Fenollosa, Sidney McCall, 1919 *The Long Road Home* Connie Monk, 2016-01-14 Sophie and Lydia Westlake have always been close and think of each other as sisters despite the fact that they are really cousins Sophie has always been the prettier more light hearted younger sister whilst Lydia has grown up in her shadow and is more serious and reserved But until dashing young architect Christian Mellor arrives in town on the day of the annual summer fete their differences had never mattered Both girls immediately fall for Christian s charms as he becomes a regular visitor to the family home having been commissioned to do some building work for their father Sophie marries Christian blissfully unaware of her sister s secret passion for her husband Lydia is devastated and tells no one how she really feels But cannot let go of her feelings for Christian especially when Sophie confides that she is unhappy in the marriage **Littell's Living Age** ,1866 **Hilary McKay's Fairy Tales** Hilary McKay, 2017-10-05 Hilary McKay s Fairy Tales is a classic fairy tale collection to treasure Featuring Hilary McKay s imaginative retellings of key favourites this ten story collection includes the much loved tales of Rapunzel Cinderella The Princess and the Pea Rumpelstiltskin The Pied Piper of Hamelin The Swan Brothers Snow White and the Seven Dwarves Red Riding Hood The Twelve Dancing Princesses and Hansel and Gretel This gorgeous collection features black and white line and tone illustrations throughout from the talented Sarah Gibb **Miss Sophie's Secret** Fran Baker, 2014-01-25 When Sophie Althorpe arrived in London her beloved Aunt Ruth hoped to present her to the ton and make a proper match But the secret surrounding her birth haunted Sophie And when the dashing cavalier Jonathan Gray returned it became more important than ever that she find out the truth For Sophie dared not long for Jonathan s love until she unlocked the mystery of her past Regency Romance by Fran Baker originally published by Delphi Books **Love at First Lie** Somnath Bhattacharjee, 2025-09-05 You take such amazing photos Why don t you make your hobby your profession Alexia suggested sipping her coffee Sophie grinned taking it as a compliment I m serious You should really try it Alexia insisted smirking Maybe Sophie replied falling deep into thought Later that night while scrolling through her social media Alexia saw a post Hiring Professional Photographer for King s Anniversary Without wasting any time she filled in Sophie s name and contact details thinking she was helping her friend but without Sophie s consent The next day Sophie received an email from the Royal Family of the Blue Kingdom We are thrilled to hire you as the photographer for the King s Anniversary With a puzzled expression Sophie tried calling Alexia feeling both confused and angry Go for it honey You can do it Alexia encouraged her Reluctantly Sophie decided to accept the job despite being only a hobbyist photographer A few days later she arrived in the Blue Kingdom There her eyes met those of Prince Alan and she felt herself falling in love drawn in by his deep brown eyes Similarly Prince Alan found himself inexplicably attracted to Sophie despite not knowing who she was He found reasons to be around her but was also afraid Would marrying someone outside of another monarchy spell disaster for the Blue Kingdom especially when Katherine already saw Alan as her prince Who would truly win the prince s heart Would love prevail or would duty And what consequences would arise from a little lie on a CV Maybe end up falling in love with a Prince

Finch, 2000-08-10 This is the most complete critical survey to date of women's literature in nineteenth century France. Alison Finch's wide ranging analysis of some 60 writers reflects the rich diversity of a century that begins with Mme de Staël's cosmopolitanism and ends with Rachilde's perverse eroticism. Finch's study brings out the contribution not only of major figures like George Sand but also of many other talented and important writers who have been unjustly rejected including Flora Tristan, Claire de Duras and Delphine de Girardin. Her account opens new perspectives on the interchange between male and female authors and on women's literary traditions during the period. She discusses popular and serious writing, fiction, verse, drama, memoirs, journalism, feminist polemic, historiography, travelogues, children's tales, religious and political thought, often brave innovative texts linked to women's social and legal status in an oppressive society. Extensive reference features include bibliographical guides to texts and writers.
