Popeyepopeye At Sea

George W. Woolery

Popeyepopeye At Sea:

Popeye Fred M. Grandinetti, 2004-08-12 It s a rare comic character who can make audiences laugh for well over half a century but then again it s a pretty rare cartoon hero who can boast of forearms thicker than his waist who can down a can of spinach in a single gulp or who generally faces the world with one eye squinted completely shut When E C Segar s gruff but lovable sailor man first tooted his pipe to the public on January 7 1929 it was not in the animated cartoon format for which he is best known today and which would become the longest running series in film history Instead it was on the comics page of the New York Journal as Segar s Thimble Theatre strip Over the decades to come Popeye was to appear on radio television stage and even in a live action feature film This comprehensive and lavishly illustrated history is a thoroughly updated and revised edition of the highly acclaimed 1994 work Animated series and films are examined noting the different directions each studio took and the changing character designs of the Popeye family Popeye in other media comics books radio and a stage play is thoroughly covered as are Robert Altman s 1980 live action film and Popeye memorabilia **Merchant**
