Novelty of Newspapers Matthew Rubery, 2009-07-28 Arising in the 1800s and soon drawing a million readers a day the commercial press profoundly influenced the work of Brontë Braddon Dickens Conrad James Trollope and others who mined print journalism for fictional techniques Five of the most important of these narrative conventions the shipping intelligence personal advertisement leading article interview and foreign correspondence show how the Victorian novel is best understood alongside the simultaneous development of newspapers In highly original analyses of Victorian fiction this study also captures the surprising ways in which public media enabled the expression of private feeling among ordinary readers from the trauma caused by a lover's reported suicide to the vicarious gratification felt during a celebrity interview from the distress at finding one's behavior the subject of unflattering editorial commentary to the apprehension of distant cultures through the foreign correspondence Combining a wealth of historical research with a series of astute close readings *The Novelty of Newspapers* breaks down the assumed divide between the epoch's literature and journalism and demonstrates that newsprint was integral to the development of the novel *The Loudons and the Gardening Press* Sarah

Dewis, 2016-03-03 Through close readings of individual serials and books and archival work on the publication history of the *Gardener's Magazine* 1826-44 Sarah Dewis examines the significant contributions John and Jane Webb Loudon made to the gardening press and democratic discourse Vilified during their lifetimes by some sections of the press the Loudons were key players in the democratization of print media and the development of the printed image Both offered women readers a cultural alternative to the predominantly literary and classical culture of the educated English elite In addition they were innovatory in emphasizing the value of scientific knowledge and the acquisition of taste as a means of eroding class difference As well as the *Gardener's Magazine* Dewis focuses on the lavish eight volume *Arboretum et Fruticetum Britannicum* 1838 an encyclopaedia of trees and shrubs and *On the Laying Out Planting and Managing of Cemeteries* 1843 arguing that John Loudon was a radical activist who reconfigured gardens in the public sphere as a landscape of enlightenment and as a means of social cohesion Her book is important in placing the Loudons' publications in the context of the history of the book media history garden history urban social history history of education nineteenth century radicalism

Shattock, 2010-01-28 The nineteenth century witnessed unprecedented expansion in the reading public and an explosive growth in the number of books and newspapers produced to meet its demands These specially commissioned essays examine not only the full range and variety of texts that entertained and informed the Victorians but also the boundaries of Victorian literature the links and overlap with Romanticism in the 1830s and the roots of modernism in the years leading up to the First World War The Companion demonstrates how science medicine and theology influenced creative writing and emphasizes the importance of the visual in painting book illustration and in technological innovations from the kaleidoscope to the cinema Essays also chart the complex and fruitful interchanges with writers in America Europe and the Empire

highlighting the geographical expansion of literature in English This Companion brings together the most important aspects of this prolific and popular period of English literature

A Victorian Dissenter David E. Seip, 2018-04-24 This book introduces the reader to Robert Govett 1813 1901 dissenting clergyman and author who wrote as a scholar of biblical prophecy primarily on the subject of the exclusion of believers in the Millennial Kingdom an idea of which he conceived The purpose of the book is threefold 1 to describe Govett his life and his printed work 2 to analyze Govett s eschatological beliefs especially those he originated and 3 to investigate why a respected theologian in England who had published over 180 books and tracts disappeared from dissenting print culture early in the twentieth century Govett s doctrine of exclusion was heavily intertwined with most of his writings It was a topic that he developed throughout his career Yet as the center of dispensationalism shifted to America Govett s views of the Rapture began to be seen as extreme The book explains why Govett was eclipsed as the center of the evangelical movement shifted and its theology ossified Since his death Govett has been occasionally remembered in scholarship but with increasing inaccuracies and skepticism This book seeks to remove the mystery
