages d'autres ont étudié l'ensemble d'un groupe social. La critique même des rapports se ressent de cette diversité on trouvera ici aussi bien des textes factuels d'une austérité de libérer que de pathétiques descriptions ou encore de fidèles transcriptions du parler populaire. Cet ouvrage ravivera tous ceux qui s'intéressent à l'histoire sociale et la sociologie des approches britanniques moins connues de la pauvreté.

Devenir infirmière en France Evelyne Diebolt, Nicole Fouché, 2011. Seconde moitié du XIXe siècle. Sous l'impulsion de l'Anglaise Florence Nightingale qui s'est distinguée lors de la guerre de Crimée la profession d'infirmière connaît un formidable développement. Elle vit même une révolution essentielle fondation d'une véritable formation nouvelles méthodes de travail encadrement accru permettent alors au métier de gagner en efficacité en professionnalisme en cohésion. Une mutation qui inspirera rapidement les États-Unis et des femmes américaines progressistes qui promouvront leur manière ces idées et se feront un devoir et une mission de les transmettre. Ce sera le cas mais plus timidement en France grâce à l'action de la Française Anna Hamilton. Hors les loin de s'imposer dans l'Hexagone notamment aux lendemains d'une Première Guerre mondiale qui a pourtant permis de prendre conscience des avancées anglo-américaines dans le domaine du soin ce modèle ne sera pas entièrement repris. Pour quelles raisons? Retour sur l'histoire de la profession d'infirmière de part et d'autre de l'océan à travers les liens transatlantiques les débats idéologiques sous-jacents le genre et les appartenances religieuses qui s'affrontent. Avec une volonté affichée d'éclairer les pans moins connus de l'histoire et de replacer leurs acteurs essentiels leur juste place. Evelyne Diebolt et Nicole Fouché relatent et analysent les évolutions du métier d'infirmière sur les sols anglo-américains et français. Une histoire d'abord séparée puis menée en parallèle avant une véritable rencontre sur le territoire français marqué par la Grande Guerre. Mais les multiples pressions pour faire adopter par la France le modèle proposé par les Anglo-Américains ne suffisent pas. Fruit d'une problématique inédite cet essai nous rappelle encore que l'histoire des infirmières est indissociable de celle des femmes de leur manière de s'approprier les métiers et de redéfinir les contours. Derrière le propos historique ce sont donc des femmes d'avant-garde que cet ouvrage nous propose de découvrir.

Sécurité, crime et ségrégation dans les villes d'Afrique de l'Ouest du XIXe siècle à nos jours Carmen Boustani, 2003-10-01. Alors que de nombreuses études se sont naturellement focalisées sur les vingt dernières années la quasi-absence d'études historiques sur la sécurité et la criminalité laisserait supposer que ces phénomènes sont nouveaux en Afrique. L'une des priorités de ce livre est de reconsidérer ces questions en proposant une approche pluridisciplinaire histoire science politique géographie sociologie littérature. Premier pays de la région à entrer dans l'ère du crime organisé le Nigeria constitue aujourd'hui une base essentielle des réseaux criminels transnationaux à l'échelle mondiale.

Michel Foucault Luce Giard, 1992.

La Ville et les femmes en Belgique. Histoire et sociologie Eliane Gubin, Jean-Pierre Nandrin, 1993. La ville lieu d'émancipation d'intégration ou d'exclusion pour les femmes. La recherche scientifique actuelle s'occupe du phénomène urbain n'a pas développé de réflexion systématique sur les relations qui se sont tissées au cours des siècles entre les femmes et la ville comme si les femmes n'avaient pas modelé leurs

lieux et leurs espaces de vie L'ouvrage ne prétend pas combler cette lacune mais participe une première approche historique et sociologique amorcée au début des années 1990 et qui a suscité des travaux parallèles notamment en France Très vite on le verra l'essentiel des contributions historiques concerne le statut économique des femmes L'émancipation par le travail le travail reconnu et salarié est une donnée essentielle tandis que l'occultation de leurs activités non marchandes explique le silence de l'histoire sur leur place dans la cité Regards d'historiennes et d'historien qui s'interrogent sur la ville et les femmes mais aussi réflexions de sociologues face aux nouveaux problèmes qui naissent de l'urbanisation des changements profonds de la ville de la grande ville surtout Le débat n'est tranché ni entre eux ni dans l'ouvrage Il reste très largement ouvert et témoigne de la fécondité de la problématique originelle la ville un lieu d'exclusion ou un lieu d'émancipation pour les femmes

Dictionnaire encyclopédique d'éthique chrétienne Laurent Lemoine,Éric Gaziaux,Denis Muller,2016-10-14 La Régence d'or Tout ce que vous voulez que les hommes fassent pour vous faites le vous mêmes pour eux voilà la Loi et les Prophètes Jésus La vie éthique ou morale est une exigence d'humanité Elle naît du désir des personnes de donner sens leurs actes et d'agir en vue du bien Composée de règles d'action de normes de valeurs de vertus de représentations du bien ou de ce qui est sens elle vise rendre la vie plus humaine et met en œuvre la liberté des personnes dans leur relation avec les autres avec elles mêmes avec la nature et avec Dieu On appelle généralement éthique la science des comportements moraux humains extrait de l'article éthique Avec quelque 200 articles rédigés par plus de 100 spécialistes venus de divers horizons théologiens philosophes historiens sociologues psychanalystes scientifiques etc ce Dictionnaire encyclopédique d'éthique chrétienne embrasse l'ensemble des différentes notions liées à l'éthique et la réflexion morale chrétienne Par son approche historique interdisciplinaire et oecuménique il offre une meilleure compréhension des débats sociétaux actuels famille euthanasie clonage communautarisme écologie mondialisation etc Sont aussi traitées des notions fondamentales du christianisme comme la grâce la joie l'amour l'espérance la foi Tout lecteur initié ou non tirera profit de la consultation de cet ouvrage d'une ampleur sans précédent

La République des faibles Annie Stora-Lamarre,2005-05-04 La République des faibles saisit une humanité affrontée au mal et au malheur au moyen de lois de nature pénale et civile promulguées à la fin du XIXe siècle Ces lois privilégient l'examen des passions dans l'ordre de la sexualité du crime de l'amour et du devoir paternel de la subduction des passions présentes dans le droit comme celles d'une humanité ternelle et sans histoire Pourquoi faire des lois et d'o viennent-elles quand leurs promoteurs disent en ces temps positivistes se préoccuper de la subjectivité du sujet et de sa nature intime Le croisement des matériaux fait apparaître les doctrines juridiques de Raymond Saleilles ou de Gabriel Tarde les positions des philosophes catholiques comme le sénateur Ren Brenger ou encore celles du libre penseur Alfred Fouille Les positions de ces analystes de la société civile sont prises au tournant du siècle dans un contexte d'intenses changements au sein de congrès internationaux où l'apport de la pensée juridique allemande apparaît capital En fouillant les entrailles du droit publicain les protagonistes parfois oubliés de ce chantier rendent compte d'une aspiration démocratique pour un homme doué de raison mais incapable me
